

Andrews Centerfold

The product of a superb match between Appaloosa mare Cinamon Te and prominent Appaloosa stallion and ApHC Hall of Fame inductee Impressive Andrew, 1995 mare Andrews Centerfold had an illustrious career in the halter arena that was later equaled by an outstanding production record. Bred by Judi Claude of Woolstock, Iowa, Andrews Centerfold was sold in November of 1995 to Jim Wild of Sarcoxie, Missouri. Shown lightly as a weanling, Andrews Centerfold roared back into the halter ring as a two-year-old, winning back-to-back halter titles at the ApHC National Show and World Championship Appaloosa Show in 1997. With the momentum of the 1997 show year behind her, Andrews Centerfold returned to the ring in 1998 as a three-year-old, once again taking top honors in her age and sex division at the National and World shows. With two National and two World titles already under her belt, Andrews Centerfold returned to the ApHC National Show as an aged mare in 1999 to defend her champion title – a challenge that she met handily and followed up with yet another championship, this time at the 1999 World Show.

In just three short years Andrews Centerfold had earned six bronze halter medallions, so following her win at the 1999 World Championship Appaloosa Show she was retired from the show ring and settled into life as a broodmare at Jim Wild's Flying W Ranch. Her first foal was born in 2001, and since then Andrews Centerfold has produced 11 ApHC-registered foals. Her medallion earning foals include 2003 mare My Pretty Centerfold (by Maid Pretty Impressive), 2006 gelding Dynamic Andrew (by Dynamic Kid To A Te), 2009 stallion Andrews Package (by The Package, AQHA), 2011 stallion Impress This Package (by The Package, AQHA), and 2012 mare Pretty Covergirl (by Maid Pretty Impressive).
