Recognizing excellence within the Appaloosa community is one of our favorite things to do as an organization. It provides the opportunity to acknowledge our most valuable assets — active members and great horses. With a rich history of versatility, adaptability and competitiveness in a wide range of equine pursuits, the Appaloosa breed can also claim some of the most committed and loyal enthusiasts. That powerful combination serves us well and gives us reason to believe in good things for the future. Earning the awards listed within the Yearbook is certainly not a small or easy thing. It is important that we acknowledge the serious investment of time, money and talent to get to the top of each respective list. Beyond the tangibles, there are also certain measures of risk, sacrifice, luck and a supporting cast of families, trainers, coaches and friends that usually contribute to the achievement of lofty goals. To all involved, we say congratulations on a “job” well done!

We invite you to celebrate with us as we laud the achievements of this year’s award winners. Not only have they earned their honors, they have become part of the Appaloosa Ambassador network that promotes our breed to a wide audience of others — prospective owners and members, doubters and supporters. With these folks and these horses, we can certainly find much to be proud of and thankful for. Cheers to all!

—Steve Taylor, ApHC CEO

## NON-PRO VERSATILITY AWARD

A year-end award will be given to the non-pro who earns the most points with one horse in each division of non-pro events, excluding novice. Points will be compiled on a one-horse/one-rider basis. Points are awarded on the same scale used for the national point system. Points must have been earned in both showmanship and performance with a minimum of five points earned in the lowest division.

## APPALOOSA YOUTH SUPERIOR ACHIEVEMENT CHAMPION

A youth earns the Youth Superior Achievement Champion Award after earning 350 points. These points must be earned in a minimum of five shows under a minimum of five judges. Of the 350 points, a minimum of 105 points must be earned in Showmanship at Halter, a minimum of 140 points must be earned in Performance classes, with a minimum of 35 points earned in three of the four performance subcategories (other than Showmanship or Halter categories). The remaining 105 points may be won in elective youth activity events. In addition to elective youth activities identified above, any points earned in halter will count toward elective events for this award.

## YOUTH VERSATILITY AWARD

A year-end Versatility Award will be given to the youth who earns the most points with one horse in youth activity events in each of the four age divisions; walk-trot, 12 and under, 13 to 15, and 16 to 18 years of age. Points will be compiled on a one horse-one youth basis in youth activity events. Points are to be awarded on the same basis used in the National Points System. Points must have been earned in both Showmanship and Performance with a minimum of five points earned in the lowest division. Points earned in novice and leadline classes do not count toward these awards.

## APHC SUPREME CHAMPION HORSE

An award as ApHC Supreme Champion Horse will be awarded when a horse has earned at least 100 points, with at least 40 points earned in halter classes and at least 60 points earned in performance classes. No more than 10 points can be from one performance class and the horse must have at least one ROM in four of the five categories of performance classes. A minimum of five different judges is required. Awards will be mailed to the first listed current owner on record with the ApHC as of December 31 of the year earned.

I grew up as a city girl with a love of horses and that passion grew into a lifelong hobby. Starting out riding at 3 years old on a pony named Spud, I quickly moved on to showing Arabian horses in my youth. Wanting to try something new after finishing college, I purchased my first Appaloosa in 1992 from the late Pat and Bob Hickman. I enjoyed trail riding through the Rio Grande Valley for several years, but I soon realized I wanted to show again and so began this crazy journey! I earned my first ApHC point in 1996 and have never looked back. Traveling around the country with my friends to horse shows is a great experience filled with wonderful memories.

The year 2012 almost changed my life and nearly took away what I loved to do the most. After breaking my pelvis in three

places in a riding accident, I had to find the courage to get on and ride again. With tears and frustration, I managed to push through my fears, because my goal was to finish my Non-Pro Supreme Championship award.

Thank you to all my friends who have made horse showing and traveling so much fun: my Kiss The Moon Equestrian Center barn family who have shared in my successes (and failures), a special thank you to my husband Andy and my boys, Bennett and Jack, for standing by me and giving me encouragement and support over all these years. And especially to my past and present trainers who have pushed me into the horse-person I am today - Kristine Bowker and Terri Rakosky, I couldn't have finished this goal without you!

