Personal Safety & Security Reminders

The ApHC wants to remind everyone to have a safe and enjoyable show.

Many of you will be traveling long distances through unfamiliar places, and it pays to think ahead. The following are things that you may already know, but now is a great time to read over them again and discuss safety with your family. It is also a great time to check the security measures you use to protect your belongings.

Do what you can now to make yourself and your family an unattractive target to thieves and criminals.

Be aware of your surroundings. If something doesn't look or feel right, trust your instincts.

Park and walk only in well-lit areas. Travel in pairs, especially at night.

Children should be with a responsible adult at all times.

Look for a hotel with 24-hour on-site security.

Don't carry large amounts of cash. Think about replaceable travelers' checks or debit cards with fraud protection instead. Keep a list of credit card and bank contact numbers in a separate place that you can use to cancel cards or accounts if necessary. Have a back up plan in case your purse or wallet is stolen.

Purses, wallets, GPS devices, briefcases, bags, laptop computers or anything that looks valuable should never be left in a vehicle or unattended area.

Spare wheels, tires and even whole trailers can be targeted by thieves. Locking the hitch on your trailer and the spare on your truck will make you a less attractive target.

Lock your tack stall. Even if you're only going around the corner or into another stall, always lock up.

Label your cell phone, camera, cases, tack carriers, etc.
Found items are returned more quickly if the owner can be easily identified.

If you can, leave your dogs at home. If you bring a dog, keep them on a leash or penned up. Please make sure they are wearing tags with a local or cell number where you can be reached.

Put a label on your horse's stall with your cell, hotel, and local contact information so that you can be reached in the case of a horse emergency.

If you see a horse in distress and the owner is not around, contact the show office or the stall office. The Stall Office is open 24 hours a day.

This statement waives important legal rights. Read it carefully before signing any entry forms and/or before participating in any class as an owner and/or any of his/her representatives, authorized agent, trainer, lessee, rider, driver and/or handler.

I AGREE in consideration for my participation in the National Championship/World Championship Appaloosa Youth Show [Competition] to the following:

I AGREE that I choose to participate voluntarily in the Competition with my horse(s), as a rider, driver, handler, lessee, owner, agent, coach, trainer, or as parent or guardian of a youth exhibitor. I am fully aware and acknowledge that horse sports and the Competition involve inherent dangerous risks of accident, loss, and serious bodily injury including broken bones, head injuries, trauma, pain, suffering, or death [Harm].

I AGREE to release the Appaloosa Horse Club, [ApHC], the Competition, officials, officers, directors, employees, independent contractors, agents, personnel, volunteers, Visit Tulsa, Tulsa Expo Square, City of Tulsa, trade show vendors, sponsors and/or other sponsoring organizations, if any, from all claims for money damages or otherwise for any Harm to me, my horse(s) and/or my property and for any Harm caused by me, my horse(s) and/or my property to others, even if the Harm resulted, directly or indirectly, from the negligence of the ApHC, or the Competition.

I AGREE to assume all liability and responsibility for any accidents, injury or damages sustained or caused by myself,

my helpers, my stock or my equipment and I AGREE to expressly assume all risks of Harm to me or my horse(s), including Harm resulting from the negligence of the ApHC, the Competition, officials, officers, directors, employees, independent contractors, agents, personnel, volunteers, Visit Tulsa, Tulsa Expo Square, City of Tulsa, trade show vendors, sponsors and/or other sponsoring organizations, if any.

I AGREE to indemnify (that is, to pay any losses, damages, or costs incurred by) the ApHC the Competition, officials, officers, directors, employees, independent contractors, agents, personnel, volunteers, Visit Tulsa, Tulsa Expo Square, City of Tulsa, trade show vendors, sponsors and/or other sponsoring organizations, if any, and to hold them harmless with respect to claims for Harm to me or my horse(s), and for the claims, demands, cause of accident, cost of charges and expenses of every kind and nature which may be incurred by reason of any accident, injury, or damage to person or property caused by ownership, exhibition, or custody or control of any animal exhibited, made by others for any Harm caused by me, my horse(s) and/or my property at the Competition.

I have read the ApHC rules about protective equipment, including protective headgear, and I understand that I am entitled to wear protective equipment without penalty, and I acknowledge that the ApHC strongly encourages me to do so while WARNING that no protective equipment can guard against all injuries. I further understand that any minor child entered in the Competition is required to wear protective headgear during games classes.

I AGREE to furnish a current health certificate and current proof of negative Coggins for each horse on the show grounds, upon request of the show management and understand that any horse which develops a contagious disease during the show will be immediately quarantined or removed from the grounds.

I AGREE that the ApHC has the sole right to control, sell, rent, supervise or give away (or to assign others the right to do so) the exclusive rights to broadcast, televise, reproduce, transmit and disseminate all or part of this event. I authorize the ApHC to make use of any photographs, films or video taken of the horses and exhibitors entered, while on the grounds or in transit between the stabling facility and the event site, in any way they see fit in the promotion of the Competition or the ApHC. No such advertising or promotional rights shall include the right to use a participant's name or likeness in a manner which implies endorsement of any company, product category or service.

If I am a parent or guardian of a youth exhibitor, I consent to the child's participation and AGREE to all of the above provisions and AGREE to assume all of the obligations of this Release on the child's behalf.

I AGREE that the ApHC and Competition as used above includes all of the officials, officers, directors, employees, agents, personnel, independent contractors, volunteers and affiliated organizations associated with the Competition.

