

Greetings, please allow me to introduce myself. My name is Gretchen Jackson from Sardinia , Ohio. I have been involved in showing, breeding, and love for horses for over 40 years. It is with great pleasure that I announce my candidacy for The Appaloosa Horse Club Board of Directors for territory 6. I would be honored to represent my territory and will be grateful for your vote.

With having horses as a staple of my life since a very young age, I have an unbridled passion for horses and particularly representing our incredible appaloosa breed. I am fortunate enough to be a part of a very successful show string and breeding program. I look forward to ensuring that our breed continues to prosper.

I am very committed to focusing my time to serve as the director and look forward to listen to fellow members to help their voice be heard. I have a unique background with being both a non pro exhibitor as well as being married to a trainer, therefore; I can see both views of the business and leisure part of owning and campaigning a horse. With that being said hopefully I can bring new ideas and voice concerns to help better the association.

I have spent my entire life involved in the horse industry in some way or another from trail riding all the way to competing at the world level and I have enjoyed and learned from all of it. I have been involved in leadership with our youth through the 4-h programs locally and have assisted whenever and wherever there is a need. I'm looking forward to learning , growing, and adding my skill sets to help with the association in everyway possible.

Since I became involved with the Appaloosa Horse Club in 2006 it has felt like a family to me. I switched my focus from AQHA to ApHC because of the people and I want to support our people to help to continue to grow and prosper.

Please support my journey for candidacy of territory 6 and I will try my best to represent the club the best of my abilities.

Thank you,

Gretchen Jackson
