# Personal Safety & Security Reminders

The ApHC wants to remind everyone to have a safe and enjoyable show.

Many of you will be traveling long distances through unfamiliar places, and it pays to think ahead. The following are things that you may already know, but now is a great time to read over them again and discuss safety with your family. It is also a great time to check the security measures you use to protect your belongings. Do what you can now to make yourself and your family an unattractive target to thieves and criminals.

Be aware of your surroundings. If something doesn't look or feel right, trust your instincts.

Park and walk only in well-lit areas. Travel in pairs, especially at night.

Children should be with a responsible adult at all times.

Look for a hotel with 24-hour on-site security.

Don't carry large amounts of cash. Think about replaceable travelers' checks or debit cards with fraud protection instead. Keep a list of credit card and bank contact numbers in a separate place that you can use to cancel cards or accounts if necessary. Have a back up plan in case your purse or wallet is stolen.

Purses, wallets, GPS devices, briefcases, bags, laptop computers or anything that looks valuable should never be left in a vehicle or unattended area.

Spare wheels, tires and even whole trailers can be targeted by thieves. Locking the hitch on your trailer and the spare on your truck will make you a less attractive target.

Lock your tack stall. Even if you're only going around the corner or into another stall, always lock up.

Label your cell phone, camera, cases, tack carriers, etc.  
Found items are returned more quickly if the owner can be easily identified.

If you can, leave your dogs at home. If you bring a dog, keep them on a leash or penned up. Please make sure they are wearing tags with a local or cell number where you can be reached.

Put a label on your horse's stall with your cell, hotel, and local contact information so that you can be reached in the case of a horse emergency.

If you see a horse in distress and the owner is not around, contact the show office or the stall office. The Stall Office is open 24 hours a day.

## ENTRY AGREEMENT

Release, Assumption of Risk, Waiver and Indemnification

This statement waives important legal rights. Read it carefully before signing any entry forms and/or before participating in any class as an owner and any of his/her representatives, authorized agent, trainer, lessee, rider, driver and/or handler.

I AGREE in consideration for my participation in the World Championship Appaloosa Show ("Competition") to the following:

I AGREE that I choose to participate voluntarily in the Competition with my horse(s), as a rider, driver, handler, lessee, owner, agent, coach, trainer, or as parent or guardian of a youth exhibitor. I am fully aware and acknowledge that horse sports and the Competition involve inherent dangerous risks of accident, loss, and serious bodily injury including broken bones, head injuries, trauma, pain, suffering, or death ("Harm").

I AGREE to release the Appaloosa Horse Club, ("ApHC"), the Competition, officials, officers, directors, employees, specialty associations, independent contractors, agents, personnel, volunteers, the Will Rogers Memorial Center, the Fort Worth Convention & Visitors Bureau, the City of Fort Worth, EMTs, trade show vendors, sponsors and/or other sponsoring organizations if any, (collectively the "Released Parties"), from all claims for money damages or otherwise for any Harm to me, my horse(s) and/or my property and for any Harm caused by me, my horse(s) and/or my property to others, even if the Harm resulted, directly or indirectly, from the negligence of the Appaloosa Horse Club, any of the Released Parties and/or the Competition.

I AGREE to assume all liability and responsibility for any accidents, injury or damages sustained or caused by myself, my helpers, my stock or my equipment and I AGREE to expressly assume all risks of Harm to me or my horse(s), including Harm resulting from the negligence of the ApHC, the Released Parties or the Competition.

I AGREE to indemnify (that is, to pay any losses, damages, or costs incurred by) the ApHC, the Released Parties and the Competition and to hold them harmless with respect to claims for Harm to me or my horse(s), and for the claims, demands, cause of

accident, cost of charges and expenses of every kind and nature which may be incurred by reason of any accident, injury, or damage to person or property caused by ownerships, exhibition, or custody or control of any animal exhibited, made by others for any Harm caused by me, my horse(s) and/ or my property at the Competition.

I have read the Appaloosa Horse Club rules about protective equipment, including protective headgear, and I understand that I am entitled to wear protective equipment without penalty, and I acknowledge that the Appaloosa Horse Club, strongly encourages me to do so while WARNING that no protective equipment can guard against all injuries. I further understand that any minor child entered in the Competition is required to wear protective headgear during games classes.

**I AGREE that participation includes possible exposure to illness from infectious diseases including but not limited to COVID-19. While particular rules and personal discipline may reduce this risk, the risk of serious illness and death does exist. I knowingly and freely assume all such risks related to illness and infectious diseases, such as COVID-19, even if arising from the negligence or fault of the ApHC, the Released Parties and/or the Competition; and I hereby knowingly assume the risk of injury, harm and loss associated with the Competition, including any injury, harm and loss caused by the negligence, fault or conduct of any kind on the part of the ApHC, the Released Parties and/or the Competition.**

**I AGREE to hereby release and forever discharge the ApHC, the Released Parties and/or the Competition from any claim whatsoever which arises or may hereafter arise on account of any first aid, treatment, or service rendered in connection with my participation in the Competition.**

I AGREE to furnish all health documents required by the Competition for each horse entered, upon request of the show management and understand that any horse that develops a contagious disease during the show will be immediately quarantined and/or removed from the grounds under the instructions of the Show Veterinarian or State Veterinarian.

I AGREE that the ApHC has the sole right to control, sell, rent, supervise or give away (or to assign others the right to do so) the exclusive rights to photograph, broadcast, televise, reproduce, transmit and disseminate all or part of this event. I authorize the ApHC to make use of any photographs, films or video taken of the horses and exhibitors entered, while on the grounds or in transit between the stabling facility and the event site, in any way they see fit in the promotion of the Competition or the ApHC. No such advertising or promotional rights shall include the right to use a participant's name or likeness in a manner that implies endorsement of any company, product category or service.

If I am a parent or guardian of a youth exhibitor, I consent to the child's participation and AGREE to all of the above provisions and AGREE to assume all of the obligations of this Release on the child's behalf.

I AGREE that the "ApHC" and "Competition" as used above includes all of the officials, officers, directors, employees, agents, personnel, volunteers and affiliated organizations.

I represent that I have the requisite training, coaching and abilities to safely compete in this competition.

By signing the entry blank, I AGREE to be bound by all applicable Appaloosa Horse Club rules and all terms and provisions of the ENTRY AGREEMENT. In the event of failure to sign an entry form, the first entry in a class will be deemed acceptance of said rules.

