### **RESERVATION FORM:**

The stall reservation form must be completed and submitted with each horse's registered name and registration number. List all horses that will be occupying stalls. List all tack stalls separately as "TACK". If your horse is in the process of being registered, include it on the stall card with the registration name and number as "Registration Pending". Please indicate your first, second and third choices for stall locations (Refer to Super Barn Stall Map on the ApHC website) and include stall numbers and any other notes that may be helpful for personnel assigning your stall location. The number of stalls requested cannot exceed availability in that area.

If you are stalling with a trainer/ranch/group, send all stall requests AND PAYMENTS in the same envelope, choosing just one trainer/ranch/group name for the "stalled with" person. Include the total number of stalls on one card only. Stall requests not included in the same envelope or not faxed/mailed together are not guaranteed to be stalled together.

**NOTE:** The person listed as "stalled with" is responsible for all money due and will be held liable for all damages reported to stalls and is responsible for any payments due for damage or stall panels that are removed and not replaced by the exhibitor.

**ApHC will attempt to stable each trainer/ranch/group according to choices requested on the stall reservation form. However, stabling decisions are made based upon the membership number of the person listed as "stalled with", based upon the National Show/Youth World Show stabling history of the person listed as "stalled with" and based upon the availability of stalls in the requested area(s).**

If you request additional stalls upon arrival, or after the original request is received, those stalls must be paid for at the time of the request and may not be located with your other stalls. **Stalls purchased after the stall reservation deadline will include the late fee regardless of when you purchased your original stalls.**

**All reservations or changes to original reservations must be made in writing to the ApHC office. Reservations or changes to reservations will not be accepted over the phone.**

### **MOVE-IN/MOVE-OUT:**

Do not arrive prior to this** as the facility will be unable to accommodate early arrivals due to clean-up constraints following the previous show. Early arrivals cannot be accommodated. **Stalls must be vacated by 3:00 p.m. on Thursday, July 6.**
