

WELCOME TO OUR

# Monthly Newsletter

*we're so glad you're here!*

HEY, HOW ARE YOU?

## A letter from the editor

Welcome to the member newsletter- we are excited to bring this back! Since this is our first newsletter in awhile we wanted to introduce ourselves and give you a vision of where we're going with this.

Our names are Hannah Ruth and Gracie, we are interns here at the ApHC. We are seniors at the University of Idaho studying Agricultural Science, Communication and Leadership.

As we plan the future of this newsletter we are wanting this to be a place where you can get a glimpse of what is going on around you. We will be spotlighting an employee, sharing critical dates, spotlighting a regional club, and sharing stories from time to time. This newsletter will be produced monthly and can be found on our website on the first of each month. We are excited for you to come along with us on this journey.

## Regional Club Spotlight

Each year, the Appaloosa Horse Club awards three regional clubs with the ApHC Exemplary Regional Club Awards. The top three submissions receiving the award also win \$500 (first place), \$300 (second place), and \$100 (third place.) These clubs submit a presentation and are assessed in 27 qualifying areas. Areas include but are not limited to Trail Ride, Social Media, Clinics, and Club Membership.

The 2022 first-place ApHC Exemplary Regional Club Award recipient was the Keystone Appaloosa Club.

The Keystone Appaloosa Club is located in Pennsylvania and has 63 members as of 2022. 27 of these members are non-pro riders and 25 of them are youth.

This club holds different events for their members such as their Year-End Award Banquet, Clinics, and they were a part of the 2022 GEAR Appaloosa Show.

The club is sure to recognize their members' hard work. One of the ways they do this is through a youth scholarship. The scholarships are distributed at the Pennsylvania 4H State Show. They are given to the highest placing Western and English Riders.

We appreciate the dedication of the Keystone Appaloosa Horse Club. Congratulations on receiving the first place ApHC Exemplary Regional Club Award.

**A Story Worth Sharing**

At 81 years old Mary Anna Wood is going for 25,000 miles in NATRC Competition. After Woods lost her record-setting horse Elmer Bandit she began catch riding. This year, she is riding 6-year-old Appaloosa Mare SheesaSpottedVaquera (Bambi.) We wish her and Bambi luck as they work to make this goal of 25,000 miles a reality.
