# DAY EIGHT -

# GETTING TO KNOW

## Jim Jirkvosky – Whitesboro, TX

### *Who is your real life hero?*

Lew Eklund. He was a real hero to me and a huge influence on my life. Career wise and family wise - always a first class man. My other hero is Billy Etbauer - always such a humble champion.

### *What advice would you give to an up and coming horse trainer?*

Tell the truth and you only have one story to remember. That is a direct quote from Lew Eklund.

### *If you could trade lives with anyone for a day, who would it be and why?*

One of the space astronauts. I think it would be incredible to orbit the earth!

### *Favorite movie or TV show?*

Sandy says our tv only needs one channel – The Cowboy Channel!  
Favorite movie is Dances With Wolves

### *What historical event would you most like to have witnessed?*

The first moon landing. What an amazing event that must have been!

### *If you had 3 wishes, what would you wish for?*

1. People to get along and see the positivity in the world
2. Health and happiness for my family
3. To never know when my last ride might be

### *Do you have any phobias?*

Disorganization! Sandy can drive me over the edge misplacing halters and lead ropes.

### *What is the best piece of advice you've ever been given?*

Stay true to your beliefs

### *How would you spend your perfect day?*

Every day on a horse is a perfect day! Add good friends and family and the day is perfect!

### *If you could sit on a bench and chat for 1 hour with any person, who would it be (living or deceased)?*

My Dad – so many things were left unsaid that I would love to have that time back. I would like to pass that on to everyone that still has their parents – take the time to talk!