## COVID PROTOCOLS/PROCEDURES

Currently there are no COVID restrictions in place that are required in order to attend the show. The Will Rogers Memorial Center continues to have enhanced cleaning protocols in place. Attendees are encouraged to take precautions to protect themselves and others around them from COVID and other airborne diseases by self-monitoring and isolating if you are sick, by washing your hands frequently, using hand sanitizer and using a face covering when social distancing cannot be maintained.

### Arena/Paddock Procedures related to Physical Distancing

- Animals should be spaced a minimum of 6' apart when lining up at the conclusion of classes and when on the rail awaiting class results.
- When exhibiting horses in-hand (halter, showmanship, hunter in hand, longeline), horses should be spaced a minimum of 12' apart to allow for judges to inspect horses and maintain social distancing space.
- Showmanship exhibitors shall stop and set up for inspection at least 6' away from the Judge. This will be designated in all showmanship patterns.
- Paddocks are limited to the horse/exhibitor in the next class and one trainer/coach/parent per exhibitor.
- Trail and ranch trail patterns will not include obstacles that will be touched by multiple exhibitors. In ranch trail, exhibitors may be required to provide their own equipment for the purpose of some obstacles. This information will be included in published patterns.

## ELIGIBILITY

Qualifying requirements for the 2021 World Show have been waived.

## NON-QUALIFYING CLASSES

All open and non-pro classes at the 2021 World Championship Show are non-qualifying.

## OWNERSHIP & MEMBERSHIP

Any horse exhibited at the show must be registered in the owner's name at the time of showing and must be entered as such.

**All owners and exhibitors of horses being exhibited in open and non-pro classes at the show must be current members in good standing with the ApHC.** If purchase of an ApHC membership is necessary, membership fees MUST accompany the entries or memberships can be purchased online at [www.appaloosa.com](http://www.appaloosa.com). An ApHC membership application is available at [www.appaloosa.com](http://www.appaloosa.com). Youth may obtain a youth membership to fulfill the ApHC membership requirement. Exhibitors and owners must also be members of an ApHC regional club and may be required to show proof of such membership.

In order to compete in non-pro classes, the non-pro or member of their immediate family (per rule 900.J) must own or co-own the horse as evidenced by ApHC records prior to the first day of the show. Therefore, all transfers must be completed by the close of business on October 28, 2021. The competing non-pro must be a current ApHC member, enrolled in the non-pro program and must meet all eligibility requirements as stipulated in the *Official Handbook* of the ApHC. **Unrelated non-pros may not show the same horse in non-pro division classes at the World or National Championship Appaloosa Shows.**

**NOTE: The original Certificate of Registration must be presented in the show office at the show to obtain your back numbers.**

## ENTRIES

**Entries must be submitted electronically via the ApHC online entry program or in writing. If submitted in writing, entries must be made on printed entry forms furnished by the ApHC (copies of printed forms accepted), signed by the proper parties and accompanied by all entry fees, equipment charges, cattle charges and a completed W-9 form for the first listed owner on the Certificate of Registration.** Entries will not be accepted by telephone.

Exhibitors are responsible for any errors on their entry forms. Entries lacking sufficient information or not accompanied by all required fees will not be accepted.

Changes to entries must be submitted in writing. Changes to entries will not be accepted by telephone. The ApHC is not responsible for lost or late entries or for entries faxed or emailed. **The ApHC recommends using the online entry system or certified/registered mail as these options provide immediate confirmation that your entries were received.** Exhibitors are responsible for ensuring that faxed entries are received by the ApHC.

The IRS requires the ApHC to obtain the correct taxpayer identification number (TIN) for persons for whom we have to file an information return (i.e. 1099 Miscellaneous for premium payback). This form must be completed by the owner or in the case of multiple owners, by the first listed current owner. If the correct TIN is not provided, subsequent payments can be subject to backup withholding per IRS regulations. **Premium checks and/or award checks will not be issued until the ApHC has a W-9 on file for all persons receiving these checks.** You are required to complete a W-9 with the appropriate certifications and submit it with your entry. This information must be provided to the ApHC regardless of the age of the owner. Your exhibitor packet will be held if this form is not submitted with your entry. A W-9 form is available on the ApHC web site.

The social security number listed on the W-9 should be that of the owner, or in the case of multiple owners, that of the first listed current owner on the Certificate of Registration. No other social security number is acceptable. International residents must complete IRS Form #W-8ECI or the ApHC must deduct 30% of any monies earned.

Social security numbers must be provided for individuals. Taxpayer identification numbers will not be accepted in lieu of a social security number for individual owners. This information must be provided to the ApHC regardless of the age of the owner.

Entries sent by Federal Express, UPS, certified mail, return receipt or Express mail should be mailed to:

Appaloosa Horse Club  
World Show  
2720 W Pullman Road  
Moscow, Idaho 83843  
Entries may be faxed to (208) 882-8150

**Exhibitors are responsible for verifying that their entries have been received in the ApHC office.** If you fax entries or stall reservations, DO NOT send originals in the mail as this will likely result in duplicate charges if paying by credit card. If you fax entries or stall reservations, please allow four (4) hours of processing time before calling the ApHC to determine if your entries and/or stall reservations have been received. **Faxed copies of checks are not considered payment and entries and/or stall reservations will not be accepted until actual payment is received.** Appaloosa Horse Club switchboard hours are Monday through Friday, 8 a.m. – 4 p.m. PT.

**October 1 (entries submitted in writing using official entry forms must be received in the ApHC office by this date)**

**October 6 (entries submitted using the online entry system must be entered and paid for online by 11:59 p.m. PT)**

All entries must be in the ApHC office by the appropriate pre-entry deadline listed above in order to receive pre-entry prices and to be included in the Official Program. No supplement will be printed.

Entries will be accepted after this date/time with a **post-entry fee of \$40/class**. NO EXCEPTIONS WILL BE MADE. Post-entry fees are not assessed for NSBA entries, equipment charges or cattle fees in working cow horse, boxing or roping. Post entry fees WILL BE assessed to cattle fees in cutting classes. Post entries must be made by 6:00 p.m. the day prior to when the class to be entered is scheduled.

Entries not processed using the on-line entry system or not received in the ApHC office by October 6 must be taken to the show, not mailed to the ApHC.

The World Show program will list all entries that were received by the published pre-entry deadlines.

#### ADMINISTRATIVE CHARGE

There will be a \$50 one-time administrative charge, which includes drug-testing charges for each horse entered in the World Show. This fee is assessed only one time per horse regardless of the number of classes in which the horse is entered. For example, if a horse is entered in non-pro and open classes, only \$50 is due. For further clarification, see DRUG TESTING.

