# THE SUPERIORS & SUPREMES

## 2015 LIFETIME ACHIEVEMENT RECIPIENTS

Six Youth and five Non-Pros achieved lifetime awards in 2015. The Non-Pro Supreme Champion and Youth Superior Achievement Champion are among the most challenging, rewarding and highest honors that the Appaloosa Horse Club (ApHC) bestows. It takes extraordinary commitment, passion, human-equine teamwork and, for many, decades of training and competing to reach these milestones.

ApHC CEO Steve Taylor said, "We are proud of the dedicated, talented members who earn their Superior or Supreme Championship Awards. The devotion it takes is truly inspiring and in many ways, these members are among the very best ambassadors for our breed. To the group who achieved these lifetime honors in 2015, we salute your efforts and congratulate you on a journey well-traveled."

Please join the Appaloosa Horse Club and *Appaloosa Journal* in celebrating the success of the 2015 Non-Pro Supreme and Youth Superior Achievement Champion Award recipients.

### NON-PRO SUPREME CHAMPIONS

The Non-Pro Supreme Champion is awarded when a Non-Pro earns a minimum of 250 points. Points must have been earned in both western and English classes, with no less than 75 points in each group of classes. In addition, and including the 75 point western and English group minimums, the individual must have earned at least 25 points in Showmanship at Halter, 100 points in equitation and 50 points in working events. The remaining 75 points may be earned in any Non-Pro events.

### APPALOOSA YOUTH SUPERIOR ACHIEVEMENT CHAMPION:

A youth earns the Youth Superior Achievement Champion Award after earning 350 points. Of the 350 points, a minimum of 105 points must be earned in Showmanship at Halter, a minimum of 140 points must be earned in performance classes, with a minimum of 35 points earned in each of three categories (other than showmanship or halter categories). The remaining 105 points may be won in elective youth activity events. In addition to elective youth activities, any points earned in halter will count toward elective events for this award.

Masters Hunter Under Saddle

I started my Appaloosa show career a little late in life, as a novice in the masters division. Looking back I am so fortunate to have had such great horses and wonderful people in my life. I started out trail riding and as my daughters got older they eventually got the show bug. I purchased Totally Te Riffic and Polo Hunter for their first show horses, and for the first couple years I was just the show mom. Then I fell in love with a very special Appaloosa named Hot Zippin Romeo. I purchased Romeo and things really took off for me. The western points came easily, we were high point at most shows and he won many National and World Championships.

When my daughters went off to college I sold all the horses except for Riffie's baby- Jasper (Totally Inpassable). He was in train-

ing as a 2-year-old and just when I was getting ready to show him, I was sidelined by some injuries for a long time.

I started back slowly, riding a friend's gaited horses on trail rides while Jasper was turned out. When I felt strong enough to attempt showing again I sent him back to the Mergaerts with the goal of getting the final hunt seat points for my Non-pro Supreme Award. The Mergaerts had Jasper tuned up and ready to show in no time and I slowly followed suit. It was wonderful to get to finish my points on Jasper!

I am thankful for all the help and support of my family and friends and especially to Mike and Cindy Mergaert. They have hauled me many miles and we have been through many, many hours of work both in and out of the saddle. I have so many special memories of all the incredible adventures that have happened along the way!

Masters Western Riding  
Masters Trail

My family has been in the Appaloosa business as long as I can remember. As Blaine's and my family grew, our daughter Tristanna was a horse addict from the start. We made her wait until she was in High School to start showing so just before that time we purchased Holy Moly MMR from Dr Richard and Annette McDonald at Medicine Man Ranch in Camp Verde. This horse catapulted my daughter into becoming a show woman. When she entered college, she said it would be a blast if we could show together. It would help us stay connected. Lonnie and Debbie Cruse encouraged me to get started as we definitely had the horses to help me excel.

I went from show mom to show partner. Since that time, I had to work my way through the ranks and learn to show. Lonnie and

Debbie along with Tristanna helped me every baby step of the way. I fell in love with Western Riding, Trail and Western Horsemanship. In 2008 I earned my first trophy, a Reserve National Championship in Western Equitation. I was hooked! Since then I have earned two National titles, two World titles and five reserve titles. My many thanks go to my family, Blaine, Travis and Tristanna. Our amazing trainers and friends Lonnie and Debbie Cruse. Medicine Man Ranch for breeding some of the best all around horses in the World.

