The Fort Worth CVB provides a financial incentive package to the ApHC to hold the show in Fort Worth. In order to sustain their financial support, ApHC must certify the number of hotel room nights used in Fort Worth during the show.

Show attendees must provide lodging accommodations information in order to pick up your exhibitor packet.

In addition, please encourage all those in attendance at the show, whether exhibiting or not, to provide information on lodging accommodations to assist ApHC in this process and to ensure ongoing financial support from the City of Fort Worth.