#### PAYMENT PROCEDURES

All entries must be made payable to the ApHC in U.S. funds drawn on a U.S. bank. Payment may be made in the form of personal checks, Visa, MasterCard, Discover or money order. The ApHC does not accept American Express as a form of payment. A 3% surcharge will be added to all credit and debit card charges.

If you are paying by debit or credit card, you are advised to contact your bank or credit card issuer in advance about charges in excess of \$200 (or your bank card daily limit) to avoid the charge being declined for security reasons. **Cards declined by the bank will be treated as insufficient funds and may result in your horse being excluded from the program and/or late stall penalties or post entry fees being assessed.**

Any check returned to the ApHC office due to insufficient funds will require certified funds and payment of a returned check charge in order for entries to be processed. If the customer has not paid all charges for returned checks prior to the World Show, the agent/owner must bring certified funds to the show office for the entries to be processed.

The ApHC shall collect funds for entry and/or stall fees in which a credit card was declined or in which a check has been returned due to insufficient funds before processing entries or stall reservations.

**The date at which funds are secured for declined credit cards or insufficient funds checks will be acknowledged as the date the entries and/or stalls are received and processed. Post-entry fees and late stall charges may be assessed to entries for which**

**funds have been declined and which have not been cleared prior to the pre-entry deadline.**

#### CHECK-IN PROCEDURES

PLEASE BE RESPONSIBLE EQUINE INDUSTRY STEWARDS AND ADHERE TO THESE GUIDELINES FOR THE SAFETY AND WELL-BEING OF ALL THOSE IN ATTENDANCE AT THE SHOW.

Please refer to the following check-list to help you get your horse checked in, safely stalled and ready to show.

1. Upon arrival, check in at the stall office (**Moncrief building**) – provide stall office personnel with the registered name of your horse(s) and the name of the person listed as “stalled with” on the stall reservation form you originally submitted. Stall personnel will give you a stall ledger listing your stall number(s) and give you directions to your stalls. **If you purchase a stall at the show it must be paid for at the time the request is made – stalls will not be unlocked until payment is made.** Please keep your ledger as proof of purchase to present in the show office when picking up your exhibitor packet. If you have received a confirmation letter in which a horse is listed as “not stalled”, it will be necessary to purchase or confirm the purchase of a stall for the horse and provide the stall ledger to the show office when picking up your exhibitor packet.
2. Check into the show office (Richardson/Bass Building) – **To pick up your exhibitor packet that includes the exhibitor numbers, you must present the following items at the show office:**
  - a. Original Certificate of Registration (**PHOTOCOPIES WILL NOT BE ACCEPTED**), and
  - b. Current (within 30 days) health certificate dated on or after September 29, 2021 and
  - c. Current (within 12 months) proof of negative Coggins signed by a licensed veterinarian dated on or after October 29, 2020.Additionally –
  - d. If your horse is listed as “not stalled” on your confirmation letter, you must present the stall ledger given to you upon check-in at the stall office when picking up your exhibitor number.
  - e. Completed proof of accommodations form if not previously submitted.
3. Check your horse through the Inspection Station (Burnett Building). Take your horse, your horse’s **ORIGINAL** Certificate of Registration and the horse’s exhibitor numbers to the inspection station. All horses entered in the show must be inspected against their original papers and have the inspector place a stamp on the exhibitor numbers for that horse prior to being allowed entry into any class.

## CERTIFICATE OF REGISTRATION

**Original Certificates of Registration must be presented to the Show Office** when picking up exhibitor packets for each horse and then to the Inspection Station prior to showing. **PHOTOCOPIES WILL NOT BE ACCEPTED!**

It is not the responsibility of the ApHC to provide original Certificates of Registration. You must pick up your exhibitor packet before going to the inspection station.

Horses that have not been inspected by the Official Inspector will not be allowed to show.

## HEALTH INSPECTION

All horses (including weanlings) must be accompanied by a current 30 day health certificate (dated on or after September 29, 2021) as well as a current, within 12 months, proof of negative Coggins (dated on or after October 29, 2020), and administered by a licensed accredited veterinarian showing positive identification of the horse, the horse's temperature and the name and address of the laboratory performing the tests.

If Coggins and health papers are not available, the horse will not be allowed to unload on the grounds or shall be required to quarantine on grounds until these documents are received, will not be allowed to compete until documents are received and fees will be forfeited.

**Make sure the veterinarian uses registered names on Coggins and health certificates rather than "barn names."**

Exhibitor packets containing exhibitor numbers will not be released until all appropriate health documents have been received.

All horses are subject to inspection by the show veterinarian or State Veterinarian if suspected of harboring a communicable disease. All horses must be serviceably sound.

The attending show veterinarian recommends all horses be vaccinated for tetanus, influenza, rhinopneumonitis, EHV-1 and West Nile Virus.

## EXHIBITOR NUMBERS

One exhibitor number will be assigned to each horse. This number will be used for all classes in which the horse is entered. If the horse is entered in more than one division (open & non-pro or ApHC & a specialty association class) one exhibitor number will be issued.

In addition to ApHC classes at the World Show, there are various specialty associations conducting classes. In cases in which the horse is already entered in ApHC classes at the World Show, the horse should be shown in specialty association classes using the exhibitor number issued by the ApHC. In cases in which the horse is not cross-entered in ApHC classes at the show, exhibitors must pay a one-time drug testing fee of \$50/horse and get their exhibitor numbers from the ApHC show office. **To receive an exhibitor number, horses must be entered using the ApHC online entry system.**

All exhibitor numbers for ApHC-registered horses MUST be stamped by the official World Show inspector, **even if not entered in ApHC-sponsored classes.** Please see INSPECTION STATION for complete instructions.

In order to receive a back number, all other show requirements must be fulfilled including presentation of the horse's original Certificate of Registration, proof of negative Coggins, health certificate and the horse must be stalled. In addition, the owner and exhibitor must be current ApHC members in good standing and must be members of an ApHC regional club.

**Please see HEALTH INSPECTION for information pertaining to required health papers for all horses on the grounds,**

**regardless of whether they are entered in ApHC World Show classes.**

After picking up your exhibitor number, you must have your horse inspected. Please see INSPECTION STATION for complete instructions.

To ensure that your placings are accurate, it is essential that the correct exhibitor number is used for all classes and displayed in the correct manner (see rule 711.M of the *Official Handbook of the ApHC* for complete rules for each class). Failure by exhibitor to display the correct number and in a visible manner while being judged shall result in disqualification from the class.