And my last thanks is to my main show partner Tyler. Tyler is Resurrected Zip MMR. He has been an amazing teacher, partner and friend.

No one wins a Non-Pro Supreme Champion award without great horses and great trainers. Handsome Reward, “Pedro,” brought me several championships and earned Top 10’s in several other classes -- both Western and English -- under the guidance of Donna Anderson. Brad and Kelli McCamy worked with me during the transition from Pedro to my new horse, Dontcha Love Charlie, “Mia,” and laid the foundation for more success in riding events. Steve Cruse polished my exhibiting skills and put a killer lead change on Mia.

The hard work of all three trainers, spanning over twenty years, made this award possible. Each of them, at different times, taught me how to play to the strengths of the my horses. They encouraged me to become a more confident rider and a more seasoned exhibitor. These trainers brought out the very best in my horses, and the very best in my riding.

I’m fortunate to have the support of a husband who shares my passion and enthusiasm for riding, and a circle of horse-friends who, over the years, have become my horse family. This award leaves me equal parts thrilled, grateful and humbled. It’s been a great ride!

Appaloosas have always been part of my family. I had my POA Chief Little Bear by the time I was 3 years old. I showed Chief throughout my Youth years and started training JC's Son Dee Meria as a yearling when I was 11 as a 4-H project. My first Appaloosa show was in 2006 and I was hooked! I never in a million years thought that I could make it on a "Breed Circuit" with a horse that had only been ridden and trained by me, let alone place well at a National or World show.

I can't thank my Mom and Dad enough for taking a chance on a little spotted pony (who is now 37) for their little girl, agreeing

to all of my crazy ideas of chasing national year-end awards and convincing them that, "Fort Worth isn't that far, only 17 hours," so that I could chase my World Championship Show dreams.

I also have to thank my husband for marrying a "horse crazy girl," although I still don't think he knew what he was getting into, but has proudly earned the title of "Head Stable Boy." We have met many new friends and I have built a stronger bond with my family and horses because of the Appaloosa breed.

I am very excited to be named the Non Pro Superior of 2015! I have three amazing horses with great bloodlines that helped me achieve this award. Zippo Psychic Vision is my all-around mare and was born and raised on my farm. Lucky Chuck, my games horse, was purchased as a 2-year-old from Lenny and Alycia Griffiths and Plenty Of Luck, my other games horse, was purchased as a yearling from Charles and Dot Malone. I am most proud of the strides and achievements that I have made through the Appaloosa Horse Club as a non-professional.

I broke and trained all three of these horses myself with the assistance of outside coaching. In 2015, they came together at every show to step it

up. I never expected to have a year as great as 2015 and will cherish this year! I went to nine regional shows in 2015 and had eight weekend non-pro high points and one reserve high point. The reserve was due to leaving early before competing in four of my other classes.

2015 also led me to two World Titles, High Point Games Horse at the World Championship, and two ApHC Leading the Nation awards. I hope I stand as a testament to other individuals out there who may feel discouraged to show with horses purchased under \$3,000 or saddles they have owned for 20 years. It's not about the money, it's all about putting in the time, hard work and true dedication. It can be done!

I want to start by saying how honored I am to receive the Non-Pro Versatility Award. It was an amazing journey over the past year. We travelled a lot of miles and made so many new friends.

I was fortunate enough to grow up in a horse loving home where my sister taught me to ride her mare. I quickly realized showing horses was going to be a huge passion of mine. I began showing "Bambi" at local shows and went onto AQHA shows. In 2006, we bought Plente Cool Mr, "Petro," and started showing ApHC. Petro has made my dreams become a reality and has far exceeded many

of my goals. He carried me through my final novice youth years and now as a non-pro. It's taken a lot of hard work and dedication but every year just keeps getting better, Petro is my one in a million!

I wouldn't have been able to achieve this without: the constant support and encouragement from my parents and grandpa; Petro for being the best show partner I could ask for; and my trainer, Michelle McCarthy Warda, for her endless hours of help, guidance and knowledge—I'm so grateful for all of you! Thank you for an unforgettable year!

