TRANSFER OF OWNERSHIP

ONE transfer of ownership per horse may take place during the National/Youth World Show. In order for the transfer to occur during the show, a properly completed transfer form (with original signatures) must be submitted to the show office along with the ORIGINAL certificate of registration. Additionally, a rush fee of \$200 must be paid in addition to the transfer fee and any needed membership fees. The transfer will be processed in the show office for purposes of showing at the National/Youth World Show and new owners will be recognized during the show should the horse place in any open class in which the horse is shown. Complimentary lifetime rushes are not available for this purpose.

Unrelated non-pros or unrelated youths shall not show the same horse at the World Show regardless of transfer status.

Following the show, the transfer of ownership will be

properly completed as a rush transfer in the ApHC headquarters office and the certificate of registration will be mailed to the new owner.

ENTRIES

Entries must be submitted electronically via the ApHC on-line entry system or in writing. All entries submitted in writing must be made on printed entry forms furnished by the ApHC (copies of the printed forms will be accepted), signed by the proper parties, and accompanied by all entry fees, equipment charges, cattle charges and a completed W-9 form for the first-listed current owner on the Certificate of Registration.

Exhibitors are responsible for any errors on their entry forms. Entries lacking sufficient information or not accompanied by all required fees will not be accepted. Entries will not be accepted by telephone.

Changes to entries must be submitted in writing. Changes to entries will not be accepted by telephone. The ApHC is not responsible for any lost, faxed, emailed or delayed entries. **The ApHC recommends using the online entry system or certified/registered mail as these options provide confirmation that your entries were received.** Exhibitors are responsible for ensuring that faxed entries are received by the ApHC.

The IRS requires the ApHC to obtain the correct taxpayer identification number (TIN) for persons for whom we have to file an information return (i.e. 1099-Miscellaneous for premium payback). This form must be completed by the owner or in the case of multiple owners, by the first listed current owner. If the correct TIN is not provided, subsequent payments can be subject to backup withholding per IRS regulations. **Award checks will not be issued until the ApHC has a W-9 on file for all persons receiving these checks.** You are required to complete a W-9 with the appropriate certifications and submit this form with your entry. This information must be provided to the ApHC regardless of the age of the owner. Your exhibitor packet will be held if this form is not submitted. A W-9 is available online.

The social security number listed on the W-9 should be that of the owner or in the case of multiple owners, that of the first-listed owner on the Certificate of Registration. No other social security number is acceptable. International residents must complete IRS Form W-8ECI or the ApHC

must deduct 30% of any monies earned. Social security numbers must be provided for individuals. Taxpayer identification numbers will not be accepted in lieu of a social security number for individual owners.

Entries sent by Federal Express, UPS, certified mail, return receipt or Express mail should be mailed to:

Appaloosa Horse Club
National Show/Youth World Show
2720 W Pullman Road
Moscow, ID, 83843

Entries may also be faxed to (208) 882-8150.

Entries may be emailed to showsecretary@appaloosa.com.

Exhibitors are responsible for verifying that entries have been received in the ApHC office.

If you fax or email entries or stall reservations, **DO NOT SEND ORIGINALS** in the mail as this will likely result in double charges if paying by credit card. **Faxed copies of checks are not considered payment, and entries will not be accepted until actual payment is received.** If you fax entries or stall reservations, please allow 4 hours of processing time before calling to determine if they have been received. ApHC office hours are Monday through Friday, 8 a.m. – 4 p.m. PT.

Declined credit cards may result in you paying post-entry prices. If you are using a debit or credit card, please pre-authorize amounts over \$200 (or for amounts in excess of your daily limit) with the card company or your bank to avoid processing delays and late fees. ApHC accepts VISA, MasterCard, American Express and Discover Card if paying by credit card.

ENTRY DEADLINES

Pre-Entry Deadline:

May 31, 2024 (for entries submitted in writing using official entry forms)

June 5, 2024 (for entries submitted using the online entry system)

All entries must be in the ApHC office by the appropriate pre-entry deadline listed above in order to receive pre-entry prices and to be included in the Official Program. No supplement will be printed.