I represent that I have the requisite training, coaching and abilities to safely compete in the Competition. By signing the ApHC Release, Assumption of Risk, Waiver and Indemnification on the entry form, or checking the box required with the online entry system, I AGREE to be bound by all applicable ApHC rules and all terms and provisions of the ApHC Release, Assumption of Risk, Waiver and Indemnification. ENTRIES

Entries must be submitted electronically via the ApHC on-line entry system or in writing. All entries submitted in writing must be made on printed entry forms furnished by the ApHC (photocopies of the printed forms will be accepted), signed by the proper parties, and accompanied by all entry fees, equipment charges, cattle charges and a completed W-9 form for the first-listed current owner on the Certificate of Registration. Exhibitors are responsible for any errors on their entry forms. Entries lacking sufficient information or not accompanied by all required fees will not be accepted. Entries will not be accepted by telephone.

Changes to entries must be submitted in writing. Changes to entries will not be accepted by telephone. The ApHC is not responsible for any lost, faxed, emailed or delayed entries. **The ApHC recommends using the online entry system or certified/registered mail as these options provide confirmation that your entries were received.**

The IRS requires the ApHC to obtain the correct taxpayer identification number (TIN) for persons for whom we have to file an information return (i.e. 1099-Miscellaneous for premium payback). This form must be completed by the owner or in the case of multiple owners, by the first listed current owner. If the correct TIN is not provided, subsequent payments can be subject to backup withholding per IRS regulations. Award checks will not be issued until the ApHC has a W-9 on file for all persons receiving these checks. You are required to complete a W-9 with the appropriate certifications and submit this form with your entry. This information must be provided to the ApHC regardless of the age of the owner. Your exhibitor packet will be held if this form is not submitted. A W-9 is available online.

The social security number listed on the W-9 should be that of the owner or in the case of multiple owners, that of the first-listed owner on the Certificate of Registration. No other social security number is acceptable. International residents must complete IRS Form W-8ECI or the ApHC must deduct 30% of any monies earned. Social security numbers must be provided for individuals. Taxpayer identification numbers will not be accepted in lieu of a social security number for individual owners.

Entries sent by Federal Express, UPS, certified mail, return receipt or Express mail should be mailed to:

Appaloosa Horse Club
National Show /Youth World Show
2720 W Pullman Road
Moscow, ID, 83843

Entries may also be faxed to (208) 882-8150.

Exhibitors are responsible for verifying that entries have been received in the ApHC office. If you fax or email entries, DO NOT SEND ORIGINALS in the mail as this will result in double charges if paying by credit card. **Faxed copies of checks are not considered payment, and entries will not be accepted until actual payment is received. If you fax entries or stall reservations, please allow 4 hours of processing time before calling to determine if they have been received.** ApHC office hours are Monday through Friday, 8 a.m. – 4 p.m. PT.

Declined credit cards may result in you paying post-entry prices. **If you are using a debit or credit card, please pre-authorize amounts over \$200 (or for amounts in excess of your daily limit) with the card company or your bank to avoid processing delays and late fees.** ApHC does not accept American Express as a form of payment.

Entries will be accepted after these dates at post entry prices. Post entry fees are not assessed to NSBA entries, equipment or cattle fees (except in cutting). Post entry charges WILL BE assessed to cattle fees in cutting classes. Post entries must be made by 6:00 p.m. the day prior to when the class to be entered is scheduled.

Entries not received in the ApHC office by July 2, 2021 should be taken to the show – do not send them to the ApHC office.

Non-pro and youth exhibitors entering nine (9) non-pro or youth classes at regular pre-entry price can enter a 10th class for FREE! This option is available for PRE-ENTRIES ONLY! This option is available to non-pro and youth exhibitors regardless of the number of horses they exhibit and is based solely on the number of non-pro or youth classes in which that non-pro or that youth exhibitor pre-enters. Entries for multiple horses MUST BE RECEIVED TOGETHER in order to credit the exhibitor for the FREE class. Once entries have been received, classes shall NOT be substituted, scratched, added or changed in order to qualify for a free class. After the pre-entry deadline, post-entry prices and fees apply to any changes or added classes. Equipment, cattle and NSBA charges must still be paid on all eligible classes even if these are assessed in the class in which the non-pro or youth exhibitor does not have to pay the regular entry fee.

Post entry fees are an additional \$40/class.

ADMINISTRATIVE CHARGE

There will be a one-time \$50 administrative charge paid per horse, which includes the drug-testing charge for each horse entered. This fee is assessed only once per horse regardless of the number of classes or divisions (open, non-pro or youth) in which the horse is entered. For example, if a horse is entered in youth or non-pro classes and open classes, only \$50 is due. For further clarification see DRUG TESTING.

PAYMENT PROCEDURES

All entries must be made payable to the ApHC in U.S. funds drawn on a U.S. bank. Payment may be made in the form of personal checks, Visa, MasterCard, Discover, money order or wire transfer. The ApHC does not accept American Express as a form of payment. A 3% surcharge will be added to all credit card charges.

If you are paying by debit or credit card it is advisable to contact your bank or credit card issuer in advance about charges in excess of \$200 (or your bank card daily limit) to avoid the charge being declined for security reasons. **Cards declined by the bank will be treated as insufficient funds and may result in your horse being excluded from the program and/or late stall penalties or post-entry fees being assessed.**

Any check returned to the ApHC office due to insufficient funds will require certified funds and payment of a returned check charge of no less than \$25 in order for entries or stall reservations to be processed. If the customer has not paid all charges for returned checks prior to the show, the agent/owner must bring certified funds to the show office for the entries or stall reservations to be processed.

