

Unregistered Mare Task Force Meeting

May 10, 2021 4pm

Task force members present- Kristen Reiter, Ray Burchett, Tom Hodges and Leslie Foxvog

Also present- Lynette Thompson, ApHC Executive Director, Terry Hutton, ApHC registration staff and Skip Seifert, ApHC member

Motion made by Leslie Foxvog and seconded by Tom Hodges to not forward any recommendation nor proposal to any committee on the use of unregistered mares in any ApHC program as based on this committees' findings, the cost to benefit ratio would not make this a viable item for the ApHC. The single program that this would benefit, the use of these mares on the Chief Joseph Trail ride has already been addressed by the ApHC Board of Directors.

Motion approved unanimously.

No further meetings of this committee will be scheduled.

Motion to adjourn made by Ray Burchett, seconded by Tom Hodges.

Motion approved.
