

Optional Move-In Help

Horses cannot arrive prior to 3:00AM on Tuesday, June 25th.

Stalls cannot be bedded before then, nor can decorations be hung in the Super Barn.

We understand that the timeline for Move In this year is not ideal, we would like to help and offer Pre-Bedding services to trainers.

In order to do so, the following must be filled out completely and email to MStreet@appaloosa.com BEFORE Monday, June 24th at 5:00PM CST and you MUST have placed a pre-bedding and feed order with the OKC Fairgrounds for the show.

Stall Agent/Trainer Name _____

Stall numbers you would like bedded _____ NO bedding in _____

How many bags per stall? _____ Total number of shavings ordered from OKC _____

Contact number if questions _____

Total number of stalls to be bedded @ \$5/stall (paid to those bedding) _____

By signing below, I understand that this is a FREE service being provided to me. It can only be done successfully if I have ordered the shavings prior to Monday, June 24th with OKC Fairgrounds. The members placing the shavings in the stalls are not responsible for counting the shavings, approving the quality of shavings, or the cleanliness of the stall beforehand. I understand that this form has to be completed and returned to MStreet@appaloosa.com BEFORE Monday, June 24th at 5:00PM CST. I understand that I am responsible for confirming stall numbers. Bedding that is placed in an incorrect stall due to an incorrect stall number listed above will be the responsibility of the Stall Agent/Trainer.

**We will start bedding stalls in the order the requests are received starting at 3AM and continue until done. There is no guarantee on time, but we will get them done as quickly as possible. **