Winning the 35 & Over Versatility has been very exciting this year. No You Didn't aka Clint was the first home bred I have competed and shown in some years. I have always enjoyed breaking and developing young horses but it is even more special when you are the first human your horse meets and you are the one that helps

him stand and nurse. I have to thank Kyle Rice for picking Dont Skip Zip to breed to my mare An Elegant Design; it was certainly the right choice! I would also like to thank Clarice Cooper for making the process of getting Ellie in foal so easy, and Ray and Connie Burchett for all of their help and guidance with Clint.

My grandpa started this life long passion of mine when I was only 2 years old. He used to lead me around on the ponies at my great Aunt's farm in Mount Pleasant, Iowa when I would visit in the summers. I took riding lessons throughout my growing-up years at a local stable. I loved cantering and jumping! I talked my mom into ordering me the Horse & Rider magazine and I cut out all the horse pictures to make collages which covered my bedroom. When I was a young teenager I leased a horse for the summer. He was a very talented Appaloosa named Dan. We competed in many events at the local 4-H shows and won many different events. At that time my favorites included speed, egg & spoon, bareback switch, and the wheel barrow race.

I rode him until I went to college. When I graduated from college my first purchase was a Wapiti-bred Appaloosa mare. When I got married and bought a house with a barn, I bred that mare. She gave us a very loud-colored colt. My two girls grew up riding that colt and many others. My husband, Mike, eventually joined the bandwagon in 2001 and soon all four of us were riding and competing on the Appaloosa circuit as a fam-

ily. Mike, Chelsea, Jessica, and I traveled all over the Midwest and South chasing points and awards for many years. All four of us earned year-end titles from pleasure to roping. Chelsea earned her Youth Superior when she was 12! Mike became a multiple-title holder in roping events.

Chelsea also has accomplished multiple awards and titles in roping, western, and English events. They have both moved on to other things now unfortunately, although Mike still drives me and Jessica around. The girls and I have shared many horses over the years. I now get to ride Chelsea's horse, Will. Jessica and Harry (Way Handsome) and Will (Zippos Cowboy) and I hit the road together in 2014 earning year-end titles in multiple events, including Versatility for both of us. That was super exciting and made me very proud!

Earning the Versatility award two years in a row for me on my old guy Will (he's 19 years young!) makes me so happy as I know his fabulous show career is coming to an end. Winning a National or World title on him before he can't go down the road anymore would be the icing on the cake for me. Let's hope we can eat cake this year!

I was introduced to horses at a very young age. In first grade, my Mom took me to a local horse farm where I started with pony rides. Pony rides turned into riding lessons, horse camp and 4H. I was 8 years old and training with Amy Wunderlich, when my parents bought me my first Appaloosa, Boldacious Hunter. Harriet was quite the horse and was just what I needed. I was in walk/trot when I had her and she taught me many lessons that I carry with me to this day. I was lucky enough to travel to Mississippi in 2009 to compete in my first Appaloosa Youth World Show and where we were the Reserve World Champions in Hunt Seat Equitation 10 & Under.

My parents purchased a 2-year-old gelding, Hunting In Seattle, in 2009. He is my best friend. Owning such a young horse has taught me patience, understanding and dedication. Gayle Kozak, my trainer since the fall of 2011, has been a tremendous influence in my life both inside

and outside of the ring. We have experienced many highs and lows together. One of the hardest was when Seattle was diagnosed with an injury that required him to be sidelined for 10 months – it was the longest 10 months of my life. Gayle was there every step of the way. She was always there with an uplifting word exactly when I needed it. My entire horse show family helped me make it through that difficult period.

In 2015, I had the opportunity to lease an amazing gaming horse, Black And White Mr. At the young age of 24, Mr. helped me to gain my 35 points needed to achieve my Youth Superior. Thank you to the May family for allowing me to ride and learn from this great horse.

Thank you to my parents, family and friends for allowing me to do what I love and always understanding that the barn is where I love to be. Thank you to Amy and Gayle for all of your guidance. Gayle, I hope you know how much I admire and respect you.

Superior is the word to sum up the last five years of my life spent showing Appaloosas. When I think of how many hours, miles, and tears I have encountered along the journey to earn this Superior Award, I realize that the people and horses along the way have been the highlight of the ride. My biggest thank you goes to God because of who He has given me.

I am blessed with incredibly supportive parents, Chris and Vicki. I am sorry that the horse bug never went and will never go away. Our barn vacations are fun and the future is full of opportunities with you by my side. This horse show journey would not have been possible if one very special lady wasn't around to guide us through the world of horse showing. Patty McCartin has always told me like it is, no sugar coating, and she has made me a stronger rider and more complete person. Thank you Patty for all the time you

put into prepping me and the horses and for the fun we've had along the way.