## SUBSTITUTIONS

If substitution of a horse is necessary in a non-pro class or of an exhibitor in an open class, such changes must be made prior to the class entering the arena. **No exhibitor or horse changes will be accepted at the announcer's stand or paddock.**

**No exhibitor changes will be allowed in non-pro classes. No horse changes will be allowed in open classes.**

**Exhibitor and/or horse changes must be completed on an official form (located in the ApHC World Show office).**

Any horse entering the arena in which the exhibitor is anyone other than the one on record with the ApHC show office and in which an exhibitor change has not been filed with the show office prior to the class entering the arena will be disqualified.

## VET SCRATCHES/REFUNDS

Horses that become sick or injured PRIOR to the start of the show must submit a vet's statement concerning the condition of the horse, the horse's registration name and number and date the sickness or injury occurred. This documentation must be received in the ApHC Show Office PRIOR to that horse's first class for any refund to be considered. As of the first day of the show, only statements from the Official Show Veterinarian, along with an official class scratch form, will be accepted for horses that become sick or injured on the show grounds. All documentation must be in the Show Office PRIOR TO THE CLASS ENTERING THE ARENA. Forms/documentation received after the class has entered the arena will not result in any refunds of any kind.

If a horse does not compete in a class in which it is entered and a vet certificate and official scratch form has NOT been received, the entry fees will be forfeited.

If a horse is disqualified from showing by management or officials or if a horse is entered and not shown, all fees will be forfeited.

**Cattle and equipment charges are non-refundable** unless in cases where horses are vet scratched 15 days prior to the first day of the show (vet scratch must be received by October 13, 2021).

The above-mentioned are the only instances in which refunds will be allowed. At the conclusion of the show and after the completion of a financial review, the class entry fee(s) will be refunded less a \$20 per class office charge.

**Absolutely no refunds for administrative/drug testing fees, equipment fees (after 10/13), cattle fees (after 10/13), NSBA fees, ApHCF practice class fees, RV fees, Stallion Service Auction Incentive class fees, credit card surcharge fees or stall fees will be given under any circumstances.**

Refund checks, for all entries originally paid by check, will be mailed to exhibitors approximately 30-45 days following the last day of the show. For all entries paid by credit card, refunds will be credited to the original credit card approximately 30-45 days following the last day of the show. No refunds will be made on amounts of \$10 or less.

#### INSPECTION STATION

**All ApHC-registered horses must report to the inspection station PRIOR to showing in their respective classes, including if only showing in classes conducted at the show by a specialty association.**

**The horse's original Certificate of Registration and exhibitor number must be presented to the Official Inspector prior to showing.** Horses will not be allowed entry into the arena for any class until that horse has passed through the inspection station and that horse's exhibitor number has been stamped by an Official Inspector.

The inspection station will be open from 8 a.m. to 5 p.m. on October 28, and from 7 a.m. to 5 p.m. each day thereafter. **If it is necessary for an inspection to be performed outside of these hours an inspector may be available; however, the exhibitor will be charged \$100 per horse payable at the time of the inspection.** The ApHC suggests you pick up your exhibitor number (contained in your exhibitor packet) in the show office and have your horse inspected as soon as you arrive on the grounds to avoid long lines prior to your class.

The inspector may, at his sole discretion, refuse to allow a horse to participate if the registration of the horse appears invalid or otherwise improperly issued. If an Official Inspector refuses to permit a horse to participate, the owner has the right to appeal such refusal to the appeals committee of the ApHC Board of Directors (see Rule 273 of the *Official Handbook of the Appaloosa Horse Club*).

#### DRUG TESTING

All horses entered in the show, and/or on the grounds, are subject to drug testing. For complete rules and regulations concerning drug testing procedures, refer to rule 40 of the *Official Handbook of the Appaloosa Horse Club*. The owner, trainer or other responsible party must witness the blood or urine sample collection and sign the forms required by the veterinarian. Failure to do so waives any subsequent objections to the testing process or results. All awards will be issued pending drug test results. If a horse is tested positive for unapproved drugs or unacceptable levels of approved medication, all ribbons, trophies, and other awards must be held in escrow by the ApHC until notification of the disciplinary committee's decision.

Drug tests will be administered at the discretion of the ApHC. Those horses selected for testing must report to the drug testing station immediately following each class or random request. Once blood and urine samples have been collected, the horse may leave the testing stall. Drug testing procedures will be strictly enforced.

#### OFFICIAL VETERINARIAN

In the event the ApHC designates a properly licensed veterinarian or veterinarians as the official veterinarian(s) or official drug testing veterinarian(s) for an ApHC-approved or sponsored event including, but not limited to, the National Show and World Show, as a service to exhibitors and other persons, and any exhibitor or other person directly or indirectly employs, retains, hires or otherwise utilizes the services, advice and/or expertise of such official show veterinarian(s) or official drug testing veterinarian(s), the ApHC shall not in any manner or to any extent whatsoever be liable or responsible for any action, conduct, decisions or services by such official show veterinarian(s) or official drug testing veterinarian(s). Such exhibitor or other person expressly releases and holds harmless the ApHC from any

and all claims, liabilities, losses or actions of any kind arising from or in connection with the exhibitor or other person's employment, retention, hiring or utilization of the services, advice and/or expertise of such official show veterinarian(s) or official drug testing veterinarian(s).

**There may be veterinarians other than the ApHC Official Veterinarian on-site, however vet scratches will not be accepted from anyone other than the ApHC Official Veterinarian.**

#### CLASS PROCEDURES

The ApHC has established class procedures to benefit the majority of exhibitors participating, within the limits of available budget, manpower and time.

#### CLASS PATTERNS

Patterns will be available to download (at no charge) on the ApHC website on October 16. Pattern books will be available in the show office and in the stall office at no charge. Patterns will be posted in the paddocks the day of the class.

#### DISQUALIFICATION

Any exhibitor, horse or owner disqualified from any class for any reason shall not receive a refund. When disqualification occurs by the show management or judges, the decision is final. In addition to other disqualifications as outlined in the rules and regulations contained in the *Official Handbook of the ApHC*, judges (including equipment judges) shall have the authority to disqualify entries for illegal equipment or attire, inhumane treatment, unsoundness/lameness or the presence of blood on the horse. See rule 30 of the *Official Handbook of the ApHC* for more information.

Exhibitors are not allowed to wear earpieces or to have wireless contact with anyone during the course of a class. Exhibitors in violation of this rule shall be disqualified.

