Galen has ridden him to great success in Non-Pro and Open events. He has also been shown successfully in Open competition by Lee Bennett and Casey Hicks. Congratulations to Neon Jersey and all involved on his outstanding show career and induction into the ApHC Hall of Fame.

**N**eon Jersey is a 2016 gelding with ApHC Hall of Fame bloodlines. He is out of Neon Cola Sign, daughter of Hall of Fame stallion High Sign Nugget (inducted in 2019), and granddaughter of Hall of Fame stallion High Sign (inducted in 1992). High Sign Nugget's dam, Hen Penny, descends from Hall of Fame stallion Top Hat H (inducted in 1988). Neon Cola Sign, sired by Yellow Jersey (QH), joins his ancestors in the ApHC Hall of Fame on an automatic induction with 15 Bronze Medallions, and is still being shown at the time of his induction.
