GENERAL RIDE INFORMATION

OFFICIAL RIDE TIME

The Official Timer records the official time using the time clock(s) placed in the timing area; the time called and/or written is the official time.

LD CHALLENGE

This Challenge will be open to any rider/equine combination that plans to ride all 3 days (25 miles a day) in the Open LD rides. The rider must pay the \$20 entry fee for the LD Challenge before the start of the first day. This is in addition to the entry fee for each individual open ride. Because we encourage the very best care of our horses, all LD riders must reach a **60** for pulse down criteria and will have a CRI in the final Vet Check for each day. On the 3rd day, the entries in the LD Challenge will have a final Vet Check score. The placings for the 3 days will be converted into a point score which will be added to the point score for the final Vet Check to determine the 1st-5th winners. All rules are available on the AHA Distance National Webpage under Rider Information which can be found at www.arabianhorses.org/DNL.

DOGS

Dogs must be on leashes or otherwise restrained at all times. Dogs are not allowed in the dining area.

TERRAIN

Trails are mostly woods horse trail and old logging roads with excellent dirt footing. There is a nice mixture of easy, flat soft footing and hills, including several 500 ft changes in elevation. There are some rocky sections when climbing in and out of the creek and river gorges, and some gravel. Hoof protection is recommended. Creeks for water are plentiful. The trails are well maintained, and will be well marked with signs and ribbons. We have not determined the exact trails we will be using. If we have an away Vet Check(s) we will transport crewless competitors gear to the Vet Check(s). We will attempt to have different sets of trails for every days' competition. Depending on weather and trail conditions at the time of the ride you may be crossing the river.

WEATHER

Weather in the fall is usually nice, but can be unpredictable. Please come prepared for all weather conditions. Average high is 79F and average low is 55F. Sunrise is around 7:00 AM and sunset will be around 7:00 PM.
