DAY SPONSOR MARIA & LEO JOHNSON

What an honor to have Clint Haverty in Ft Worth once again to present the Liz Haverty Memorial trophy, along with Sandy Jirkovsky to the winner of the Ladies Western Pleasure class – Mackenzie Fallis and Red Hot Ride owned by the Dryden Family of Tioga, TX! Congratulations!! I'm sure Liz was watching from up above.

This beautiful trophy was designed by Marrita Black, a reknowned equine artist.

Mac has had the honor of winning this beautiful trophy two years in a row. Awesome job, Mac!

# DAY THREE -

## GETTING TO KNOW

**Alison Phillips – St Louis, MN**

**ApHC BOD Member**

***What historical event would you most like to have witnessed?***

The moon landing – it seemed like an exciting time and people were rallied around discovering a new frontier in space.

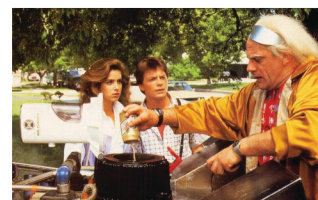

***What famous people do you obsess over on social media?***

No specific movie stars but I love watching clips from Graham Norton (British TV show) interviewing his guests. He is hilarious and they have some great segments.

***What's the weirdest thing you've given someone as a gift?***

This requires some context. At my work, they take pictures of employees and hang them up around the various manufacturing plants and somehow this incredibly large, close-up picture of me ended up hanging on the wall in my office area (it was like 3 x's the size of my head). It was way too embarrassing to keep there, so I asked that they take it down. They did and then they gave it to me. I gave it to my dad for Christmas as a gag gift.

***What would you love to invent?***

"Mr. Fusion" from Back to the Future II. He powered his car on compost and garbage. How nice would that be!

***Where would you like to time travel: back to the past or to the future? Why?***

The past. I'd love to see how certain events actually took place. I think traveling to the future would make it hard to go back and really live in the present because you'd always wonder if what you saw was still going to happen.

***What would you do if you won a million dollars?***

Buy a horse property of my own and breed Appaloosa cowhorses!

***Best movie?*** Love Actually – yes, a Christmas movie, but it's a timeless message.

***Best comfort food?*** Brownies – especially the edge pieces.

***What's the weirdest thing a guest has done at your house?***

In high school, we threw a party while our parents were out of town, and one of the "guests" took all the house plants and hid them outside. It was not fun finding them in the morning!

***If you could sit on a bench and chat for 1 hour with any person, who would it be (living or deceased)?***

My grandpa – he passed when I was 3 and I always felt a special connection to him. I'd love even a little time to get to know who he was.