The date at which funds are secured for declined credit cards or insufficient funds checks will be acknowledged as the date the entries and/or stall reservations are received and processed. Post entry fees and late stall charges may be assessed to entries or stall reservations for which funds have

been declined and which have not been cleared prior to the pre-entry deadline.

CHECK-IN PROCEDURES

All trailers should enter the facility through Gate 5 if traveling on East 15th Street or through Gate 1 if traveling on East 21st Street.

As you arrive at Tulsa Expo Square, please refer to the following check-list to help you get your horse checked in, safely stalled and ready to show.

Check into the stall office (**North end of Expedition Building**) – provide stall office personnel with the registered name of your horse(s) and the name of the person listed as “stalled with” on the stall reservation form you originally submitted. Stall personnel will give you a stall ledger listing your stall number(s) and give you directions to your stalls. If you purchase a stall at the show, it must be paid for at the time the request is made. Stalls will not be unlocked until payment is made. Please keep your ledger as proof of purchase to present in the show office when picking up your exhibitor packet. If you have received a confirmation letter or email in which a horse is listed as “not stalled”, it will be necessary to purchase or confirm the purchase of a stall for the horse and provide the stall ledger to the show office when picking up your exhibitor packet.

Check into the show office (**Ford Truck Exhibit Hall**) – To pick up your exhibitor packet that includes the exhibitor numbers, you must present the following items at the show office:

- 1) **Original** Certificate of Registration (**PHOTOCOPIES WILL NOT BE ACCEPTED**),
- 2) Current (within 30 days) health certificate **dated on or after June 26, 2021**,

- 4) Stall ledger given to you upon checking in with the stall office (if your horse is listed as “Not Stalled” on your entry confirmation letter) and
- 5) Completed Proof of Accommodations form – available online or in the show office.

The ApHC requires that ALL horses, of ALL ages, on the show grounds whether entered in the show or not and including those on the grounds that are not registered with the ApHC to be accompanied by a current 30-day health certificate (**dated on or after June 26, 2021**) as well as a current, within twelve months, proof of negative Coggins (**dated on or after July 26, 2020**) administered by a licensed accredited veterinarian, showing positive identification of the horse, the horse's temperature, and the name and address of the laboratory performing the tests. This documentation **MUST** be presented in the show office for every horse on the show grounds.

Registered names must be used on the health certificate and Coggins rather than "barn names". Coggins and health certificates must be presented to the show office. If Coggins and health certificates are not available, the horse will be quarantined until proper documentation is received and/or testing is conducted at the expense of the owner. Quarantined horses shall not be allowed to compete and entry fees will be forfeited until health papers are received. All horses are subject to inspection by the Show Veterinarian or State Veterinarian at any time or if suspected of harboring a communicable disease. All horses must be serviceably sound.

The attending show veterinarian recommends all horses be vaccinated for tetanus, influenza, Eastern/Western encephalitis, Rhinopneumonitis, equine herpesvirus type 1 (EHV-1), equine herpes virus type 4 (EHV-4) and West Nile Virus.

EXHIBITOR NUMBERS

One exhibitor number will be assigned to each horse. This number will be used for all classes, in all divisions, in which the horse is entered. The exhibitor number belongs with the horse, not the rider/handler.

It is essential that the correct exhibitor number is used for all classes and that it be displayed in the correct manner (see rule 711.M of the *Official Handbook of the Appaloosa Horse Club* for complete rules for each class). Failure by the exhibitor to display the correct number or to display the number in the correct manner while being judged shall result in disqualification from the class.

Horses that are shown in National/Youth World Show classes in Tulsa and also shown in National/Youth World Show cutting

classes in at Hardy Murphy Coliseum in Ardmore, OK will use the same back number for both locations.

SUBSTITUTIONS

If substitution of a horse is necessary in a non-pro or youth class or of an exhibitor in an open class, such changes must be reported to the show office prior to the class entering the arena or before judging has begun in the case of warm-up periods before a class starts. **No horse or rider changes will be accepted at the announcer's stand or paddocks. No rider changes will be allowed in youth or non-pro classes. No horse changes will be allowed in open classes.**

Any horse entering the arena in which the exhibitor is someone other than the one on record with the ApHC show office and in which case an exhibitor change has not been filed with the show office prior to the class entering the arena will be disqualified.

VET SCRATCHES/REFUNDS

Horses that become sick or injured **PRIOR** to the start of the show must provide a dated and signed vet's statement to the ApHC concerning the condition of the horse, the horse's registered name and number and the date the sickness or injury occurred. Notice must be received in the ApHC Show Office **PRIOR** to that horse's first class for any refund to be allowed. As of the first day of the show, only statements from the Official Show Veterinarian, along with an official class scratch form, will be accepted in the show office for horses that become sick or injured on the show grounds. All documentation must be in the Show Office **PRIOR TO THE CLASS ENTERING THE ARENA**. If a horse does not compete in a class in which it is entered and a vet certificate and official scratch form has **NOT** been received, the entry fees will be forfeited. At the conclusion of the show and after the completion of a financial review, entry fee(s) will be refunded less a \$20 per class office charge if proper documentation was received as outlined above.

No refunds are issued for administrative fees.

Equipment and cattle charges and stall fees are non-refundable after July 11, 2021. In cases where horses are vet scratched (with a signed/dated statement from the attending veterinarian) at least 15 days prior to the first day of the show (by July 11, 2021), refunds of equipment and/or cattle charges will be refunded in full and stall **fees will be refunded less \$20/stall office fee.**

No refunds will be issued under any circumstances for NSBA fees or ApHCF practice class fees (if held).