Little did I know at the age of 6 where horses would take me and how much it changes your life. They have taught me so much over the past 30 years. You build new-found confidence, you push yourself in all aspects of your life and you make friends that become family.

My first horse, The Candle Maker, helped me with my first few non-pro points and first trophy. “Toby” Te was one of the first horses outside of school I raised from a yearling, broke and showed to numerous regional championships, year-end and top-10 finishes. Alisa Hunter, “Moose,” who I bought as a weanling helped me truly love the English events and brought home my second trophy. Then Artist N Motion, “Denali,” was born. He was the horse that took me on a never ending emotional roller coaster. He helped me in so many ways become a better rider, got me out of my comfort

zone, taught me to jump and to drive (although we really taught each other most of the time.) Then came Moonlight Hunter, “Bart.” Bart was intended to be my lesson horse but became the horse that would take me to the completion of my Non-Pro Supreme Championship, bring home 10 ApHC trophies and a horse trailer, and who became my first heart horse. Most of my non-pro achievements were done without trainers, but I had guidance of a few trainers who always believed in me, even when I didn’t believe in myself. Lonnie and Debbie Cruise, Doug and Stacy Huls, Mason Lyon and Rebecca Warner.

A special thanks to Kris Richardson for leasing Toby back to me to get those last few points and to Janet Baron who sold me her beloved Bart. May you run free on horseback in the fields of heaven.

Obsessed with horses all my life, I remember dragging my parents to pony rides at local carnivals, begging to pet the horses. At 12, I convinced my parents to allow me to take riding lessons. I would ride my bike to Hope Lock Farm to do as much riding as possible. At 16, I started leasing a horse and showing locally. I loved having a bond with that horse and making progress with him.

After college, Jennifer Weeks asked me to work with her young horse named Bert (Zips Hot Rox). Little did I know, he would be the horse of a lifetime. Jennifer introduced me to Ray and Connie Burchett. They respected my work ethic and desire to keep improving myself and learn more. In 2004, we began showing regional ApHC shows. In 2005, Karla Altmann trained Bert in driving. Bert loved to drive and we began winning the driving classes.

In 2012, Connie and Ray taught us Saddleseat. It was so different, but Bert loved it. We won our first World Championship

in Non-Pro Saddleseat Equitation in 2014. In 2015, we earned that award again, even after Bert was in a horrific trailer accident on the way to Fort Worth. In 2016, we were World Champions in all 3 Saddleseat events at the World Show, and Reserve Champions in Non-Pro Pleasure Driving.

I'm fortunate to have wonderful people help me to this award. I would not be receiving this award without the help of Ray and Connie, Jennifer, Karla, Faye Strickler, Kaitlin Smith, Gayle Kozak and my horse show family. There has been blood, sweat and many tears along this journey. I also wouldn't be receiving this award without the support of my family. While they don't understand this horse world, they continue to support me being a part of it. Most of all I need to thank my horse of a lifetime, Bert. After being a partner with him for 15 years, he is truly my best friend.

I am very excited to win this award two years in a row! It takes a lot of dedication and understanding your horses to have a successful bond with them. I have owned, trained and shown all three of my horses and have had great achievements in the past year.

Zippo Psychic Vision is my all-around mare (ZipposCountryBoy X Psychic Power) and was also year-end champion in the Non-Pro Ranch Riding. Plenty Of Luck (Plenty Of Effort X Twist Of Luck) and Lucky Chuck (A For Effort X Twist Of Luck) are my games horses. They both

competed at the World Show and won World and Reserve World Championships. Penny successfully won the year-end championship in Non Pro Nez Perce Stake Race for the second time in a row. At every regional show last year I came home with the Non-Pro high point, something I am very proud of achieving. I would say it is hard to top my achievement in 2016, but hopefully my good luck will carry through into 2017. Special thanks to my mom who's my No. 1 groom and continues to support me running to a show on the weekends, just to do what I love.

