

## MS Gunsmokes Doll (via production record)

APHC Hall of Fame

Foaled in 1995, Ms Gunsmokes Doll started her career as a reining competitor, and later became a potent producer of reining horses that rapidly became top competitors at the highest levels of ApHC competition. Bred by James and Barbara Mazziotta of Reeders, Pennsylvania, Ms Gunsmokes Doll descended from a long line of reining champions. Her sire, Quarter Horse stallion Hollywood Macho Jac, was a World Champion and a son of NRHA Hall of Famer Hollywood Jac 86. Her dam, Appaloosa mare Mr GunSmoke's Doll, was by Quarter Horse stallion Mr Gun Smoke, a 2008 NRHA Hall of Fame inductee. Mr GunSmoke's Doll had previously produced seven other ApHC-registered foals, two of which – Gunsmokes Skeeter and Macho Valentine – had won both ApHC World and National Champion titles in reining, and Gunsmokes Skeeter was herself inducted into the ApHC Hall of Fame on strength of her production record in 2005.

Sold to Harry and Patricia Lawyer of Bordentown, New Jersey as a weanling, Ms Gunsmokes Doll – like so many of her relatives – showed a talent for reining, as evidenced by her top-ten placing in Junior Reining at the 1999 ApHC World Championship Show. She would produce her first foal just six months later, a chestnut gelding named Mr Dual GunSmoke, by Quarter Horse stallion Dual Peppy. Mr Dual GunSmoke proved to be versatile in open, non-pro, and youth competition; he has helped multiple youth exhibitors achieve Youth World reining titles, was ridden to a Non-Pro Reining World Championship in 2003, and won a National Championship in Senior Reining in 2008.

Ms Gunsmokes Doll's next foal was equally talented. Her 2001 chestnut filly, named Got Juice (by AQHA stallion Smart Like Juice), earned a World Championship in Hackamore/Snaffle Bit Reining in 2004, and was also shown successfully in Non-Pro and

Youth competition. Between 2003 and 2007, Ms Gunsmokes Doll produced five more ApHC-registered foals: 2003 gelding Ima Smokin Frosty (by Ima Frosty Lena), 2004 mare Ms Frosted Guns (by Ima Frosty Lena), 2005 gelding This Juice Is Smokin (by Smart Like Juice, AQHA), 2006 mare Ms Reminics Doll (by Reminic N Dunit, AQHA), and 2007 mare Ima Smokin Doll (by MA Thunderstorm). Each has shown at the World and/or National Show level successfully, never placing out of the top ten in Open competition, and most have also competed at the Non-Pro or Youth level as well, if not in both. Ima Smokin Frosty earned a bronze medallion through a National Championship in Hackamore/Snaffle Bit Reining in 2006, and this Juice Is Smokin and Ima Smokin Doll solidified Ms Gunsmokes Doll's place in the ApHC Hall of Fame through bronze medallions earned with World Championships in Senior Reining and Hackamore/Snaffle Bit Reining, respectively, in 2011.

To date, Ms Gunsmokes Doll's foals have earned 122 open points, five Registers of Merit (ROMs), and five Bronze performance medallions, among countless other accolades earned in Non-Pro and Youth competition.
