Billy will now give his research on the Novice point situation to the show committee, then bring the result of the show committee vote back to the Rules committee.

1. There need to be a description of how the neck rope is carries while riding the horse included in C7.
2. Wording in proposal part e last 2 sentences needs to mirror what is in proposal part H sentence 1.
3. Under H category 2 part c there needs to be a description of unacceptable animals to use on the course (snakes, lizards, wild animals etc.)
4. Under H category 2 delete part f.

Next meeting scheduled for May 28 at 10 AM Pacific daylight time.