Refund checks, for all entries originally paid by check, will be mailed to exhibitors approximately 45-60 days following the last day of the show. For all entries paid by credit card, refunds will be credited to the same credit card used for initial payment approximately 45-60 days following the last day of the show. If a horse is disqualified from showing by management or officials or if a horse is entered and not shown, the entry fees will be forfeited. **No refunds will be made on amounts of \$10 or less. No refund can be applied to charges while at the show.**

These are the only instances in which refunds will be issued.

office by the pre-entry deadline. The National Show Program will be available in the Show Office and the Stall Office.

DRUG TESTING

All horses entered in the show are subject to drug testing. For complete rules and regulations concerning the drug testing procedures and drugs and medications, refer to Rule 40 of the *Official Handbook of the Appaloosa Horse Club*. The owner, trainer, or other responsible party must witness the blood and/or urine sample collection and sign the forms required by the veterinarian. Failure to do so waives any subsequent objections to the testing process or results. All payouts will be issued pending drug test results. If a horse tests positive for unapproved drugs or unacceptable levels of an approved medication, all ribbons, trophies and other awards shall be held in escrow by the ApHC until notification of the Disciplinary Committee's decision.

Drug tests will be administered at the discretion of the ApHC. Those horses selected for testing must report to the drug testing station immediately following each class or random request. Once blood and/or urine samples have been collected, the horse may leave the testing stall. Drug testing procedures will be strictly enforced. Cooperation is mandatory.

OFFICIAL VETERINARIAN

In the event the ApHC designates a properly licensed veterinarian or veterinarians as the Official Show Veterinarian(s) or Official Drug Testing Veterinarian(s) for an ApHC-approved or -sponsored event including, but not limited to, the National Championship/World Championship Youth Show, as a service to exhibitors and other persons, and any exhibitor or other person directly or indirectly employs, retains, hires or otherwise utilizes the services, advice and/or expertise of such Official Show Veterinarian(s) or Official Drug Testing Veterinarian(s), the ApHC shall not in any manner or to any extent whatsoever be liable or responsible for any action, conduct, decisions or services by such Official Show Veterinarian(s) or Official Drug Testing Veterinarian(s). Such exhibitor or other person expressly releases and holds harmless the ApHC from any and all claims, liabilities, losses or actions of any kind arising from or in connection with the exhibitor or other person's employment, retention, hiring or utilization of the services, advice and/or expertise of such Official Show Veterinarian(s) or Official Drug Testing Veterinarian(s).

Veterinarians other than the Official Show Veterinarian(s) or Official Drug Testing Veterinarian(s) wishing to conduct business at Tulsa Expo Square during the National Championship/World Championship Youth Show must request permission in writing from the ApHC office prior to the start of the show.

The Show Veterinarian is Pine Ridge Equine Hospital, www.pineridgeequine.com, 918.827.8000. Once the show starts, only vet scratches submitted by the official show veterinarian will be accepted to qualify for a refund as designated under VET SCRATCHES/REFUNDS.

Any animal on the grounds in immediate need of veterinarian care will be treated at the expense of the owner if the animal's owner(s) cannot be located.

CLASS PROCEDURES

The ApHC has established class procedures to benefit the majority of exhibitors participating, within the limits of available

budget, manpower and time.

CLASS PATTERNS

Patterns will be available to download on the ApHC Web site no later than July 12. Pattern books will be available in the show office. Patterns will be posted in the paddocks the day of the class. Exhibitors are responsible for checking patterns posted in the paddocks for any corrections or clarifications prior to exhibiting in the class.

DISQUALIFICATION

Any exhibitor, horse or owner disqualified from any class for any reason shall NOT receive a refund of any fees of any kind. When disqualification occurs by the show management or judges, the decision is final. In addition to other disqualifications as outlined in the rules and regulations contained in the *Official Handbook of the Appaloosa Horse Club*, judges (including equipment judges) shall have the authority to disqualify entries for illegal equipment, improper attire, inhumane treatment, unsoundness/lameness or the presence of blood. See Rule 30 in the *Handbook of the Appaloosa Horse Club* for further information.

Exhibitors are not allowed to wear earpieces or to have wireless contact with anyone during the conduct of a class. Exhibitors in violation of this rule shall be disqualified.

WORKING ORDER

All working orders in elimination and final classes will be decided or drawn by show management in accordance with official ApHC rules. **If you and/or your horse are entered in back-to-back or concurrent classes and feel that this will cause a time constraint, you may inform the show office by 5 p.m. the day prior to the class(es) and request a change in the order-of-go to allow more time to prepare. Adjustments may only be requested for direct horse or exhibitor conflicts.** No adjustments will be made for trainers' convenience or non-show conflicts. If possible, show management will then adjust your working order. If you do not contact the show office prior to 5 p.m. the day before the classes in question, we may not be able to accommodate your request. Once working orders or cuts have been posted, changes will not be made unless approved by show management.

PADDOCK PROCEDURE

Only exhibitors and their horses are allowed in the alleyway and holding area. This policy applies for the duration of the class, including eliminations and finals, etc. Once the horse has entered the paddock, only exhibitors entered in the class will be allowed to handle or ride their own horses. *Exceptions may be made to this in over-fence classes when an exhibitor is showing more than one horse in a class. Exceptions must be approved by the paddock manager.*

Grooming is prohibited in these areas including, but not limited to, any type of spraying.