In response to industry developments, the ApHC Board of Directors has agreed that the use of magnetic devices in clothing in showmanship, horsemanship, hunt seat equitation and saddle seat equitation constitutes an unfair advantage for exhibitors and shall not be allowed at ApHC-sponsored shows (Youth World, National Show, World Show). Magnetic devices must be removed prior to competition or the exhibitor shall be disqualified. This show management rule is effective immediately.

The use of belly bands is prohibited anywhere on the show grounds at ApHC-sponsored shows (Youth World, National Show, World Show).

#### WORKING ORDER

All working orders in elimination and final classes will be decided or drawn by show management in accordance with official ApHC rules. **If you or your horse are entered in back-to-back or concurrent classes and feel that this will cause a time constraint, you must inform the show office by 6 p.m. the day prior to the classes and request a change in the order of go. Adjustments shall only be requested for direct horse or exhibitor conflicts. No adjustments will be made for trainer's convenience or non-show conflicts – order of go adjustments are made for direct horse and/or exhibitor conflict.** If possible, show management will then adjust your working order. If you do not contact the show office prior to 6 p.m. the day before the class in question, we may not be able to accommodate your request. Once working orders or cuts have been posted, changes will not be made unless approved by show management.

## PADDOCK PROCEDURE

Only exhibitors and their horses are allowed in the alleyway and holding area. This policy applies for the duration of the class, including eliminations and finals, etc. Once the horse has entered the paddock, only exhibitors entered in the class will be allowed to handle or ride their own horse. *For safety reasons, exceptions may be made to this in over-fence classes when an exhibitor is showing more than one horse in a class. Exceptions must be approved by the paddock manager.*

Grooming is prohibited in these areas including, but not limited to, any type of spraying.

**Barn calls are a courtesy and will be made for each class and for all exhibitors entered in each class. Regardless of the circumstances, it is the exhibitor's ultimate responsibility to report to their class on time. Exhibitors must check in with the paddock announcer.**

Paddock personnel will call exhibitors to enter the arena in their posted order of go. All horses must be ready and waiting in the make-up arena so they may enter the main arena promptly when called.

In classes in which an order of go has been posted, entries not entering the arena for judging in their posted order of go have missed their class and will not be allowed to enter the arena to compete.

In classes in which a time limit has been given to enter the arena, entries not in the arena at the expiration of that time limit have missed their class and will not be allowed to enter the arena to compete.

Late entries will not be admitted into the arena once the gate has been closed.

Entrants are not permitted to enter the arena for judging unless the horse has been through the inspection station and the exhibitor numbers have been stamped by an official inspector. **No refunds will be issued for missed classes.**

## EQUIPMENT JUDGE

An equipment judge(s) shall be employed by and be a representative of the ApHC. The equipment judge shall be responsible for attire and equipment rule interpretations. (Final interpretations are the responsibility of show management). All bits, tack, appointments and attire shall be checked by the equipment judge prior to the exhibitor entering the arena. Any equipment considered to be inhumane or illegal by the official equipment judge must be removed or entry into the arena will be denied. The equipment judge and/or judges in the arena may disqualify an entry for illegal equipment, improper attire, inhumane treatment, unsoundness/lameness or the presence of blood on the horse. See Rule 30 in the *Official Handbook of the ApHC* for complete rules regarding inhumane treatment.

The equipment judge(s) shall have the authority to call for a blood and/or urine test on any horse.

The equipment judge(s) may serve as an alternate show judge at the discretion of show management.

## BLOOD DISQUALIFICATION

In all classes and all divisions of classes, judges and/or equipment judges may disqualify horse(s) from the class if fresh blood is found on the mouth and/or body areas of a horse (i.e. including but not limited to the barrel, flanks, belly, sides, shoulders). **Judges and/or equipment judges have the sole authority to determine if the blood found on the horse warrants disqualification from the class and the judge's or judges' decision is final and not subject to protest.**

## LAMENESS

Rules regarding lameness are adopted to protect the health of Appaloosas exhibited in ApHC-approved and -sponsored shows. At show management's discretion, either at the beginning and/or upon completion of a class or individual work, prior to leaving the arena the horse shall be asked to perform movements/maneuvers on a loose rein or lead to demonstrate soundness. Exhibition in any class of a horse that is lame, as determined by show judges, shall be cause for disqualification. See rule 712 in the *Official Handbook of the ApHC* for complete rules regarding lameness. A judge's decision as to the lameness of a horse is final and not subject to protest.

## INHUMANE TREATMENT

The ApHC is committed to the humane and proper treatment of all animals. The welfare of the horse is the primary consideration in all activities. Horses will be treated with kindness, respect and compassion at all times. Owners, exhibitors, trainers and all responsible parties must ensure the health and well being of animals in their care at all times including, but not limited to, handling, transportation, training, treatment and stalling.

Per Rule 30.A.1 of the *Official Handbook of the Appaloosa Horse Club*, no person may treat a horse in an inhumane manner which includes but is not limited to:

- Placing an object in a horse's mouth so as to cause undue discomfort or distress.
- Tying a horse in a manner as to cause undue discomfort or distress including but not limited to in a stall, trailer or when longing or riding.
- Letting blood from a horse.
- Use of inhumane training techniques, equipment or methods including but not limited to poling or striking horse's legs with objects (i.e. tack poles, jump poles, etc.)
- Attaching any item or appliance that restricts movement or circulation of the tail.
- Inhumane treatment that causes a horse to bleed.
- Any surgical procedure or injection of any foreign substance or drug which could affect the horse's performance or alter its natural conformation or appearance is prohibited, except for those surgical procedures performed for the sole purpose of protecting the health of the horse.
- Exhibiting a horse that appears to be sullen, dull, lethargic, emaciated, drawn or overly tired.
- If fresh blood is found on any mouth and/or body areas of a horse, (i.e.: including but not limited to: barrel, flanks, belly, sides, shoulders) the judge(s) must excuse the horse from the competition.
- Withholding food and/or water for prolonged periods of time such that it causes undue discomfort or distress to the horse.
- Excessive spurring or whipping;
- Excessive jerking of reins;
- Excessive fencing;
- Excessive or aggressive spinning;
- Use of prohibited equipment, including, but not limited to: saw tooth bits; hock hobbles; tack collars; or tack hackamores; riding in a curb bit without a curb strap; wire or solid metal curb straps no matter how padded; wire cavesson; wire or cable tie-downs (un-less wrapped or padded); bumper bits; metal bosals (no matter how padded); chambons; headstalls made of metal (no matter how wrapped or padded), twisted rawhide, or rope may not be used on a horse's head (3/8 inch rope may be used with a slip/gag bit); running martingales used with curb bits and/or used without rein stops;
- Applying excessive pressure on or excessively jerking a halter

- Any other treatment or conduct deemed by a show official to be inhumane or abusive.
- Exhibiting a horse that has an open, raw or bleeding sore that repeatedly comes in contact with the hackamore.