Entries will be accepted after these dates at post entry prices. Post entry fees are not assessed to NSBA entries, equipment or cattle fees (except in cutting). Post entries must be made by 12:00 p.m. the day prior to when the class to be entered is scheduled. **Entries not received in the ApHC office by June 14, 2024 should be taken to the show – do not send them to the**

ApHC office.

Post entry charges WILL BE assessed to cattle fees in cutting classes, however, late cutting entries will not be accepted after June 14. Post entries will not work fresh cattle.

Non-pro and youth exhibitors entering nine (9) non-pro or youth classes at regular pre-entry price can enter a 10th class for FREE! This option is available for PRE-ENTRIES ONLY! This option is available to non-pro and youth exhibitors regardless of the number of horses they exhibit and is based solely on the number of non-pro or youth classes in which that non-pro or that youth exhibitor pre-enters. Entries for multiple horses MUST BE RECEIVED TOGETHER in order to credit the exhibitor for the FREE class. Once entries have been received, classes shall NOT be substituted, scratched, added or changed in order to qualify for a free class. After the pre-entry deadline, post-entry prices and fees apply to any changes or added classes. Equipment, cattle and NSBA charges must still be paid on all eligible classes even if these are assessed in the class in which the non-pro or youth exhibitor does not have to pay the regular entry fee.

Post entry fees are an additional \$40/class.

ADMINISTRATIVE CHARGE

There will be a one-time \$50 administrative charge paid per horse, which includes the drug-testing charge for each horse entered. This fee is assessed only once per horse regardless of the number of classes or divisions (open, non-pro or youth) in which the horse is entered. For example, if a horse is entered in youth or non-pro classes and open classes, only \$50 is due. For further clarification see DRUG TESTING.

PAYMENT PROCEDURES

All entries must be made payable to the ApHC in U.S. funds drawn on a U.S. bank. Payment may be made in the form of personal checks, Visa, MasterCard, Discover Card, American Express, money order or wire transfer. The ApHC does not accept American Express as a form of payment. **A 3% surcharge will be added to all credit card charges.**

If you are paying by debit or credit card it is advisable to contact your bank or credit card issuer in advance about charges in excess of \$200 (or your bank card daily limit) to avoid the charge being declined for security reasons. **Cards declined by the bank will be treated as insufficient funds and may result in your horse being excluded from the program and/or late**

2. Check into the show office. To pick up your exhibitor packet that includes the exhibitor numbers, you must present the following items at the show office:

2) Current (within 30 days) **health certificate dated on or after May 27, 2024**,

3) Current (within 12 months) **proof of negative Coggins signed by a licensed veterinarian dated on or after June 28, 2023**,

Additionally -

4) Stall ledger given to you upon checking in with the stall office (if your horse is listed as "Not Stalled" on your entry confirmation letter) and

5) Completed Proof of Accommodations form if not previously submitted.

ACCOMMODATIONS INFORMATION

Show attendees must provide lodging information prior to picking up exhibitor packets. This form is available online or in the show office.

In addition, please encourage all those in attendance at the show, whether exhibiting or not, to assist the ApHC in the process of certifying hotel room usage by providing information on their lodging accommodations to the show office.

CERTIFICATE OF REGISTRATION

The original Certificate of Registration must be presented for each horse entered in the show. Exhibitor packets will only be issued after the original certificate has been verified. **PHOTOCOPIES WILL NOT BE ACCEPTED!**

It is not the responsibility of the ApHC to provide original Certificates of Registration.

Horses (including "help" horses in roping) that do not have a back number assigned will not be allowed to show or assist in the class.

HEALTH INSPECTION

The ApHC requires that ALL horses, of ALL ages, on the show grounds whether entered in the show or not and including those on the grounds that are not registered with the ApHC to be accompanied by a current 30-day health certificate (dated on or after **May 27, 2024**) as well as a current, within twelve months, proof of negative Coggins

(dated on or after **June 28, 2024**) administered by a licensed accredited veterinarian, showing positive identification of the horse, the horse's temperature, and the name and address of the laboratory performing the tests. This documentation **MUST** be presented in the show office for every horse on the show grounds.