Barn calls are a courtesy and will be made for each class and for all exhibitors entered in each class. Regardless of the circumstances, it is the exhibitor's ultimate responsibility to report to their class on time. Exhibitors must check in with the paddock personnel.

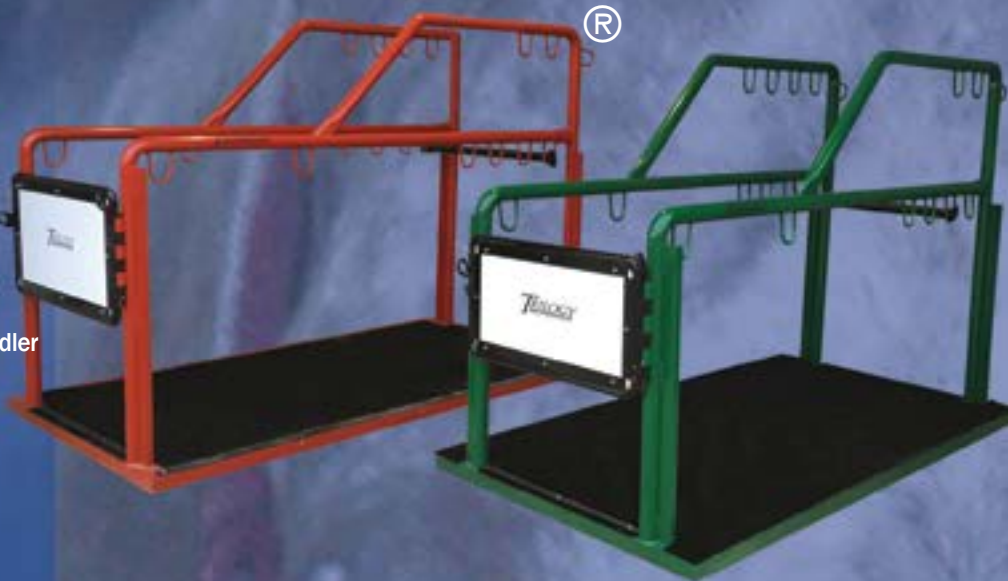

Paddock personnel will call exhibitors to enter the arena in

In classes in which an order of go has been posted, entries not entering the arena for judging in their posted order of go are considered to have missed their class and will not be allowed to enter the arena to compete.

In classes in which a time limit has been given to enter the arena, entries not in the arena at the expiration of that time limit are considered to have missed their class and will not be allowed to enter the arena to compete.

Late entries will not be admitted into the arena once the gates have been closed.

No refunds will be issued for missed classes.

EQUIPMENT JUDGE

Official Equipment Judges shall be employed by and be a representative of the ApHC. Equipment Judge(s) shall be responsible for attire and equipment rule interpretations. Final interpretations are the responsibility of show management. All bits, tack, appointments and attire shall be checked by the equipment judge(s) prior to entering the arena. Any equipment considered to be inhumane or illegal by the Official Equipment Judge(s) must be removed or entry into the arena will be denied. The Official Equipment Judge(s) may disqualify an entry for illegal equipment, improper attire, inhumane treatment, unsoundness/lameness or the presence of blood on the horse. See Rule 30 in the *Official Handbook of the Appaloosa Horse Club* for complete rules regarding inhumane treatment.

The Official Equipment Judge(s) shall have the authority to call for a blood sample and/or urine test on any horse.

Official Equipment Judge(s) may serve as an alternate judge at the discretion of show management.

BLOOD DISQUALIFICATION

In all classes and all divisions of classes, **judges and/or equipment judges may disqualify horse(s) from the class** if fresh blood is found on the mouth and/or body areas of a horse (i.e.: including but not limited to the barrel, flanks, belly, sides, shoulders). **Judges and/or equipment judges have the sole authority to determine if the blood found on the horse warrants disqualification from the class and the judge's decision is final and not protestable.**

LAMENESS

Rules regarding lameness are adopted to protect the health of Appaloosas exhibited in ApHC-approved and -sponsored shows. At show management's discretion, either at the beginning or upon completion of a class or individual work, prior to leaving the arena, the horse shall be asked to perform movements/maneuvers on a loose rein or lead to demonstrate soundness. Exhibition of a horse that shows signs of unsoundness/lameness as determined by Official Judges in any class shall be cause for disqualification. A judge's decision as to the lameness of a horse is not protestable. See Rule 712 in the *Official Handbook of the Appaloosa Horse Club* for complete rules regarding lameness.

INHUMANE TREATMENT

The ApHC is committed to the humane and proper treatment of

all animals. The welfare of the horse is the primary consideration in all activities. Horses will be treated with kindness, respect and compassion at all times. Owners, exhibitors, trainers and all responsible parties must ensure the health and well-being of animals in their care at all times including, but not limited to, handling, transportation, training, treatment and stalling.

You must complete the ApHC stall reservation form found online. Please complete only one form per trainer/ranch/group. You must have your stalling information *in the ApHC office* by the pre-entry deadline to receive preferred stabling and avoid late fees.

Late fees shall be assessed to both regular and daily stalls if the reservations are received after the pre-entry deadline. Late fees are \$100 per stall or \$45 per stall per day for daily stalls. Stall reservations not received in the ApHC office by July 2 should be taken to the show and submitted to the stall office upon arrival.

FEES:

- **\$275 (\$375 late) each** — Explorer, Expedition, F-150 barns
- **\$95 (\$140 late) per night** — Daily Stalls are located throughout the grounds based upon availability

Stall reservations will be NOT be accepted without full payment of all stall fees. See PAYMENT PROCEDURES for information on how to purchase your stalls.

