Getting To Know

Keri Minden-LeForce – Viola, ID
ApHC Performance Department Supervisor

What did you last Google?
UPS tracking! It's show time and I'm making sure shipments are arriving as scheduled! Or hunting them down if they haven't. I've done a lot of that this week.

What's the weirdest thing you've given someone as a gift?
A gallon jar of dill pickles and a jar lid opener.

If you had 3 wishes, what would you wish for?
Health and happiness for my kids is at the top of the list. They are talented, intelligent, funny, beautiful girls and I only wish for them to be fulfilled in life. Any other wishes I have can go unfilled as long as my daughters are happy.

Which app on your phone do you use the most?
Pandora. I'm a true crime junkie so I listen to tons of podcasts. I also have all my favorite stations cued up so depending on my mood, I can go straight to my favorite music. I have stations for jazz, blues, country, southern rock, 70s, 80s... all the best tunes.

Do you secretly bring home stuff out of a hotel?
Secretly? Um no, those are gifts for the guests! Right?

What celebrity do you wish you would run into walking around town?
Hmm, maybe Chris Stapleton. I saw him in concert this summer and he was phenomenal. Plus he seems like a genuine guy.

What's your favorite website?
Daily Mail

What is one thing you'd like to cross off your bucket list in 2023?
Get married! I'm getting married next summer to my fiance Paul. Plans are full steam ahead.

We're getting married!

Who is your real life hero?
My mom. She does so much for everyone in the family including being a full time caregiver for my dad. She's amazing.

Where is your happy place?
Camping on the river, reading a good book with an adult beverage nearby.

Today's Class Tips –

Hunt Seat Equitation – *presented by Cheryl Ogle of Moscow, TN*

- Know your pattern
- Have a game plan, practice with your horse but do not over practice with your horse
- Walk the pattern on the ground so that you know where you should be in the arena at all times
- Be aware of correct hand position, your hands radar the communication you have with your horse
- Correct seat and leg position, you should have proper contact with your horse at all times
