The Skirvin Hotel One Park Ave			

Visit OKC provides a financial incentive package to the ApHC to host the show in Oklahoma City. In order to sustain this support, ApHC must certify the number of hotel room nights used during the show. Show attendees must provide lodging information in order to pick up your exhibitor packets. In addition, please encourage all those in attendance at the show, whether exhibiting or not, to provide this information to the show office to assist with this process and help establish our true financial impact while in Oklahoma City. Thank you!