Growing up, I spent most of my time on my grandparent's Standardbred breeding farm. I had my first pony when I was 3 years old, and started riding Appaloosas when I was 6. I started showing in 2008, a year and a half later. I leased my first horse, Tivia, from Tim Bassett at 'B' Pleasant Farm in 2009, and rode her until 2011, when I moved out of walk/trot. I also bought Sam, my walk/trot game horse, in the beginning of 2009, and I still have him now. In 2013, I had new horses. Tor, Zeus, Scotch, and Chase taught me many things, including the ability to ride several different horses in several different disciplines, which helped me be a more versatile rider. Since then, I have bought Orion, Jay, and Sally, who have continued to teach me the importance of communicating with my horses.

In the summer of 2008, my family moved to Virginia. In the following six years, we moved three more times. This made it hard for me to keep up with my riding, but I still managed to do

well, going to the Youth World Show in 2009, 2010, 2011, and 2013, winning Reserve High-Point each time. Over the years, I have had the wonderful opportunity of riding several different horses and being supported by many people, including Tim Bassett, Rocco, Gayle Kozak, and my parents and grandmother. Tim, Rocco, and Gayle have helped me with my horses and with gaining my Superior award by teaching me to ride and helping me improve my riding abilities. Even though my parents are allergic to horses, they have supported me by letting me continue showing and spending school vacations and summer break in New Jersey with my horses. My grandmother is the one who drove me to all the shows and supported me through them.

My journey to achieving my Superior might have been long, but it taught me the values of patience, hard work, and perseverance to obtain the things that don't come easily.

## RACING ACCOLADES

ALL THE CAREFUL breeding selections, training decisions and early morning workouts bring so much anticipation on race day. The thrill of the start—the thunder of hooves and the roar of the crowd when a horse crosses the wire into the record books and becomes part of the great tradition that is Appaloosa racing. Please join the Appaloosa Horse Club and *Appaloosa Journal* in congratulating the racing leaders of 2016.

# 2016 APHC HALL OF FAME

## THE SECRET

THE SECRET HAD a tremendous impact on the Appaloosa industry as a breeding stallion. He was sired by the late, great Dreamfinder (ApHC Hall of Fame) and out of Kendalite N Roses (also in the ApHC Hall of Fame). The Secret was injured as a foal and unable to show. He was syndicated as a late yearling and many ApHC enthusiasts joined the program. The Syndication was developed to limit the number of mares bred to the stallion each year and the program was immensely successful as evidenced by the numbers of champion horses produced from the program.

The Secret's get have, at the time of this writing (many are young and still showing), amassed a staggering 6,648 points and 76 Bronze Medallions. He has 17 Performance Point Earners for 232 points; 106 Halter Point Earners for 6,416 points; 100 Registers of Merit; 19 Halter Superior Events; one Performance Superior Event and a Club Champion. Among his most prodigious Medallion-earning get are: Secret Decision (5), Secret Colors (4), The Secret Score (3), A Total Secret (2), An Impressive Secret (2), Ima Cool Secret (5), Magical Secret (2), My Secret Angel (2), My Secret Intentions (2), Pardons

Secret (5), Sarasota Secret (2), Secret Dreams Nroses (2), Secret Heiress (2), Sizzlin Secrets (2), The Secret Bomb (2), The Secret Pardon (3), The Secret Score (3), The Secret Touch (2), Tis A Secret (2) and Illegal Secret with 8 — which made him the highest earning Medallion stallion who was also undefeated at both the World and National Shows from a weanling through to his untimely death.

From conception The Secret was destined to be a great stallion. Although his show career was not to be, he proved himself by perfecting and continuing his Hall of Fame bloodlines, refining and influencing the breed for generations to come. The Secret was only 16 years old when he passed away in 2016 from an apparent brain seizure. To date, 35 of his foals have earned Bronze medallions — just five short of the 40 that would bestow a Bronze Supreme Sire Production Plaque and automatic induction to the Hall of Fame based on success. His progeny will likely hit that mark in the coming years, but perhaps it is most fitting that his contribution to the Appaloosa breed is already recognized as he takes his place now, both in history and in the Hall of Fame.

## TUBELO B – 2016 APPALOOSA RACING HALL OF FAME

THE 1970 MARE Tubelo B was bred by R.B. Tyson of Higgins, Texas, and was owned and raced by Don Tyson also of Higgins, Texas, and trained by Buck Keck. She was by Tupelo Fred and out of Cindy Bar T, by Double Six Domino (ApHC Hall of Fame 1988).