Tulsa Expo Square will assess a charge of \$20/panel for any portable stall panel that is removed during the show. Exhibitors removing stall panels will be assessed these fees after the conclusion of the show and upon ApHC receipt of the Tulsa Expo Square invoice. **Exhibitors may choose to fold back the stall panels in portable stalls and zip-tie those BUT MUST RE-ASSEMBLE the stall at the conclusion of the show to avoid these charges.**

RESERVATION FORM:

The stall reservation form must be completed and submitted with each horse's registered name and registration number. List all horses that will be occupying stalls. List all tack stalls separately as "TACK". If your horse is in the process of being registered, include it on the stall card with the registration name and number as "Registration Pending". Please indicate your first and second choices for stall locations (Refer to Tulsa Expo Square Facility Map in this premium book for building locations) and include aisle or end location and any other notes that may be helpful for personnel assigning your stall location. The number of stalls requested cannot exceed availability in that area.

If you are stalling with a trainer/ranch/group, send all stall requests AND PAYMENTS in the same envelope, choosing just one trainer/ranch/group name for the "stalled with" person. Include the total number of stalls on one card only. Stall requests not included in the same envelope or not faxed together are not guaranteed to be stalled together.

If you are attending the ABRA show and would like to retain your stall location in the Oklahoma Ford Dealer's barn, please indicate this request on your stall reservation form.

NOTE: The person listed as "stalled with" is responsible for all money due and will be held liable for all damages reported to stalls and is responsible for any payments due for damage or stall panels that are removed and not replaced by the exhibitor.

ApHC will attempt to stable each trainer/ranch/group according to choices requested on the stall reservation form. However, stabling decisions are made based upon the National Show/Youth World Show stabling history of the person listed as "stalled with" and based upon the availability of stalls in the requested area(s).

If you request additional stalls upon arrival, or after the original request is received, those stalls must be paid for at the time of the request and may not be located with your other stalls. **Stalls purchased after the stall reservation deadline will include the late fee regardless of when you purchased your original stalls.**

All reservations or changes to original reservations must be made in writing to the ApHC office. **Reservations or changes to reservations will not be accepted over the phone.**

MOVE-IN/MOVE-OUT:

Stalls will be available for move in after 7:30 a.m. on Saturday, July 24. Do not arrive prior to this as ApHC will be unable to accommodate early arrivals. **Stalls must be vacated by 11:59 a.m. on Monday, August 2.**

There is a separate stall reservation form for horses entered in National/Youth World Show cutting classes at the Hardy Murphy Coliseum in Ardmore, OK. If you plan to attend this event, please submit stall reservations and payment to the ApHC. This form is available online.

Check in with the stall office upon arrival to facilitate unlocking your stalls if they contain shavings or mats. Stalls that have not been moved into on Saturday will be locked until your arrival.

STALL DECORATIONS:

If your stalls are located on an aisleway in any barn, the ApHC requests that they be decorated for the entire duration of the show for presentation to the public and to minimize any potential hazards that occur while assembling or tearing down decorations and which may cause harm to fellow exhibitors and horses. No stall decorations will be allowed to protrude into the barn aisles.

All materials used in decorating stalls must be treated with a fire retardant or be made of fire-retardant material. Due to fire regulations, stall aisles cannot be blocked or closed off to through traffic. The Fire Marshall will be on-site randomly inspecting decorations for compliance with regulations.

Stall decorations cannot block main aisles. Exhibitors may purchase additional stalls to create seating or entertainment areas but all aisleways must remain clear to facilitate safe movement of horses, exhibitors, shavings deliveries etc. Show management reserves the right to ask any person whose animal, decorations or equipment is creating an unsafe situation to move said animal, decorations or equipment or to relocate.

Decorations shall NOT damage the surface of the stalls. Any damages assessed by Tulsa Expo Square will be billed to the person listed as "stalled with". All decorations must be attached using temporary set-ups and must be removed by the person listed as "stalled with" prior to move-out. Use of nails, tacks or similar materials that alter or damage stalls is strictly prohibited.

All stalls must be vacated by 11:59 a.m. on Monday, August 2.

STALL MAINTENANCE:

All stalls are 10X10 portables and are on concrete. Stall mat rentals are available through Elite Stall Mat Rental. Reservations may be made online at www.stallmatrentals.com. A direct link to reserve mats for the National Show is available on the ApHC web site National Show page.

Exhibitors are required to keep their stalls neat and clean, dispose of refuse matter in designated bins only and remove all items and materials they attached to the stalls, including decorations and all signs. Do not dispose of soiled shavings in trash cans.

The person listed as "stalled with" is responsible for any damage to stalls, electrical wiring, etc. and for any clean-up of materials such as decorations, signs, fabric, nails, tacks, wires, etc. Any damages assessed by Tulsa Expo Square will be billed to the person listed as "stalled with".

FORFEITURE OF STALL LOCATION:

Per Board motion, any suspended person or persons otherwise

ineligible to participate at the National and/or World Show(s) shall forfeit any preferred stall(s) location at the National and/or World Show(s). In connection with any member's stall entry reservation application for the National and/or World Show(s), if the person they list as being "stalled with" is suspended or ineligible to participate at the National and/or World Show(s), the member applicant will forfeit their preferred stalling location(s) at the National and/or World Show(s) as applicable. All other members stalling with any suspended or ineligible person will forfeit their preferred stalling location(s). Stalling location refers to any established or designated area that the suspended or ineligible person has usually occupied. Handicap vehicles must obtain a permit in the show office. Any person operating a golf cart in an unsafe, reckless or dangerous manner will be detained by law enforcement or security officers. In some cases, golf carts can and will be impounded.

