## National Show Comments

### From The Office

*"What a hot one the Youth World and National show was! One of the brightest spot for me is how enjoyable and memorable it was for so many youth kids. Several attended for the first time, several spent their last youth year with us. Eli from Alabama attended for the first time and won his class! The Bradley sisters (all 3 of them) from Florida are another feel-good story. The youngest sister lost her horse suddenly right before the show. Ryland, who is in her last year as a youth, graciously agreed to share her horse and let her little sister show it as well!*

*The Non Pro and Open riders- Whether it was their first show, their 10th show, or their first time back in several years everyone enjoyed the comradery.*

*So many memories that we can all look back on and smile, laugh or chuckle. I think we can all agree that the kids stole the show, especially the awards girls- the Maddox twins and Ramzi!*

*Thank you to all of the staff, volunteers, exhibitors, trainers and owners who helped make the show so memorable. We're already working on great things for the 2024 ApHC World Show!!*

*As always, anyone can reach me at [MStreet@appaloosa.com](mailto:MStreet@appaloosa.com) or ext. 288."*

-Melissa Street, Marketing Consultant

*"As a first-time youth coordinator, attending such a large show for the Appaloosa Horse Club was a bit daunting, but very exciting. I want to first and foremost thank everyone for their patience and helpfulness during the youth events. I also want to thank all of the youth who participated in our AYA events; it was so fun getting to know everyone. Hands down, I would say my favorite part of the show was seeing the kids' smiles as they participated in AYA events, and then seeing them beaming ear to ear if they received a prize. It was a joy working with the Appaloosa youth-- what a great, respectful, and helpful bunch of youth members we have! These guys and gals are the future of the ApHC, so it was great to see just how lucky we are with these up and coming generations."*

-Rachel Daugherty, Youth Coordinator

## Regional Club Spotlight

### Louisiana Appaloosa Horse Club

The Louisiana Appaloosa Horse Club was founded in 2006 and has been active since. The club has participated in a variety of events from education to performance.

Though the club had to pull back from the regularly scheduled events amidst the pandemic, they are working hard to get back on track. In the past they held two shows for their members to compete in. They also hold events at a barn located in the city of Ball twice a year to educate fourth and fifth grade children about agriculture twice a year. With a continued dedication to youth development, the club also offers two royalty positions: a senior and a junior queen.

The club also offers a trail ride each year, their members ride in parades, and they partner with the Louisiana Equine Council from time to time. Appaloosas can also be spotted at tribal events, the Louisiana Women in Agriculture Conference, and during their barn days.

It is clear that the Louisiana Appaloosa Horse Club is committed not only to the horse and their members, but also to educating the public. Congratulations Louisiana ApHC on your success as an ApHC regional club!