If Coggins and health certificates are not available, the horse will be quarantined until proper documentation is received and/or testing is conducted at the expense of the owner. Quarantined horses shall not be allowed to compete and entry fees will be forfeited until health papers are presented in the show office.

Make sure the veterinarian uses registered names on the health certificate and Coggins rather than "barn names".

All horses are subject to inspection by the Show Veterinarian or State Veterinarian at any time or if suspected of harboring a communicable disease. All horses must be serviceably sound.

ApHC recommends all horses be vaccinated for tetanus, influenza, Eastern/Western encephalitis, Rhinopneumonitis, equine herpesvirus type 1 (EHV-1), equine herpesvirus type 4 (EHV-4) and West Nile Virus.

EXHIBITOR NUMBERS

One exhibitor number will be assigned to each horse. This number will be used for all classes, in all divisions, in which the horse is entered. The exhibitor number belongs with the horse, not the rider/handler.

It is essential that the correct exhibitor number is used for all classes and that it be displayed in the correct manner (see rule 711.M of the Official Handbook of the Appaloosa Horse Club for complete rules for each class). Failure by the exhibitor to display the correct number or to display the number in the correct manner while being judged shall result in disqualification from the class.

In order to receive a back number, all other show requirements must be fulfilled including presentation of the horse's original Certificate of Registration, proof of negative Coggins, health certificate and the horse must be stalled. In addition, the owner and exhibitor must be current ApHC members in good standing and youth members must be a member of an ApHC-affiliated regional club.

Please see HEALTH INSPECTION for information pertaining to required health papers for all horses on the grounds regardless of whether they are entered in ApHC classes.

SUBSTITUTIONS

If substitution of a horse is necessary in a non-pro or youth class or of an exhibitor in an open class, such changes must be reported to the show office prior to the class entering the arena or before judging has begun in the case of warm-up periods before a class starts. **No horse or rider changes will be accepted at the announcer's stand or paddocks. No rider changes will be allowed in youth or non-pro classes. No horse changes will be allowed in open classes.**

Any horse entering the arena in which the exhibitor is someone other than the one on record with the ApHC show office and in which case an exhibitor change has not been filed with the show office prior to the class entering the arena will be disqualified.

VET SCRATCHES/REFUNDS

Horses that become sick or injured PRIOR to the start of the show must provide a dated and signed vet's statement to the ApHC concerning the condition of the horse, the horse's registered name and number and the date the sickness or injury occurred. This documentation must be received in the ApHC Show Office PRIOR to that horse's first class for any refund to be allowed. **As of the first day of the show, only statements from the Official Show Veterinarian, along with an official class scratch form, will be accepted in the show office for horses that become sick or injured on the show grounds.** All documentation must be in the Show Office PRIOR TO THE CLASS ENTERING THE ARENA. Forms/documentation received after the class has entered the arena will not result in any refunds of any kind.

If a horse does not compete in a class in which it is entered and a vet certificate and official scratch form has NOT been received in advance of the class, the entry fees will be forfeited. If a horse is disqualified from showing by management or officials or if a horse is entered and not shown, all fees will be forfeited.

In cases where horses are vet scratched (with a signed/dated statement from the attending veterinarian) at least 15 days prior to the first day of the show (by June 12), equipment and/or cattle charges will be refunded in full and stall fees will be refunded less a \$20/stall office fee. **Equipment and cattle charges and stall fees are non-refundable after June 12, 2024. No refunds, regardless of circumstances, will be issued for administrative fees, NSBA fees, ApHCF practice class fees (if held), RV fees, or credit**

card surcharge fees.

The above mentioned are the only instances in which refunds will be issued. At the conclusion of the show and after the completion of a financial review, entry fee(s) will be refunded less a \$20 per class office charge if proper documentation was received as outlined above.

Refund checks, for all entries originally paid by check, will be mailed to exhibitors approximately 45-60 days following the last day of the show. For all entries paid by credit card, refunds will be credited to the same credit card used for initial payment approximately 45-60 days following the last day of the show. **No refunds will be made on amounts of \$10 or less. No refund can be applied to charges while at the show.**

NATIONAL SHOW PROGRAM

The National Championship/World Championship Youth Show Program will list all entries that are received in the ApHC office by the pre-entry deadline. The National Show Program will be available in the Show Office and the Stall Office.

