

Territory V Members,

My name is Kevin Griner, and I am honored to ask for your support as your representative on the Appaloosa Horse Club Board of Directors.

I am a lifelong businessman, horse owner, breeder, and dedicated supporter of the Appaloosa breed. Together with my wife and our four children, our family has spent many years raising, showing, and promoting Appaloosas at every level of competition, including the Youth World Championship, National championship, and the Appaloosa World Championship.

Professionally, I serve as President and CEO of multiple companies employing over 1500 people and generating over \$60 million in annual revenue. Throughout my career, I have developed expertise in strategic planning, budgeting, financial management, organizational leadership, policy development, regulatory compliance, and building successful teams. These experiences have prepared me to make thoughtful, financially responsible decisions on behalf of our members.

My commitment to service extends well beyond my business career. I have served as:

- Chairman of the Board, David Emanuel Academy
- Chairman of the Candler County Chamber of Commerce
- Chairman of the Metter Kiwanis Club
- Started and Served as Chairman of the Candler County Youth Leadership Association
- Board Member, Durden Banking Company
- Board Member, Appaloosa Horse Club
- Board Member, McDonalds Corporation Marketing Coop
- President and CEO, Griner Investments, Inc.

These leadership positions have strengthened my ability to work collaboratively, build consensus and make decisions that benefit organizations for the long term.

I believe the Appaloosa Horse Club has tremendous opportunities ahead. Our responsibility is to preserve the traditions that make our breed unique while positioning the organization for a strong and sustainable future.

If elected, I will work to:

- Maintain sound financial stewardship and balanced budgets.
- Increase accountability and transparency throughout the organization.
- Support long-term strategic planning for the future of the Appaloosa Horse Club.
- Strengthen programs that benefit breeders, exhibitors, youth, and recreational horse owners.
- Promote the Appaloosa as the Breed of Choice while encouraging membership growth and industry participation.
- Work respectfully with fellow directors and members to ensure every voice is heard.

I believe strong organizations are built through responsible leadership, fiscal discipline, open communication, and a willingness to listen. I will bring those principles to every decision I make as your representative.

Thank you for your time, your consideration, and your support. It would be an honor to serve the members of Territory V and help lead the Appaloosa Horse Club into the future.

Respectfully,

Kevin Griner