Finally, a thank you to the two steeds who taught me horse sense to last a lifetime. WhisperMyNameZippo, "Daisy," thank you for all of the trail wisdom and great patterns, especially our first ever bareback pattern one month before Worlds. Zip Plus Four, "Tiffer," thank you for being my diamond in the rough, best friend, and reining pony. Without the combination of these incredible beings, I would not be the person I am today.

I have been given wonderful opportunities and successes through this time that I never dreamed of experiencing when I attended my first ApHC show at age 10. Thank you to everyone who has lent a helping hand or shared a laugh through the years. I am so blessed to have earned this Superior Award.

It all started with ponies and big dreams; and 16 years later, I have accomplished more than I ever thought possible. I started out jumping with my pony Tuffy, and began my all-around journey with Seco; but my first Appaloosa was Teddy, who taught me a lot about showing and a lot about life. He sparked my love for trail and horsemanship, and molded me into a stronger, more competitive rider. He will forever hold a special place in my heart for never failing to put a smile on my face. I took a trip back to where it all began, and won my first World Championship jumping Flash in Hunter Hack. Cy and Logan took my riding to another level; and Lucy put a little speed in my life, teaching me that there is more to barrel racing than meets the eye. And now, I continue to learn more every day with my current horse, Henry, on whom I won my second World Champion-

ship in Hunter Under Saddle. I owe a large portion of my success to all these horses, and to many others that have been a part of my life.

There are many people I could thank, but I want to start with my aunt, Beth Bass. She has given me a plethora of opportunities that I will forever be thankful for, and she has been one of the most supportive role models. Without her, I would not be half the rider I am today. I also want to thank my parents, for supporting my horse addiction from day one, and for providing me with everything I could possibly need, and more, in order to be successful. And to my sister, Katie, thank you for supporting me and always giving me advice when I need it. I have enjoyed every minute of this journey with you.

I am greatly looking forward to the future, and I am incredibly grateful that I ended my youth years in such a positive way.

Eight years ago, I never could have imagined what my life would be like today, but I wouldn't change a thing. After filtering through various ill-fitting sports, I finally found the one: horses. After attending summer camp at Hope Lock at the age of 8, I never left the barn. Immediately after horse camp, my parents allowed me to start taking lessons, and within two years I had my first horse, Mable. I couldn't wait to start showing her, and once I did, I never wanted to stop. The thrill of riding a perfect pattern and hearing your number called for a placing was irreplaceable for me. A show season and a half later, I made the best decision of my life and purchased Ollie. I can't thank him enough for the things he has taught me; everything from being brave instead of afraid in showmanship to learning how to be a trusted leader in an equitation class. And last year, a friend was kind enough to allow me and my friend to share a lease on Mis-

ter. On the way to getting those 35 points, he helped me realize that being so serious sometimes wasn't the best way to go. Letting loose and having fun was something I could do. Looking back on the road to my Superior, I realized that these three horses have taught me more about riding and myself than I ever could have on my own.

My Superior is a marvelous award that I take great pride in, but the things I accomplished to get here are what I am most proud of. I learned how to roll with the punches, never give up when things don't turn out the way I'd hoped, and to stay humble in victory.

All of my accomplishments and wonderful memories could never have been possible without the endless hours of training, advice, and trust from my trainer Gayle Matson-Kozak, the endless support from my parents, and the love of my friends. Thank you to everyone who has helped me grow into the rider and competitor I am today.

Horses became my passion when I was 8. I was picking my friend up from the barn and decided I wanted to take lessons with Kim Devers and I have been with her ever since. Kim has been a huge part of my success. She has brought out the best in me—making me look at life in a less serious way and making riding so much fun. After my first year of riding, my parents knew I had a special connection with horses and got my first horse, Dalton, from Christy and Morgan King.

At my first World Show, my dad came over to us and said, "I just bought a 2-year-old named Kruger!" He knew nothing about horses back then so we couldn't believe it. The next year, I got my horse, Flame, from the Becks. Then we got Lulu and Bentley who are with Troy Green Quarter Horses. I've learned a lot from Troy and Torey.