DRUG TESTING

All horses entered in the show are subject to drug testing. For complete rules and regulations concerning the drug testing procedures and drugs and medications, refer to Rule 40 of the Official Handbook of the Appaloosa Horse Club. The owner, trainer, or other responsible party must witness the blood and/or urine sample collection and sign the forms required by the veterinarian. Failure to do so waives any subsequent objections to the testing process or results. All payouts will be issued pending drug test results. If a horse tests positive for unapproved drugs or unacceptable levels of an approved medication, all ribbons, trophies and other awards shall be held in escrow by the ApHC until notification of the Disciplinary Committee's decision.

Drug tests will be administered at the discretion of the ApHC. Those horses selected for testing must report to the drug testing station immediately following each class or random request. Once blood and/or urine samples have been collected, the horse may leave the testing stall. Drug testing procedures will be strictly enforced. Cooperation is mandatory.

Such exhibitor or other person expressly releases and holds harmless the ApHC from any and all claims, liabilities, losses or actions of any kind arising from or in connection with the exhibitor or other person's employment, retention, hiring or utilization of the services, advice and/or expertise of such Official Show Veterinarian(s) or Official Drug Testing Veterinarian(s).

Veterinarians other than the Official Show Veterinarian(s) or Official Drug Testing Veterinarian(s) wishing to conduct business during the National Championship/World Championship Youth Show must request permission in writing from the ApHC office prior to the start of the show.

There may be other veterinarians operating on-site during the National Show, however once the show starts, only vet scratches submitted by the official show veterinarian will be accepted to qualify for a refund as designated under VET SCRATCHES/REFUNDS.

Any animal on the grounds in immediate need of veterinarian care will be treated at the expense of the owner if the animal's owner(s) cannot be located.

OFFICIAL PHOTOGRAPHER

The official and exclusive photographer for the National Show is Becky Ruehle Photographix LLC. Photographers (including customers with cell phones) other than those authorized by Becky Ruehle Photographix are prohibited from entering the arena and/or staging photographs at the out-gate, shall not offer services on the grounds during the show whether for monetary compensation or not. Professional photography equipment and cameras with lenses larger than 3 inches and professional photographers capturing images for sale or for free distribution on

social medial or networking sites are prohibited without the express written permission from Becky Ruehle Photographix LLC.

CLASS PROCEDURES

The ApHC has established class procedures to benefit the majority of exhibitors participating, within the limits of available budget, manpower and time.

CLASS PATTERNS

Patterns will be available to download from the ApHC website no later than June 15. Pattern books will be available in the show office. Patterns will be posted in the paddocks the day of the class. Exhibitors are responsible for checking patterns posted in the paddocks for any corrections or clarifications prior to exhibiting in the class.

DISQUALIFICATION

Any exhibitor, horse or owner disqualified from any class for any reason shall NOT receive a refund of any fees of any kind. When disqualification occurs by the show management or judges, the decision is final. In addition to other disqualifications as outlined in the rules and regulations contained in the *Official Handbook of the Appaloosa Horse Club*, judges (including equipment judges) shall have the authority to disqualify entries for illegal equipment, improper attire, inhumane treatment, unsoundness/lameness or the presence of blood. See Rule 30 in the *Handbook of the Appaloosa Horse Club* for further information.

Exhibitors are not allowed to wear earpieces or to have wireless contact with anyone during the conduct of a class. Exhibitors in violation of this rule shall be disqualified.

In response to industry developments, the ApHC Board of Directors has agreed that the use of magnetic devices in clothing in showmanship, horsemanship, hunt seat equitation and saddle seat equitation constitutes an unfair advantage for exhibitors and shall not be allowed at ApHC-sponsored shows (Youth World, National Show, World Show). Magnetic devices must be removed prior to competition or the exhibitor shall be disqualified. This show management rule is effective immediately.

The use of belly bands is prohibited anywhere on the show grounds at ApHC-sponsored shows (Youth World, National Show, World Show).