Golf cart operators must have a valid driver's license with them at all times and may only be driven on the streets in the direction of traffic.

Golf carts must yield to all pedestrians and horses and may not be parked blocking an entrance.

Golf carts parked in front of handicapped entrances or ramps

will be impounded.

There is no charge for unloading or parking on site. Due to congestion, please limit unloading time as much as possible and immediately move your trailer to the designated trailer parking lot(s). Trailers must be parked in designated lots during the show and are not allowed to be parked in vehicle parking lots or next to arenas or barns unless actively loading or unloading.

Handicap parking spaces are for Handicap Permit holders only.

Trailers and/or vehicles violating posted or announced parking rules shall be subject to towing/impounding.

RV CAMPING

All spaces should be reserved directly with Tulsa Expo Square. A link is available on the ApHC web site National Show page or call 918.744.133 ext. 2154 for more information.

All spaces should be reserved as soon as possible to guarantee availability.

FARRIER

Only the official show farrier(s) will be permitted to provide farrier services on the grounds. Other farriers wanting to do business on the grounds must contact the ApHC for approval.

ELIMINATION, FINALS, AND SCORING

SCORING:

For the majority of classes either a four-judge or a three-judge format will be used to compute placings. This will be determined by show management. In most four-judge formats, the low scores will be discarded (except in cuts) and the remaining three scores tabulated to determine placings. In the three-judge format, no scores will be discarded; all three scores will be tabulated to determine placings.

In placed classes, the judge's placings will be converted into numerical scores according to the chart below:

1	120	6	55	11	15
2	105	7	45	12	10
3	91	8	36	13	6
4	78	9	28	14	3
5	66	10	21	15	1

CUTS:

In large classes when cuts are necessary, the cuts will be determined by a random draw. Exhibitors in each cut will enter the arena for judging and will be placed by all judges. Top placing entries from each cut will return to the arena for a clean-slate final go-round. The same exhibitor must exhibit the same horse in both the cut and the final. The same equipment must be used on the horse in the cut and the final.

TIE-BREAKING PROCEDURES:

All ties, except first place in individual performance classes, will be broken by a tie-breaking judge (pre-determined by show management before the class begins). If a tie occurs for first place in any individual performance class judged complete or in any individual performance class finals judged complete, there will be a work-off for first place only. Individual performance classes include working hunter, western riding, reining, cutting, trail and judged roping events.

In the event of a tie in working cow horse, please see Rule 741.F in the *Official Handbook of the Appaloosa Horse Club* for tie-breaking procedures.

ELIMINATIONS:

Any horse receiving a no-time or a no-score in an elimination round will be eliminated.

Show management reserves the option of holding finals only depending upon the number of entries in the class.

In case of a tie for the final qualifying position (except in Camas Prairie Stump Race and Nez Perce Stake Race) all those tied will go forward to the finals. In the event it is not necessary to run an elimination round, the class will be run complete at the time the final round is scheduled. In Camas Prairie Stump Race and Nez Perce Stake Race, if a tie occurs in an elimination round for the last position in the finals bracket, those horses tied will re-run on time only with the fastest time advancing.

Once an elimination round has been held, no change of horse/exhibitor combination or tack/equipment is allowed for the finals. In heading and heeling, the entrant must have the same helper in both the elimination and final rounds.

In most classes, when possible, the top 16 horses will be called back for the finals.

AWARDS

NATIONAL POINTS

In all ApHC nationally pointed open, non-pro and youth classes, points will be awarded for each judge's placings according to the sliding scale in the ApHC Official Handbook. Awards will be presented to the overall placings in the class as described under SCORING.

RIBBONS & TROPHIES

In all ApHC-approved/pointed classes, a Champion trophy is awarded to first place winners. The Reserve Champion trophy is presented to second place winners and ribbons are awarded for first through tenth place.

Awards in the open derby and handy hunter classes are sponsored by Windemere Equestrian Center.

MEDALLIONS & MEDALS

Open division classes are medallion classes except for Green classes and Open Derby classes. There must be at least three entries shown in an open division class for it to be considered eligible for a medallion. See Rule 702.1.3 for further information.

Non-pro classes are medal classes except for novice non-pro cutting, non-pro handy hunter, non-pro walk/trot classes, and non-pro yearling longeline classes. There must be at least three entries shown in a non-pro division class for it to be considered eligible for a medal. See Rule 903.A for further information.

Youth classes are not eligible for medallions or medals.

ESCROW OF AWARDS

All monetary awards will be issued pending notification of drug testing results. If a horse tests positive for any unapproved drugs or unacceptable levels of approved medication, all ribbons, trophies, and other awards shall be held in escrow by the ApHC until notification of the Disciplinary Committee's decision.

PREMIUM PAYBACK

No premium payback in classes is available at the National Championship/Youth World Show per Board motion. Some classes may be eligible for sponsored payouts. Some high-point award winners are eligible for award checks.

AWARD CALCULATIONS & TIE BREAKING PROCEDURES FOR OPEN, YOUTH & NON-PRO AWARDS

Horses will receive points towards special open, youth and non-pro awards for 1st through 10th place. First place will receive 11 points, 2nd place will receive 9 points, and so on down to 10th place which will receive 1 point unless otherwise specified. If there are less than 10 horses in a class, scores will be based on the number competing with the 1st place horse receiving one more point than the number of horses in the class, the 2nd place horse receiving 2 fewer points than the 1st place horse and the 3rd place horse receiving 1 less point than the 2nd place horse and so on down to last place which shall receive 1 point unless otherwise specified.