The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be cruel, abusive or inhumane.

**A Show Steward may be employed by and be a representative of the ApHC. He/she shall monitor the treatment of horses on the WRMC property.** Upon discovery by a show official, show steward or barn monitor of inhumane treatment, show management may immediately disqualify the horse and exhibitor and report the matter to the ApHC for further disciplinary action.

#### STALL RESERVATIONS

**Pre-Entry Deadline: Received in office (with complete payment) by October 1**

You must complete the ApHC stall reservation form found online. Please complete only one form per trainer/ranch/group. You must have your stalling information in the ApHC office by the pre-entry deadline to receive preferred stabling and pre-entry deadline prices. Stall location and/or availability are not guaranteed.

Late fees shall be assessed to both regular and daily stalls if the reservations are received after October 5. Late fees are \$100 per stall or \$45 per stall per day for daily stalls.

Stall reservations not received in the ApHC office by October 8 should be taken to the show and submitted to the stall office upon arrival.

Horses other than those registered with the Appaloosa Horse Club may be stalled on the grounds. However, ApHC-registered horses have stalling priority. Non-Appaloosa horses may be stalled with Appaloosa horses depending upon space availability. Stalling of all horses, including those not registered with the ApHC, is at the sole discretion of show management.

#### STALL FEES:

- \$275 (\$375 late) each – Burnett Building, Richard-Bass Building, Moncrief Building, Barn A (Equestrian Multi-Purpose Building)
- \$250 (\$350 late) each – Barn 4
- \$75 (\$120 late) per night - Daily Stalls are all located in Barn 4 or Barn 3.

No stall reservations will be accepted without full payment of all stall fees. See PAYMENT PROCEDURES for information on how to purchase your stalls.

The stall reservation form must be completed and submitted with each horse's registered name and registration number. List all horses that will be occupying stalls. List all tack/feed stalls separately as "TACK/FEED". If your horse is in the process of being registered, include it on the stall card with the registration name and number as "REGISTRATION PENDING". Please indicate your first and second choices for stall locations (Refer to WRMC Facility Map online for building locations) and include aisle or end location and any other notes that may be helpful for personnel assigning your stall location. The number of stalls requested cannot exceed availability in that area.

If you are stalling with a trainer/ranch/group, send all stall requests AND PAYMENTS in the same envelope, choosing just one trainer/ranch/group name for the "stalled with" person. Include the total number of stalls on one card only. Stall requests

not included in the same envelope or not faxed together are not guaranteed to be stalled together.

**NOTE:** The person listed as "stalled with" is responsible for all money due and will be held liable for all damages reported to stalls and is responsible for any payments due for damage or stall panels that are removed and not replaced by the exhibitor.

**ApHC will attempt to stable each trainer/ranch/group according to choices requested on the stall reservation form. However, stabling decisions are made based upon the stabling history of the person listed as "stalled with" at this show and based upon the availability of stalls in the requested area(s).**

If you request additional stalls upon arrival, or after the original request is received, those stalls must be paid for at the time of the request and may not be located with your other stalls. Stalls purchased after October 1 will be at late prices regardless of when you purchased your original stalls.

All reservations or changes to original reservations must be made in writing to the ApHC office. **Reservations or changes to current reservations will not be accepted over the phone.**

Stall locations will not be given out prior to your arrival at the WRMC. You must check in at the stall office in order to receive your stalling assignments.

#### STALL MOVE-IN/MOVE-OUT

Stalls will be available for move in after 7:30 a.m. Tuesday, October 27. **Do not arrive prior to this time as WRMC will be unable to accommodate early arrivals. Entry gates will be closed to allow for sanitizing/cleaning and waste removal between the previous show and the ApHC World Show.**

Stalls in all barns must be vacated by 11:59 a.m. Sunday, November 7.

All horses participating in the show, i.e. entered, turn-back, assisting or any breed of horse on the grounds must be stalled. Horses CANNOT be tied to horse trailers.

Exhibitors are not allowed to change stalls without the approval of the stall manager. If you change stalls without the approval of the stall manager, you will be charged for both stalls. Stalls cannot be re-sold.

Air conditioning and/or heating units are not allowed in the barns. Individual cooling units will be confiscated until the end of the show.

**Will Rogers Memorial Center (WRMC) will assess a charge of \$15/panel for any portable stall panel that is removed during the show. These panels may be placed in the barn aisle prior to the start of the show. WRMC will remove the panels and replace them after the show. Exhibitors removing stall panels will be assessed these fees after the conclusion of the show upon ApHC receipt of the WRMC invoice.**

**Exhibitors may choose to fold back the stall panels in the portable stalls and zip-tie those and then re-assemble the stall at the conclusion of the show to avoid these charges. Stall panels in permanent stalls shall NOT be removed under any circumstances.**

#### STALL DECORATIONS

If your stalls are located on an aisleway in the Burnett, Richardson-Bass, Moncrief or Equine Multi-Purpose buildings, the ApHC *requests* that they be decorated for the duration of the show for presentation to the public and to minimize any potential hazards that occur while assembling decorations and which may cause harm to fellow exhibitors and horses. If they are not, you may not receive consideration for that location at subsequent shows.

## ELIMINATION, FINALS AND SCORING

### Scoring

For the majority of classes either a four-judge or a three-judge format will be used to compute placings. This will be determined by show management. In most four-judge formats, the low scores will be discarded and the remaining three scores added together to determine final placing. In the three-judge format, no scores will be discarded, all three scores will be added together to determine final placing.

In placed classes, the judge's placing will be converted into numerical scores according to this chart.

|        |     |         |    |         |    |
|--------|-----|---------|----|---------|----|
| 1..... | 120 | 6.....  | 55 | 11..... | 15 |
| 2..... | 105 | 7.....  | 45 | 12..... | 10 |
| 3..... | 91  | 8.....  | 36 | 13..... | 6  |
| 4..... | 78  | 9.....  | 28 | 14..... | 3  |
| 5..... | 66  | 10..... | 21 | 15..... | 1  |

### Cuts

In large classes when cuts are necessary, the cuts will be determined by a random draw. Each cut will enter the arena for judging and will be placed by all judges. Top placing entries from each cut will return to the arena for a final go-round. The same exhibitor must exhibit the same horse in both the cut and the final. The same equipment must be used on each horse in the cut and the final.