WORKING ORDER

All working orders in elimination and final classes will be decided or drawn by show management in accordance with official ApHC rules. **If you and/or your horse are entered in back-to-back or concurrent classes and feel that this will cause a time constraint, you may inform the show office by 5 p.m. the day prior to the class(es) and request a change in the order-of-go. Adjustments may only be requested for direct horse or exhibitor conflicts.** No adjustments will be made for trainers' convenience or non-show conflicts. If possible, show management will then adjust your working order. If you do not contact the show office prior to 5 p.m. the day before the classes in question, we may not be able to accommodate your request. Once working orders or cuts have been posted, changes will not be made unless approved by show management.

PADDOCK PROCEDURE

Only exhibitors and their horses are allowed in the alleyway and holding area. This policy applies for the duration of the class, including eliminations and finals, etc. Once the horse has entered the paddock, only exhibitors entered in the class will be allowed to handle or ride their own horses. For safety reasons, exceptions may be made to this in over-fence classes when an exhibitor is showing more than one horse in a class. Exceptions must be approved by the paddock manager.

Grooming is prohibited in these areas including, but not limited to, any type of spraying.

Barn calls are a courtesy and will be made for each class and for all exhibitors entered in each class. Regardless of the circumstances, it is the exhibitor's ultimate responsibility to report to their class on time. Exhibitors must check in with the paddock personnel.

Paddock personnel will call exhibitors to enter the arena in their posted order of go. All horses must be ready and waiting in the make-up arena so they may enter the main arena promptly when called.

In classes in which an order of go has been posted, entries not entering the arena for judging in their posted order of go are considered to have missed their class and will not be allowed to enter the arena to compete.

In classes in which a time limit has been given to enter the arena, entries not in the arena at the expiration of that time limit are considered to have missed their class and

will not be allowed to enter the arena to compete.

Late entries will not be admitted into the arena once the gates have been closed.

No refunds will be issued for missed classes.

EQUIPMENT JUDGE

Official Equipment Judges shall be employed by and be a representative of the ApHC. Equipment Judge(s) shall be responsible for attire and equipment rule interpretations. Final interpretations are the responsibility of show management. All bits, tack, appointments and attire shall be checked by the equipment judge(s) prior to entering the arena. Any equipment considered to be inhumane or illegal by the Official Equipment Judge(s) must be removed or entry into the arena will be denied. The Official Equipment Judge(s) may disqualify an entry for illegal equipment, improper attire, inhumane treatment, unsoundness/lameness or the presence of blood on the horse. See Rule 30 in the *Official Handbook of the Appaloosa Horse Club* for complete rules regarding inhumane treatment.

The Official Equipment Judge(s) shall have the authority to call for a blood sample and/or urine test on any horse.

Official Equipment Judge(s) may serve as an alternate judge at the discretion of show management.

BLOOD DISQUALIFICATION

In all classes and all divisions of classes, judges and/or equipment judges may disqualify horse(s) from the class if fresh blood is found on the mouth and/or body areas of a horse (i.e.: including but not limited to the barrel, flanks, belly, sides, shoulders). Judges and/or equipment judges have the sole authority to determine if the blood found on the horse warrants disqualification from the class and the judge's decision is final and not subject to protest.

LAMENESS

Rules regarding lameness are adopted to protect the health of Appaloosas exhibited in ApHC-approved and -sponsored shows. At show management's discretion, either at the beginning or upon completion of a class or individual work, prior to leaving the arena, the horse shall be asked to perform movements/maneuvers on a loose rein or lead to demonstrate soundness. Exhibition of a horse that shows signs of unsoundness/lameness as determined by Official Judges in any class shall be cause for disqualification. A judge's decision as to the lameness of a horse is final and not subject to protest. See Rule 712 in the *Official Handbook of the Appaloosa Horse Club* for complete

- Applying excessive pressure on or excessively jerking a halter lead shank or allowed lip chain.
- Any other treatment or conduct deemed by a show official to be inhumane or abusive.
- Exhibiting a horse that has an open, raw or bleeding sore that repeatedly comes in contact with the hackamore.

The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be cruel, abusive and inhumane.

A Show Steward may be employed by and be a representative of the ApHC. He/she shall monitor the treatment of horses on the property. Upon discovery by a show official, show steward or barn monitor of inhumane treatment, show management may immediately disqualify the horse and exhibitor and report the matter to the ApHC for further disciplinary action.