Unless otherwise stated under individual award listings, in the case of a tie in the open awards, the horse earning points in the greater number of classes that count toward the award will be the winner. If that fails to break the tie, the horse placing 1st-10th over the greatest number of total entries will be the victor.

In the case of a tie in the youth or non-pro division, the youth or non-pro earning points in the greater number of classes that count toward the award will be the winner. If that fails to break the tie, the youth or non-pro earning points in the greater number of performance classes will be the winner. If that fails to break the tie, the youth or non-pro placing 1st-10th over the greatest number of total entries will be the victor.

The ApHC does not accept responsibility for misprints in daily award tabulations. All information is not final until verified.

HERITAGE

All entries in heritage classes must submit a type-written, 14-point font, double-spaced description of their costume. This description must not be more than 200 words, written in third person and submitted to the show office by 5 p.m. the day before the class. This description will be read by the announcer during the class. The ApHC reserves the right to edit content. When the announcer has finished reading the description, each exhibitor will have one minute (this will be timed) to answer questions posed by the judges or to give additional information about their costume. At the expiration of the one-minute time limit, the judges will move on to the next exhibitor without delay.

NSBA DUAL-APPROVED CLASSES (NSBA)

Entry Fee - \$20. No Post Entry fees.

The ApHC has entered into an agreement with the National Snaffle Bit Association (NSBA) to approve classes for NSBA points and awards. In order to compete for NSBA recognition, the owner and exhibitor of the horse must be NSBA members. These classes will run concurrently with regular ApHC classes.

Those exhibitors who wish to compete for NSBA awards and points in the available classes must either complete the NSBA entry form available online, or check the NSBA box under each eligible class using the online entry system.

The ApHC will provide class results to NSBA for inclusion in NSBA standings. Those exhibitors receiving first place NSBA honors in these classes will also receive a NSBA trophy.

To purchase NSBA membership, contact the NSBA at 4203 Grove Avenue, Gurnee, IL 60031 (847) 623-6722 or fax (847) 625-7435. Exhibitors and owners must present proof of NSBA membership when checking in at the ApHC show office or must pay for NSBA membership in order to show in the dual-approved portion of the class.

No refunds will be given for NSBA dual-approved class fees.

NSBA memberships should be purchased in advance of entering the NSBA portion of any class.

For a complete list of eligible classes refer to the schedule and classes designated as "NSBA".

YOUTH AND NON-PRO HANDY HUNTER

Sponsored by *Windemere Equestrian Center*

The Handy Hunter class is designed to test skills riders and their horses might use in the field, such as on a foxhunt. A handy hunter is a horse that is very easy to maneuver around a course in a ring or on the hunt field.

Class Specifications:

- There will only be one round.
- A minimum of ten (10) fences set at appropriate heights and spreads will be used. A minimum of two (2) additional obstacles, (not to be jumped) should be positioned on course such that multiple approaches can be made to different jumps.
- There will be at least one (1) higher option fence set three (3) inches (3') higher with spreads not to exceed the fence height.
- The course must include one (1) in and out, a bending line, and a trot fence.
- The course can include a hand gallop to a fence, open and/or close a gate, walk fence not to exceed twelve (12) inches (12") in height, tight turns, long approach to a single oxer, multiple options to approach a fence, and pen type obstacles.

Eligibility:

- Open to any horse that is eligible for Pre-Green Hunter, Green Hunter, Working Hunter, Youth Working Hunter, Non-Pro Working Hunter, Youth Equitation over Fences or Non-Pro Equitation over Fences.

- In addition to a base score, an Option Bonus Score consisting of two (2) additional points for every higher fence option jumped without a knockdown and a Handy Bonus Score consisting of zero (0) to ten (10) bonus points to each horse and rider combination for handiness of round. The three scores and sum total must be announced separately.
 - Examples of handy options for the Handy Bonus Score include, but are not limited to: a handy approach to the first fence (such as doing a rollback or cantering straight from the in gate), direct routes between jumps, hand galloping long straight distances, choosing short approaches, taking jumps at an angle, handy exit after jumping the last jump.
- The judges may not award the same base score to any two competitors in the class.
- All ties will be broken by the base score before adding any height or handy bonuses.

OPEN HUNTER DERBY

Sponsored by *Windemere Equestrian Center*

This class is designed to simulate a classic hunter round with a more natural appearance and the option for more pace and handiness. Obstacles are reminiscent of the hunt field and jumps should have a variety of appearances, such as natural logs and brush, coops, hedges, stone wall, white fence, etc. Jumps can be narrower, ground lines are not required, ditches are allowed and straight approaches or related distance to fences are not required.

Class Specifications:

- A minimum of eight (8) fences set at appropriate heights and spreads will be used.
- There will be at least one (1) higher option fence set three (3) inches (3') higher with spreads not to exceed the fence height.
- The course must include one (1) in and out, a bending line, and a single fence with a long approach.
- The course cannot use more than two (2) straight lines at a related distance, all other jumps must be single fences or at unrelated distances.
- Formal attire is preferred but not required.

Eligibility:

- Open to any horse that is eligible for Pre-Green Hunter, Green Hunter, Working Hunter, Youth Working Hunter, Non-Pro Working Hunter, Youth Equitation over Fences or Non-Pro Equitation over Fences.
