

Dear ApHC Territory V Members,

I am honored to submit my name as a candidate for ApHC National Director for Territory V and respectfully ask for your support.

For more than 30 years, I have dedicated my life to the stock horse industry as a trainer, exhibitor, judge, business owner, and association leader. While many people know me through AQHA and APHA, I have proudly shown Appaloosas at the regional and national levels since 1996. Throughout my career, I have earned more than 188 World and National Championship titles across AQHA, ApHC, APHA, PHBA, and PtHA, and I am honored to hold judges cards with ApHC, PtHA, PHBA, ABRA, and POAC.

Beyond the show arena, I have had the privilege of serving as a PtHA National Director, APHA National Director, President of the Georgia Paint Horse Club, and for the past 17 years as President of For The Kid In All Of Us, a nonprofit organization dedicated to serving children in need. These leadership roles have provided valuable experience in governance, strategic planning, budgeting, fundraising, and, most importantly, bringing people together to accomplish common goals.

I believe Territory V deserves a director who is accessible, listens to its members, communicates openly, and represents every discipline and every exhibitor. My goal is to build stronger communication between our members and the Board of Directors while helping the Appaloosa Horse Club continue to grow, attract new members, and preserve the traditions that make our association special.

If elected, I will lead with integrity, transparency, and a genuine commitment to serving the members of Territory V. I believe the best ideas come from listening to our membership, embracing thoughtful change, and working together to ensure a strong future for the Appaloosa Horse Club.

Thank you for your time, your consideration, and the opportunity to earn your trust. I would be honored to serve as your next Territory V National Director. the

Brian Isbell-Garcia