NOTE: The person listed as “stalled with” is responsible for all money due and will be held liable for all damages reported to stalls and is responsible for any payments due for damage or stall panels that are removed and not replaced by the exhibitor.

ApHC will attempt to stable each trainer/ranch/group according to choices requested on the stall reservation form. Stabling decisions are made based upon the membership number of the person listed as “stalled with”, based upon the National Show/Youth World Show stabling history of the person listed as “stalled with” and based upon the availability of stalls in the requested area(s).

If you request additional stalls upon arrival, or after the original request is received, those stalls must be paid for at the time of the request and may not be located with your other stalls. Stalls purchased after the stall reservation deadline will include the late fee regardless of when you purchased your original stalls.

All reservations or changes to original reservations must be made in writing to the ApHC office. Reservations or changes to reservations will not be accepted over the phone.

MOVE-IN/MOVE-OUT:

Stalls will be available for move in after 3:00 a.m. on Tuesday, June 25. Due to fire regulations, stall aisles cannot be blocked or closed off to through traffic. The Fire Marshall will be on-site randomly inspecting decorations for compliance with regulations.

Decorations shall NOT damage the surface of the stalls. Any damages assessed by the facility will be billed to the person listed as "stalled with". All decorations must be attached using temporary set-ups and must be removed by the person listed as "stalled with" prior to move-out. Exhibitors are required to keep their stalls neat and clean, dispose of refuse matter in designated blue bins only and remove all items and materials they attached to the stalls, including decorations and all signs. **Do not dispose of soiled shavings in trash cans – only in blue manure bins.** The person listed as "stalled with" is responsible for any damage to stalls, electrical wiring, etc. and for any clean-up of materials such as decorations, signs, fabric, nails, tacks, wires, etc. Any damages assessed by the facility will be billed to the person listed

as "stalled with".

FORFEITURE OF STALL LOCATION:

Per Board motion, any suspended person or persons otherwise ineligible to participate at the National and/or World Show(s) shall forfeit any preferred stall(s) location at the National and/or World Show(s). In connection with any member's stall entry reservation application for the National and/or World Show(s), if the person they list as being "stalled with" is suspended or ineligible to participate at the National and/or World Show(s), the member applicant will forfeit their preferred stalling location(s) at the National and/or World Show(s) as applicable. All other members stalling with any suspended or ineligible person will forfeit their preferred stalling location(s). Stalling location refers to any established or designated area that the suspended or ineligible person has usually occupied. At the end of the suspension or ineligibility period any such preferred stall location(s) shall not revert back to the suspended or ineligible person or other members who forfeited their preferred stalling location(s).

There is no charge for unloading or parking on site. Due to congestion, please limit unloading time as much as possible and immediately move your trailer to the designated trailer parking lot(s). Trailers must be parked in designated lots during the show and are not allowed to be parked in vehicle parking lots or next to arenas or barns unless actively loading or unloading.

Handicap parking spaces are for Handicap Permit holders only.

Trailers and/or vehicles violating posted or announced parking rules shall be subject to towing/impounding.

RV CAMPING

RV spaces are available on a first-come, first-served basis in the south and west lots. The facility does not accept advance reservations. North lot spaces are available to yellow stall sponsors only at the lowest rate. Reservation forms for these spaces will be provided to the sponsor directly from ApHC.

A link to the fairgrounds RV information can be found on the ApHC website National Show page.

FARRIER

Only the official show farrier(s) will be permitted to provide farrier services on the grounds. Other farriers wanting to do business on the grounds must contact the ApHC for

approval. The farrier is located in the breezeway between the Performance Arena and the Barn 7 paddock.

ELIMINATION, FINALS, AND SCORING SCORING:

For the majority of classes either a four-judge or a three-judge format will be used to compute placings. This will be determined by show management. In most four-judge formats, the low scores will be discarded (except in cuts) and the remaining three scores tabulated to determine placings. In the three-judge format, no scores will be discarded; all three scores will be tabulated to determine placings.

