HAND IT TO HUNTER has been shown and handled by some of the best in the industry, as well as always being easily maintained and ridden at home, proving himself in the show arena before moving on to be a sire. With only 11 registered foals to date, Sire of: 2019 Reserve National Champion Hunter In Hand, 2019 World Top 5 SSA 2yr Old Hunter Under Saddle, 2019 World Top 10 Hunter In Hand, 2020 World Top 5 SSA Yearling In Hand Trail, 2020 World Top 10 Yearling Longe Line and Hunter In Hand, 2020 World Top 10 3 yr Old Hunter Under Saddle. “Dixon” has excellent shipment motility, with a 90% conception rate on FIRST shipment! We are excited to see that he is consistently stamping size, movement, trainability and color on his foals.

GRANDSON OF THE GREAT
High Sign Nugget and out of an Easy Jet bred mare. This awesome horse is setting the world on fire with his accomplishments. He has competed at the World Show in Working Cow Horse, Reining, all the Ranch classes, Team Roping and Calf Roping. He has also carried people to the pay window in the rodeo arena and had broncs picked up on him as well as been used his whole life on the ranch working for a living.

“Steve” as he is known to his friends, is free of any genetic defect and is also EE and LP/LP. We will stand behind it with a “No sorrel, live characteristic foal guarantee.” He is enrolled in the Appaloosa Breeders Trust.

Steve also has a disposition that is amazing. He is very easy to get along with and wants to please. Gentle, gentle and has never bucked a day in his life. Steve has great bone and is very balanced.

One of the greatest compliments came from Mr. Jack Henning when he said, “The thing about Steve (KJ UP IN SMOKE) is, that he has everything someone would want in a horse. He reminds me a lot of High Sign because of this. He has the attitude, conformation, intelligence, athleticism and most of all the feel and trainability for any discipline you choose. No matter what my goal is, from performance to pleasure to whatever your event, he is who I will breed my mares to.”

**LLOYD** (YOR THE ONE) has excelled both in the reining and reined cow-horse show pen. His fantastic movement and huge stops never go unnoticed. His first foal crop will be hitting the show pen in 2021 and are proving to not disappoint. Lloyd’s babies have been said to be “Extremely trainable and easy going. Naturally big stoppers and cowy.” This great young stallion is constantly stamping his foals with conformation, brains and color.

REGISTER YOUR APPALOOSA—PROTECT THE PAST, THE PRESENT AND THE FUTURE

Registering your Appaloosa preserves your horse’s unique and vital place in the history of the Appaloosa breed. When you register your Appaloosa with the ApHC, you receive a certificate of registration that provides official recognition of your horse’s identity and documentation of your horse’s place in Appaloosa history. Registering your Appaloosa ensures that your horse’s unique name will never be repeated, and allows you to order a pedigree to trace your horse’s parentage.

Registering your Appaloosa is an investment in your horse’s future. In addition to increasing the value of your horse, registration ensures that you, and any future owners, will be able to show and breed your Appaloosa if you choose to do so.

In addition to preserving your horse’s past and protecting its future, registering your Appaloosa enables you to participate in the wide variety of activities available to registered Appaloosas and their owners. Whether your Appaloosa is solid or colored, registration is an important part of responsible Appaloosa ownership. Join a tradition of excellence and the growing number of proud Appaloosas owners by submitting your registration today.

REGISTRATION CLASSIFICATIONS
The ApHC offers two classifications of registration:

i. **REGULAR (#):** For Appaloosas that display an Appaloosa coat pattern, or for solid Appaloosas with required Appaloosa characteristics: i) mottled skin and white sclera, or ii) mottled skin and striped hooves in the absence of white leg markings.

ii. **NON-CHARACTERISTIC (N):** For solid Appaloosas that do not display an Appaloosa coat pattern or required Appaloosa characteristics for Regular classification.

Don’t delay registration of a Non-Characteristic (N) foal, anticipating it will develop characteristics. Once a foal is registered as (N) classified, an owner may apply for advancement to Regular (#) Registration for up to one year from the date the original certificate was issued—**free of charge.**

BLOODLINE REQUIREMENTS
Pedigreed Appaloosas must have at least one ApHC-registered parent (sire or dam) classified as Regular (#). The other parent may be registered with the ApHC, or an ApHC-Approved Breed Association: American Quarter Horse Association (AQHA), Jockey Club (Thoroughbred), or Arabian Horse Association (AHA or WAHO).

ApHC-Approved Breeds must be listed with the ApHC; some restrictions apply.

REQUIRED DOCUMENTATION
- A Stallion Breeding Report must be on file with the ApHC.
- The sire and dam of the applicant Appaloosa must have DNA genetic test results on file with the ApHC. Some exceptions may apply.
- A properly completed Registration Application/Breeder’s Certificate must be submitted to the ApHC, including original signatures from the owner of the dam at the time of foaling, the owner of the dam at the time of breeding, and the owner of the sire at the time of breeding.
- Four current color photographs (front view, rear view, left side and right side) must be submitted with the registration application; and will be reproduced on the back of the horse’s Certificate.
- Three name choices should be submitted with your application. Your Appaloosa’s registered name must comply with ApHC rules.