Tubelo B competed in the premier races of her times, racing against and beating the toughest competition, including eventual Hall of Famers What's up Ghost, Roman's It Girl and Time Flies. She also defeated other famous race winners including Hootie, Mr. Doo Lea, Star Ledge, and Miss Ledge Deck. Her pari-mutuel race record is 14 starts, 6 wins, 4 place, 2 show with earnings of \$19,395.00. Her race record including non-pari-mutuel: 27 starts, which included 24 firsts or seconds, one third and one fourth for earnings of \$22,000.00.

To begin her career in 1972 she won the Oklahoma Futurity, won her Trial Heat and placed fifth in the World Wide Futurity and came in second to Roman's It Girl in the Texas Futurity. In 1973 she was ApHC Champion Running 3-Year-Old Filly, earned her Bronze Race Medallion (part of the first group of Ap-

paloosa racehorses to be selected for Medallions), won the Texas Allowance and the Oklahoma Derby and placed in the Cricket Bars Derby.

She was ApHC Champion Running Aged Mare in 1974, won the Centennial (Colorado) Senior Stakes, was second in the Texas Allowance, and in 1975 won the Cricket Bars Derby and the Oklahoma Derby.

After each year's racing season, Bob Blair, long-time Director of ApHC Racing, studied race results and identified his selections for Leading Appaloosa Racehorses. For the 1974 season, Blair chose Tubelo B for the category of Most Outstanding 4 & Older Running Mare. Although no formal awards were ever presented, Blair's selections were a great honor, especially considering his position and the level of competition during the heyday of Appaloosa racing in the 1970s.

Tubelo B produced nine foals, five of which started and four were race winners, with cumulative earnings of \$43,407.24. Her versatility and success have assured her place in history with this induction into the Appaloosa Racing Hall of Fame.

## SHES SO SHY

**BORN IN 1995**, She's So Shy was bred by Wendy Shuknecht of Elba, New York. She is by Shy Prescription (QH) and out of Suite As Sugar, who was by First Secretary and a descendent of ApHC Hall of Fame stallion Navajo Britches. She was shown to much success as junior mare and earned 150 lifetime points, three Registers of Merit, a Superior Event, a Club Champion, and two 1998 Year-End Top Tens in Three-Year-Old Snaffle Bit Hunter Under Saddle and Hunter in Hand Mares. She also has points in Youth Halter, Leadline and 10 & Under Equitation and Horsemanship. But it is the impressive records of her progeny that earn her automatic induction into the Hall of Fame.

Of her eight registered foals to date: seven have earned a total of 818.5 Performance Points; four have earned 198.5 Halter Points; collectively they have earned 15 Registers of Merit, two Halter Superior Events, four Performance Superior Events, a Club Champion, two Versatility Champions and 18 Bronze Medallions.

versatility, these Medallions have been earned in Trail, Western Pleasure, Hunter In Hand, Hunter Under Saddle, Saddle Seat, and Western Riding.

## WAY TO MY HEART

**THE 2002 BLANKETED**, chestnut mare Way To My Heart has proven such prowess as a broodmare that she has been automatically inducted into the Appaloosa Horse Club Hall of Fame. Bred by Rochelle Feuerstein of Buttonwillow, California, she is by ApHC Hall of Fame stallion Always Dignified and out of Liberty Cloud, granddaughter of ApHC Hall of Fame sire Haye's Roman Cloud. Her Hall of Fame bloodlines also include Dreamfinder and The Executive.

Since 2005 she has been owned by Lewis or Marilyn Feuerstein of Creston, California. She had early success in the arena and in 2006 was shown to a Year-End Top Ten and was third at the World Championship Show in Broodmares. She was then retired from competition and moved to the broodmare band at Feuerstein's Three Creeks Ranch.

Four of Way To My Heart's foals are Halter Point Earners for a total of 431 points, four Registers of Merit, two Halter Superior Events and five Bronze Medallions. If a mare produces five different bronze medallion winners, she will be issued a Bronze Supreme Dam Production Plaque and will be inducted into the Appaloosa Hall of Fame.
