# CELEBRATING YOUR SUCCESS

**THIS IS A PART** of organizational purpose that never gets old – recognizing the achievements of our members. We are totally pleased to offer congratulations for your success and to shine the spotlight on some very special people and horses in the Appaloosa community. Beyond the usual requirements of time, money and a measure of talent, any individual being honored probably possesses a dose of extraordinary commitment to performing at the highest level possible. Then there is the teamwork factor – between you and your horses and among the ranks of friends, family and supporters who tolerate your horse habit. The conditioning, training, practice and competition required to make it into the Appaloosa Horse Club Yearbook represent countless hours and countless miles. We are proud to acknowledge your effort and hope you will continue in the important role of ambassador for the breed.

There is speculation about the future of horse shows, pari-mutual racing, access to trails, land use and even private property rights relating to horse ownership. Our equine world will certainly keep changing and we will be faced with specific decisions about where and how we will be engaged. The fact that you have made the choice to include an Appaloosa in your endeavors means a lot to us. As a membership organization, the ApHC strives to be an essential part of your plans and we certainly need to be actively involved in discussions about everything from animal health and welfare to ensuring appropriate venues for whatever activity you and your horses want to pursue.

As we approach our 75th Anniversary (officially in December), it is worth noting that some important aspects of the Appaloosa Horse Club have not changed. Any strength we can brag about comes directly from a membership base that understands the power of passion, hard work and common goals. Since the founding of the ApHC in 1938 and the first National Show in 1948, our breed and our organization have advanced because of people who focused on promoting their horses and creating an environment that welcomes new participants. Thank you for extending the legacy!

Along with our sincere congratulations, we offer best wishes for whatever is “down the road” for you. Keep up the good work and keep showing off your Appaloosas!

Steve Taylor  
CHIEF EXECUTIVE OFFICER

### Year-End Non-Pro Versatility Champions

A year-end versatility award is given to the non-pro who earns the most points with one horse in non-pro events. Points are compiled on a one-horse/one-rider basis. Points are awarded on the same scale used for the national point system. Points must have been earned in both showmanship and performance with a minimum of five points earned in the lowest division. Points earned in novice, 35 and over, and masters non-pro classes do not count toward this award.

# Do you love spending time with your Appaloosa?

Check out these programs the ApHC has to offer...

## Saddle Log and Disabled Riders and Drivers:

For the individual who enjoys the benefits gained from riding or driving whether it be on trails, training for and competing in shows, parades, ranch work, or just about anything else you can think of to do while riding or driving your Appaloosa!

Awards include chevron patches, grooming supplies, picture frames and other great prizes for: 100, 200, 500, 1000 hours and each 1000 hours after that.

## Recreational Trail Riding:

Annually, the ApHC sponsors several National trail rides and approves several Regional trail rides throughout the United States. While enjoying our beautiful country aboard your Appaloosa, you could earn the following awards.

- A Register of Merit (ROM) is awarded when 400 miles are completed
- A Superior Event Award is awarded when 800 miles are completed
- A Medallion is awarded when 1,000 miles are completed or when a horse has completed 10 consecutive trips on the Chief Joseph Trail Ride
- A Plaque is awarded to a horse for completing 13 years on the Chief Joseph Trail Ride