FEES
- ApHC Members receive reduced registration rates.
- The sooner your Appaloosa is registered the more inexpensive it is.

For assistance with the registration process, please contact the Registration Department at **208.882.5578 EXT. 300** or e-mail us at **REGISTRATION@APPALOOSA.COM.** We’ll be happy to walk you through the registration process so that you have that desired ApHC Certificate of Registration in your hands in no time!

SOME LITTLE KNOWN REGISTRATION FACTS

**FACT:** The ApHC welcomes dual-registration of Appaloosas registered with the Appaloosa Horse Club of Canada!

**FACT:** The ApHC often offers reduced prices for registration of aged Appaloosas!

**FACT:** Geldings and spayed mares displaying: i) an Appaloosa coat pattern, or ii) Appaloosa characteristics so as to be eligible for Regular registration classification, and having unknown or un-approved pedigree, may be eligible for ApHC-registration through ApHC Hardship-Registration. Please see Hardship-Registration Fact Sheet at WWW.APPALOOSA.COM for further information.

**FACT:** A properly completed application for registration may be completed in as little as 48 hours. Additional fees apply.

**FACT:** Appaloosas classified as Non-Characteristic (N) have the opportunity to apply for the Performance Permit Program to be eligible for ApHC-show purposes. Applicant horse must be parentage verified through DNA testing. Additional rules apply.

TOP TEN REGISTRATION MISTAKES

To avoid making one or more of the ten most common mistakes, check your registration application against this list:

1. **PHOTOGRAPHS:** Make sure your photographs are clear, and the horse’s markings are identifiable. Include close-ups of Appaloosa characteristics and small marking such as snips and heel marks.
2. **NAME CHOICES:** Provide three options. Do not exceed 20 letters and spaces. Do not use special characters or punctuation.
3. **FEES:** Use a current registration application or fee schedule to determine fees.
4. **MEMBERSHIP:** If you aren’t a current year member, include a membership application or non-member fees.
5. **STALLION BREEDING REPORT:** Check to see that the owner of your foal’s sire has filed a Stallion Breeding Report, and your mare’s name is listed on the report. Remind owners of non-Appaloosa stallions to file a Stallion Report as well.
6. **LISTING FEES:** Be sure the required one-time listing fee has been paid on all non-Appaloosa stallions and mares.
7. **BREEDER’S CERTIFICATE:** For each mare bred, a Breeder’s Certificate must be completed by the stallion owner. Don’t tamper with the signatures or dates of breeding, as this will necessitate a new Breeder’s Certificate being submitted.
8. **SIGNATURES:** All lines with an “X” must contain proper signatures. Inadequate or omitted signatures will cause a delay in the processing of your registration.
9. **TRANSFERS:** If the foal is to be registered to anyone other than the breeder, a completed transfer along with the appropriate fee must accompany the application.
10. **SEX OF FOAL:** Check the appropriate box. If gelded or spayed, list date of surgery.

If after reading this, you become aware of an error on the registration application you recently submitted, please submit a signed request for change in writing. The ApHC won’t transfer information from a phone call to a registration application.

Attention small-scale breeders!

Are you aware that it is the small-scale breeding operations that are breeding, raising and selling the majority of today’s champions? In addition to raising foals that are winning in Appaloosa show arenas across the country, many of you also raise colorful trail horses, the first time 4-H show horse, endurance horses and race horses, each that are owned, loved and cared for by Appaloosa enthusiasts.

We at Char-O-Lot are currently considered a large-scale breeder, breeding 15—20 of our own foals each year. There are a small number of us so-called “large breeders” left out here. Years ago being considered a large breeder would have meant you were breeding more than 30 mares per year and there were a greater number of large breeders in the market. Those days have passed for many, and with the decrease in both the number of large breeders, together with the number of mares they are breeding each year, the small-scale breeder is increasingly important.

Doug and I started out small and grew our program over the years. We commonly hear smaller breeders say they cannot compete with or measure up to the large breeders, which I would argue is not the case. It does not take a large breeder to raise nice foals year in and year out. Raising a nice foal requires perseverance and dedication. Paying attention to details, studying and working out what program works the best for you and produces the results you are looking for.

As large-scale breeders we have had amazing success over the years, such as being the Leading Breeder at the ApHC World Show several times and having two of our foals inducted into the Appaloosa Hall of Fame. However, what you may not know is that our most memorable medallion was the very first “Breeders Medallion” that we ever earned back in the mid 1970’s, which I still remember to this day. As a small breeder that was our greatest accomplishment, and is a goal that is still achievable for nearly all small breeders.

Consider as a small breeder that you can make a big difference. There is a market for quality Appaloosa horses that our large-scale breeders cannot possibly fill moving forward, and without your foals our industry will continue to experience a shortage of quality horses. Now more than ever there is a great opportunity for breeding horses—take advantage of that gap in the market that has been left by the decrease in the number of large breeders, and go out there and get your own breeders medallion!