### Tie-Breaking Procedures

All ties, except first place in individual performance events, will be broken by a tie-breaking judge (pre-determined by show management before the class begins). If a tie occurs for first place in any individual performance class judged complete or in any individual performance class finals judged complete, there will be a work-off for first place only. Individual performance classes include western riding, reining, working hunter, cutting, trail, ranch trail, ranch riding and judged roping events.

In the event of a first-place tie in working cow horse, see Rule 741.F in the *Official Handbook of the ApHC* for tie-breaking procedures.

## Eliminations

Eliminations may be held in classes when warranted by the number of entries in the class and shall be at the discretion of show management. Any horse receiving a no-time or a no-score in an elimination round will be eliminated. In case of a tie, except in stumps and stake races, all those tied will go forward to the finals. In the event that it is not necessary to run an elimination round, the class will be run complete at the time the final round is scheduled.

In **Camas Prairie Stump Race** and **Nez Perce Stake Race**, if a tie occurs in an elimination round for the last position in the finals bracket, those horses tied will re-run on time only with the fastest time advancing.

In **timed calf roping, timed heading and heeling, and cutting**, the combined scores (cutting) and times (roping) in the elimination round and the finals will be used to determine the final placing. In the finals, the working order shall be determined by the times (in roping). The horse with the fastest qualifying time (in roping) will be the last to work in the finals for that class. The working order in the finals of any cutting classes will be determined by a random draw of those qualified to compete in the finals. In **timed heading and heeling**, the entrant must have the same helper in both the elimination and final rounds.

Once an elimination round has been held, no change of horse/ rider combination or tack/equipment is allowed for the finals.

In most classes, when possible the top 16 horses will be called back for the finals. In all cutting classes, the top 10 finalists will return for the finals.

## AWARDS

### Ribbons & Trophies

In all ApHC World Show and Youth World Show classes, a Champion trophy will be awarded to all first-place winners and the Reserve Champion trophy awarded to second place. Ribbons will be awarded for 1st through 10th place.

### Medallions & Non-Pro Medals

All ApHC open classes are medallion classes except green (western riding, western pleasure, trail, hunter under saddle) classes, ranch horse conformation, Champion of Champion classes, Windemere classes, freestyle reining, and stallion service auction futurity classes.

All non-pro classes are medal classes except non-pro yearling longeline (western and hunter), novice cutting, non-pro ranch horse conformation, non-pro walk/trot classes, and non-pro yearling in-hand trail.

There must be at least 3 horses shown in a class for it to be considered eligible for a medallion or non-pro medal.

### Escrow of Awards

All awards and premium/award checks will be issued pending notification of drug testing results. If a horse tests positive for unapproved drugs or unacceptable levels of approved medication(s), all ribbons, trophies, and other awards must be held in escrow by the ApHC until notification of the Disciplinary Committee's decision.

### Premium Payback

Halter and Performance classes: \$300 added to each class. Total purse includes \$30 of each entry fee (all horses entered in the class minus those vet scratched). Added money plus entry fee money will be divided as follows: 1st-40%; 2nd-25%; 3rd-15%; 4th-10%; 5th-5%; 6th-5%.

No premium payback will be given in non-pro equitation, horsemanship, showmanship or novice classes. All premium

checks will be mailed to the current, first-listed owner or lessee on record only (as determined by ApHC records at the time class is held). Any other arrangements for premium award payments are between trainer and owner(s) and are not the responsibility of the ApHC. When class size is less than 6 entries, all unpaid premiums are retained by the ApHC. For tax purposes, a 1099M for premiums won will be issued to the current owner of record at the time of the show. In the instance of multiple owners, a 1099M will be issued to the first current owner listed on the Certificate of Registration. The social security number listed on the W-9 form should be that of the owner, or in cases of multiple owners, that of the first listed current owner.

Premium and/or award checks will be mailed after drug test results are received by the ApHC.

## AWARD CALCULATIONS & TIE-BREAKING PROCEDURES

Horses will receive points toward special open and non-pro awards for 1st through 10th place. First place will receive 11 points, 2nd place will receive 9 points, and so on down to last place which will receive 1 point unless otherwise specified. If there are less than 10 horses in a class, scores will be based on the number competing with the 1st place horse receiving one more point than the number of horses in the class, the 2nd place horse receiving 2 fewer points than the 1st place horse and the 3rd place horse receiving 1 less point than the 2nd place horse and so on down to last place which shall receive 1 point unless otherwise specified.

Unless otherwise stated under individual award listing, in the case of a tie, the horse earning points in the greater number of classes that count toward that award will be the winner. If that fails to break the tie, the horse placing 1st through 10th over the greatest number of total entries will be the victor.

In the case of a tie in the non-pro division, the non-pro earning points in the greater number of classes that count toward the award will be the winner. If that fails to break the tie, the non-pro earning points in the greater number of performance classes will be the winner. If that fails to break the tie, the non-pro placing 1st through 10th over the greatest number of total entries will be the winner.

The ApHC does not accept responsibility for misprints in daily award tabulations. All information is not final until verified.

#### WORLD SHOW LEADING BREEDER

An award will be given to the breeder earning the most points from horses placing in the top ten at the World Championship Show.

For a breeder to be eligible, at least three of that breeder's horses must be exhibited. The breeder is determined by ApHC records. For example, John Doe (#123456) may compete against his wife Jane Doe (#654321) and against his farm John & Jane Doe Acres (#111222). The first listed breeder according to ApHC records and as printed on the Certificate of Registration will receive points for that horse's placing. This award will be calculated based upon pre-entries only. Horses will earn points counting toward the Leading Breeder Award for receiving 1st through 10th place. First place will receive 11 points, 2nd place will receive 9 points, and so on through 10th place which will receive 1 point unless otherwise specified. If there are less than 10 entries in a class, points will be computed based on the number competing. In case of ties, the breeder of horses placing 1st through 10th over the greater number of entries will be the winner. If that fails to break the tie, the breeder of horses placing 1st through 10th in the greatest number of classes will be the winner.

by one exhibitor who is able to show more than one horse in classes in which this is allowed. In this case, all placings earned by the exhibitor will count toward the award.