In placed classes, the judge's placings will be converted into numerical scores according to the chart below:

1	120	6	55	11	15
2	105	7	45	12	10
3	91	8	36	13	6
4	78	9	28	14	3
5	66	10	21	15	1

CUTS:

In large classes when cuts are necessary, the cuts will be determined by a random draw. Exhibitors in each cut will enter the arena for judging and will be placed by all judges. Top placing entries from each cut will return to the arena for a clean-slate final go-round. The same exhibitor must exhibit the same horse in both the cut and the final. The same equipment must be used on the horse in the cut and the final.

TIE-BREAKING PROCEDURES:

All ties, except first place in individual performance classes, will be broken by a tie-breaking judge (pre-determined by show management before the class begins). If a tie occurs for first place in any individual performance class judged complete or in any individual performance class finals judged complete, there will be a work-off for first place only. Individual performance classes include working hunter, western riding, reining, cutting, trail and judged roping events.

In the event of a tie in working cow horse, please see Rule 741.F in the Official Handbook of the Appaloosa Horse Club for tie-breaking procedures.

ELIMINATIONS:

Any horse receiving a no-time or a no-score in an elimination round will be eliminated.

Show management reserves the option of holding finals only depending upon the number of entries in the class.

AWARD CALCULATIONS & TIE BREAKING PROCEDURES FOR OPEN, YOUTH & NON-PRO AWARDS

Horses will receive points towards special open, youth and non-pro awards for 1st through 10th place. First place will receive 11 points, 2nd place will receive 9 points, and so on down to 10th place which will receive 1 point unless otherwise specified. If there are less than 10 horses in a class, scores will be based on the number competing with the 1st place horse receiving one more point than the number of horses in the class, the 2nd place horse receiving 2 fewer points than the 1st place horse and the 3rd place horse receiving 1 less point than the 2nd place horse and so on down to last place which shall receive 1 point unless otherwise specified.

Unless otherwise stated under individual award listings, in the case of a tie in the open awards, the horse earning points in the greater number of classes that count toward the award will be the winner. If that fails to break the tie, the horse placing 1st-10th over the greatest number of total entries will be the victor.

In the case of a tie in the youth or non-pro division, the youth or non-pro earning points in the greater number of classes that count toward the award will be the winner. If that fails to break the tie, the youth or non-pro earning points in the greater number of performance classes will

be the winner. If that fails to break the tie, the youth or non-pro placing 1st-10th over the greatest number of total entries will be the victor.

The ApHC does not accept responsibility for misprints in daily award tabulations. All information is not final until verified.

OPEN HUNTER DERBY

Sponsored by Windemere Equestrian Center

This class is designed to simulate a classic hunter round with a more natural appearance and the option for more pace and handiness. Obstacles are reminiscent of the hunt field and jumps should have a variety of appearances, such as natural logs and brush, coops, hedges, stone wall, white fence, etc. Jumps can be narrower, ground lines are not required, ditches are allowed and straight approaches or related distance to fences are not required.

Class Specifications:

- a. A minimum of eight (8) fences set at appropriate heights and spreads will be used.
- b. There will be at least one (1) higher option fence set three (3) inches (3') higher with spreads not to exceed the fence height.

- c. The course must include one (1) in and out, a bending line, and a single fence with a long approach.

- d. The course cannot use more than two (2) straight lines at a related distance, all other jumps must be single fences or at unrelated distances.

- e. Formal attire is preferred but not required.

Eligibility:

- a. Open to any horse that is eligible for Pre-Green Hunter, Green Hunter, Working Hunter, Youth Working Hunter, Non-Pro Working Hunter, Youth Equitation over Fences or Non-Pro Equitation over Fences.

Judging:

- a. The Open Hunter Derby will be judged and numerically scored on quality, movement, jumping style, manners and way of going. Pace and brilliance are to be rewarded.

- b. In addition to a base score there will be an Option Bonus Score consisting of two (2) additional points for every higher fence option jumped without a knockdown. The two scores and sum total must be announced separately.

- c. Ties may be broken either by a predetermined tie-breaker judge or a jump off consisting of at least four (4) fences, jumped in an order verbally announced no more than five (5) minutes before the jump off.