It's been really cool working with multiple trainers and getting different training experiences. Carrie has been so helpful not just in my training, but also making me a better person and being a great friend. Sue Scobee is the one who taught me all about gaming. She is tough, but that toughness has made me a stronger rider and person.

When Kim's barn collapsed last year, it made me realize how passionate I am about horses. I have accomplished a lot from my first mini show winning first place to achieving my Superior. I am so grateful for everything my parents have given me. Riding horses is like no other sport. You are connecting with a living animal. It has taught me responsibility, love and dedication. I am so thankful for my horse show family and friends!

When I was nine, I moved to Peak Performance Equestrian Center and started riding with Alexandra Peak. Alex built on my beginning training and turned me into the rider I am today. She has taught me so many important lessons, both on and off a horse. When I was 12, my Nana and Papa bought me my first Appaloosa, My Kinda Cowboy, aka Boomer. He was my dream come true and taught me so much. I learned how to canter on him and then we both learned how to ride western together. It was not long before we were showing on the Appaloosa circuit.

Boomer brought me to my first Youth World Show in 2012. It was at that show that I began this journey to earn my Superior. I remember sitting at the banquet watching that years' recipients get their Superior Awards and saying to myself, "Someday that will be me." In 2013 I started riding my second Appaloosa, Scooters Pleasure. I could not have finished my showmanship points without him. I am

so grateful for the time I had riding him. And bringing me home in my game points was Boomer. Again he learned something new for me and we had a blast doing it.

I could not have achieved this goal without the support of my family and friends. Thank you to my trainers Alexandra Peak and Jennifer Adams for going on this journey with me. To Alene and Kendall Fiori, and the rest of my barn family, for always being there for me and cheering me on. To Nana and Papa for always supporting my equestrian dreams. To Grammy and Grampy for keeping me in show clothes and my favorite treats for every show. To my best friend Kayla and my Aunt Jen for the endless miles you traveled with me in pursuit of 105 showmanship points! To Sarah Tremblay for bringing Scooter into my life. To Ken Knowlton for teaching Boomer and me how to game. And especially to my parents for supporting every one of my dreams and teaching me I can achieve anything if I'm willing to work for it!

# 2015 YEAR-END MEDALLIONS

## HALTER & PERFORMANCE MEDALLION WINNERS

Recognizing excellence within the Appaloosa community is one of our favorite things to do as an organization. It provides the opportunity to acknowledge our most valuable assets – active members and great horses. With a rich history of versatility, adaptability and competitiveness in a wide range of equine pursuits, the Appaloosa breed can also claim some of the most committed and loyal enthusiasts. That powerful combination serves us well and gives us reason to believe in good things for the future. Earning the awards listed within the Yearbook is certainly not a small or easy thing. It is important that we acknowledge the serious investment of time, money and talent to get to the top of each respective list. Beyond the tangibles, there are also certain measures of risk, sacrifice, luck and a supporting cast of families, trainers, coaches and friends that usually contribute to the achievement of lofty goals. To all involved, we say congratulations on a “job” well done!

We invite you to celebrate with us as we laud the achievements of this year’s award winners. Not only have they earned their honors, they have become part of the Appaloosa Ambassador network that promotes our breed to a wide audience of others – prospective owners and members, doubters and supporters. With these folks and these horses, we can certainly find much to be proud of and thankful for. Cheers to all!

*Recognizing excellence within the Appaloosa community is one of our favorite things to do as an organization. It provides the opportunity to acknowledge our most valuable assets – active members and great horses. With a rich history of versatility, adaptability and competitiveness in a wide range of equine pursuits, the Appaloosa breed can also claim some of the most committed and loyal enthusiasts. That powerful combination serves us well and gives us reason to believe in good things for the future. Earning the awards listed within the Yearbook is certainly not a small or easy thing. It is important that we acknowledge the serious investment of time, money and talent to get to the top of each respective list. Beyond the tangibles, there are also certain measures of risk, sacrifice, luck and a supporting cast of families, trainers, coaches and friends that usually contribute to the achievement of lofty goals. To all involved, we say congratulations on a “job” well done!*

*We invite you to celebrate with us as we laud the achievements of this year’s award winners. Not only have they earned their honors, they have become part of the Appaloosa Ambassador network that promotes our breed to a wide audience of others – prospective owners and members, doubters and supporters. With these folks and these horses, we can certainly find much to be proud of and thankful for. Cheers to all!*