Points will be awarded to the exhibitor for 1st through 10th place. First place will receive 11 points, 2nd place will receive 9 points, and so on down to 10th place which will receive 1 point unless otherwise specified. If there are less than 10 horses in a class, scores will be based on the number competing with the 1st place horse receiving one more point than the number of horses in the class, the 2nd place horse receiving 2 fewer points than the 1st place horse and the 3rd place horse receiving 1 less point than the 2nd place horse and so on down to last place which shall receive 1 point unless otherwise specified. The highest point-earning exhibitor based on performance in all open classes will be named the overall high point exhibitor.

In case of a tie, the award will be presented to the exhibitor who 1) competed in the greatest number of classes. If that fails to break the tie, the award will be presented to the exhibitor who 2) defeated the greatest number of entries.

#### ALL-AROUND NON-PRO

In order to compete for all-around honors, a contestant must compete in at least 3 performance events. They must also compete in 3 or more categories (halter is considered one category). Novice non-pro, 35 & over non-pro, masters non-pro, walk/trot non-pro, Windemere, Champion of Champion classes, non-pro yearling in-hand trail and non-pro yearling longline (western and English) don't count toward these awards.

The winner of the all-around is determined by adding the points earned by each contestant and his/her horse in every approved class in which he/she has placed in the top ten. Points are compiled on a one horse-one exhibitor basis. A contestant may exhibit more than one horse; however, the points earned by the contestant with each will be compiled separately.

Scoring and tie-breakers for this award are outlined under AWARD CALCULATIONS & TIE-BREAKING PROCEDURES above.

No points are awarded to a disqualified contestant, regardless of the number in the class.

Categories for tabulation of the All-Around non-pro are listed below and ONLY the following non-pro classes will count toward this award:

- I. Showmanship at Halter
- II. Bareback Horsemanship, Hunt Seat Equitation, Hunt Seat Equitation Over Fences, Saddle Seat Equitation, Western Horsemanship
- III. Camas Prairie Stump Race, Figure 8 Stake Race, Keyhole Race, Nez Perce Stake Race

#### NON-PRO SPECIAL AWARDS

Novice non-pro classes, 35 & over non-pro classes, masters non-pro classes, non-pro walk/trot classes and non-pro ranch

conformation only count toward awards in those respective divisions. They do not count toward any other non-pro special awards.

Non-pro yearling longline (western and hunter), and non-pro yearling in-hand trail do not count toward any special awards.

A non-pro may use more than one horse and all points will be combined, except where specifically stated. **In classes in which a non-pro can exhibit more than one horse (trail, games, western riding, reining, cutting, roping, ranch riding, ranch trail, over fences etc.) only the non-pro's highest placing in each class will count toward the high-point award.**

#### WINDEMERE HUNTER CLASSIC

##### High-Point Classes & Calculations

(Round 1) Horses must show in O523 Pre-Green Hunter, O520 Green Hunter or O500 Working Hunter. Or the horse may be shown and count points in N170 Non-Pro Working Hunter or Y360 Youth Working Hunter but only if the horse is not being shown in any open working hunter class. These classes will be considered "Round 1" and each horse may earn points from one class in round 1 toward the overall high-point award standings. If a horse is shown in more than one open class in round 1, they will count points toward the award from the class in which they earned the highest number of points. (Example - if the horse places 1st of 3 horses in one class and earns 4 points and also places 5th in a class of 12 horses thereby earning 6 points, the horse will receive 6 points toward the high- point award in round 1.) Horses shall only count points from non-pro working hunter or youth working hunter toward the high-point award if they are not shown in any of the open classes listed above.

(Round 2) All horses competing for the Windemere Hunter Classic high-point award must enter O528 Windemere Hunter Classic in round 2. This is a working hunter class in which all horses compete against every other horse competing for the high-point award. Fence heights will vary in this class to allow for pre-green and green horses to maintain their class eligibility. The Pre-Green course will include fences ranging in height from 2'6" - 2'9". The Green course will include fences ranging in height from 2'9" - 3'0". The open course will include fences ranging in height from 3'0" - 3'3". The working order in the class will be determined by the fence height at which each horse jumps. Horses placing 1st

through 10th in the Hunter Classic in round 2 will earn points toward the high-point award. This is a non- qualifying class and any horse may enter regardless of whether or not they competed in round 1. Horses ridden by non-pro or youth competitors and not shown in any open classes will jump fence heights corresponding with their non-pro or youth classes.

Payback in this class will be according to Premium Payback rules contained in this premium book except that there will be no added money to the payback purse. Post entry fees apply to horses entered after the pre-entry deadline. All other rules contained in this premium book apply to entries in this class. Ribbons will be awarded through 10th place in this class.

(Round 3) All horses competing for the high-point award will compete in class O529 Windemere Hunter Under Saddle Classic. Horses will be shown at the walk, trot and canter both directions on the rail. Judges may ask for variations of gaits including extended gaits and/or hand gallop. Judges will place this class as a rail class. Ribbons will be awarded through 10th place in this class. Horses placing 1st through 10th in the Hunter Under Saddle Classic in round 3 will earn points toward the high-point award. This is a non-qualifying class but is limited to horses that competed in the Hunter Classic class in round 2.

The entry fee for this class is \$60. Post entry fee of \$90 is due for those horses entered after the pre-entry deadline. \$45 from each entry fee paid into this class (or \$65 from each post entry fee) will be paid back to the overall top point-earning horses in the Windemere Hunter Classic High-Point Award calculation.

See AWARD CALCULATIONS & TIE-BREAKING PROCEDURES for information on how points are awarded in each class/round toward the high-point award standings.

##### Awards & Sponsors

Awards will be given to the top 10 point-earning horses based upon calculations from all three rounds.

Sponsorship money received prior to the World Show will be paid back to top point-earning horses in the high-point calculations. In addition, a portion of entry fees from round 3 will be added to the payback purse for the overall high-point winners.

Additional information on payback and awards will be available at the World Show as the breakdown is dependent upon the number of horses entered.

#### STALLION SERVICE AUCTION INCENTIVE CLASSES

Horses entering these classes must meet all Stallion Service Auction eligibility requirements. Horses may enter one or more classes (if eligible) to compete for incentive monies.

There is a \$150 pre-entry fee for each class with a post entry fee of 1.5 times the pre-entry fee (or \$225). Post entries must be received and paid for by 6 p.m. the day prior to the day each class is scheduled. No refunds will be issued in Stallion Service Auction incentive classes.

World Show trophies and ribbons will be presented in each class. Incentive payouts will be held pending notification of drug testing results.

Payouts will be issued according to the following scale.
