First and foremost... A letter from the new editor

Welcome to June! As we step into this summer month, we hope it brings plenty of lovely sunshine for all. Whether you're enjoying the outdoors or taking part in activities, don't forget to use plenty of SPF, and not just for yourself! Remember, our spotted friends with pink muzzles are prone to sunburns, especially around their noses and eyes. Let's keep them as protected and happy as we are under the sun!

This month, I am excited to bring you updates on our upcoming National Show and the latest highlights from our regional clubs. Make sure to check out the dates for our upcoming shows and stakes, and don't miss our new affiliate spotlight.

Here's to a June filled with health, happiness, and successful events. Stay safe and enjoy the beautiful weather!

All the best,
Thora

Top news from the ApHC

Youth Department

The AYA is on our busy season, and we can't be more thankful for the support we've seen. In the last few months we've accepted four sponsorships, have had five trainers demonstrate their dedication to our youth by sharing their expertise with them, and we have 12 tables secured for our college fair! We can't wait to see what all our youth accomplish this year and thank you for your support.

Show Department

If you haven't already heard, the ApHC's National Show/Youth World is just around the corner, taking place this month from June 26th to July 3rd in Oklahoma City! Affiliate Spotlight

**Meet one of our approved specialty associations—
the Appaloosa Reining Horse Association (ApRHA)!**

The ApRHA exists to:

- Promote the breeding and showing of Appaloosa Reining Horses
- Develop standards of performance and judging for all reining horses contests sponsored and/or approved by the ApRHA
- Develop and distribute information that will provide contestants and spectators with a better understanding of the Appaloosa breed and proper reining performance in the show arena

each year to raise money for their Association and to help promote the reining discipline within the Appaloosa breed. Additionally, the association is dedicated to paying any ApHC membership fees for those Stallion Owners who donate a breeding, if the breeding is used for an Appaloosa mare, and they are not currently an ApHC member.

As an association, the ApRHA is focused on making members' experiences meaningful and positive. To stay true to this value, their members can promote horse sales and training programs through their social media platforms at no cost. The ApRHA also has an NRHA qualifying program for the World Championship Appaloosa Show for members who cannot find ApHC approved shows in their area.

We are thankful for the dedication and commitment of the ApRHA to both the Appaloosa Horse Club as well as their members.

Each year, the ApRHA holds classes at the annual World Championship Appaloosa Show where they award \$30,000 in cash, as well as prizes, trophies, buckles, and trophy saddles! In 2024 the association will also be branching out to include novice reining classes within the Non-Pro Derby and Non-Pro Maturity slates. The ApRHA also offers an annual stallion auction

Regional Club Spotlight

Everglades Appaloosa Horse Club

Meet the Everglades Appaloosa Horse Club! The club is located in Florida and holds 3-4 shows for their members to enjoy. They said the club has been around for years but in the last 10 years they have expanded their offerings to better suit their members.

Committed to their membership, the club said that they try to have dinners at their shows so that their members can get to know one another and grow together as a family. They also strategically plan their shows to be in northern Florida to encourage out of state riders and horses to compete. This is also a centralized location for a majority of their members.

When it comes to classes, the Everglades Appaloosa Horse Club tries to hit core disciplines that their members are interested in. Some of those classes include Over Fences, Cattle, Ranch, Performance, and Halter.

The club also provides awards such as backpacks, coolers, blankets, and tack. This includes Year-End awards.

Ashley Anthony from the Everglades Appaloosa Horse Club said, "We pride ourselves on having fun and supportive shows. Everyone wants to do well at shows, but it's the horses and people who keep us coming back."

Congratulations to the Everglades Appaloosa Horse Club on their success!
