

In conjunction with the proposed rule change to add a limited division to the open and non-pro classes, the Non-Pro Committee would propose eliminating the Non-Pro 35&O age division, utilizing the limited

division to more appropriately divide our Non-Pros by level vs. age. We would also propose that Regional Clubs can include the limited division to be run separately at regional shows at their discretion.

Motion made by Nick Beil

Seconded by Luke Northway

The Non-Pro Committee proposes to increase the number of points to be novice eligible from 20 to 40 points per class.

Upon entering the Non-Pro age division, an exhibitor who has previously shown in the Youth Division may re-enter the Novice category in any class where they have not won a Youth World or Reserve World title.
