

Temons Tonka

2000 Mare

Temons Tonka is a blanketed, chestnut, 2000 mare by Sunbeachhonkytonk and out of Temons Valentine (QH). She was bred by Everett Eakins of Hahira, Georgia, and owned since 2005 by Char-O-Lot Ranch of Myakka City, Florida. She has been automatically inducted into the Hall of Fame based on the surpassing success of her progeny.

Seven of her eight foals have earned 369.5 Performance Points, 256 Halter points, 18 Registers of Merit, a Halter Superior Event, a Performance Superior Event, three Club Champions, six Bronze Medallions — and what automatically elevates her to the Hall of Fame: 14 Silver Medallions earned by four different foals.

Most of her foals have proven versatility by amassing points in Youth and Non-Pro as well as Open categories and in multiple disciplines. Her cross with one of only three living ApHC Hall of Fame stallions, The Hunter, was the match that produced all four of her qualifying foals (based on Silver Medallions earned).

Biggest Show In Town (2014 gelding) with two Silver Medallions; Hunter On Tour (2007 gelding) with one; Hunting In Rythym (2013 mare) with one; and Honkin Hunter (2006 gelding) with an impressive nine.