LIMITED OPEN CLASSES

The appaloosa horse club is offering a limited open class that will run concurrently with most open classes at the world show. Please see the schedule posted online or in this premium book for specific class information. Limited open classes are not offered in fpd halter, men's or ladies' western pleasure or yearling in-hand trail. Nsba dual-approval is not offered in the limited open classes.

CLASS FEES

Class fees are the same fee (both pre- and post-) to enter the concurrently held open class. Equipment and cattle fees are only due one time if entering in both the limited and open classes.

EXHIBITOR ELIGIBILITY

Any exhibitor is eligible for limited open who has not won a world championship or national championship title (in a given set of classes) in the past three years and/or has not won five or more world or national championship titles in total (in that set of classes). Read below for definition of "set of classes".

"title" refers to a champion (1st) or reserve champion (2nd) placing in any open or limited open division class at an aphc-sponsored show or at another breed's or horse show association's national championship, world championship, or congress. Non-pro and youth titles do not count toward limited open eligibility requirements.

An exhibitor in the limited open class may also, but is not required to enter the open class.

All limited open exhibitors must be eligible to show at the aphc world show according to requirements listed in ownership & membership in this premium book.

Exhibitors can verify limited eligibility (based only upon aphc-sponsored event history) by clicking on this link and entering your membership number - <https://www.appaloosa.com/limitedeligibility>. Please check limited eligibility in advance of entering a limited class as refunds will not be issued except for vet scratches that meet all requirements as detailed in vet scratches/refunds in this premium book. Exhibitors are responsible for determining their own limited eligibility based on competition at outside breed and/horse show association events. Complaints concerning limited eligibility may be filed against an exhibitor in accordance with rule 20.d and if found to be ineligible, the exhibitor is subject to disciplinary action and penalties.

Limited eligibility is based upon the exhibitor's eligibil-

ity as of January 1 of the current year. Any titles earned in the current year do not affect limited status for this world show but will be counted toward limited status in the coming year.

HORSE ELIGIBILITY

Entry into the limited class only does not waive any qualifying or eligibility requirements as required to enter the open class. All horses shown in all open and/or limited open classes must be qualified or otherwise eligible to show in the open class.

AWARDS

In all limited open world show classes, a champion trophy will be awarded to the first-place winner and the reserve champion trophy awarded to second place. Ribbons will be awarded for 1st through 3rd place.

CLASS CONDUCT

All limited classes will run concurrently with the open class and placed separately against only those entries in the limited class, with the possible exceptions of rail classes (hunter under saddle, western pleasure, ranch rail pleasure), horse-against-horse games classes (nez perce stake race, camas prairie stump race), timed tie-down roping and timed heading & heeling. See post entry below for additional information on rail classes. See horse against horse for information on class conduct in horse against horse games classes. See timed roping for information on class conduct in timed roping classes.

Horse against horse

In o280 - camas prairie stump race and o300 - nez perce stake race, all limited open and open entries will run in the elimination round to establish a qualifying time for the horse against horse brackets. The fastest 16 times for those entered in the open class will be used to seed the bracket for the open final and a 16-horse or 8-horse bracket (depending upon total entries) will be conducted to determine the top 10 in the open class. If there is only 1 limited entry, no additional limited bracket will be run and that limited entry (as long as they had a qualifying time in the elimination round) will be named the limited open champion.

If there are 2 or more limited entries, the fastest 8 limited times from the elimination round will be seeded in an 8-horse bracket. The limited open finals bracket will be held that same day. The entries that lose their first horse-against-horse race in the limited open bracket will be

eliminated leaving the 4 entries that won their first horse-against-horse race in the bracket to run for the final top 3 limited open awards. See rules 727 and 728 for additional rules regarding horse against horse competition and brackets.

Timed roping

In o220 – timed tie-dow roping and o240 – timed heading & heeling, ropers must get a qualified time in the elimination round to be eligible to come back and rope in the finals. A maximum of the top 16 open riders and the top 8 limited riders will return for a combined final round. Limited riders will only place against those entered in the limited class. Open riders will only place against those entered in the open class.

Horse/exhibitor changes

Horse changes in open and limited open classes are not allowed.

Exhibitor changes are allowed in open and limited open classes under the following conditions:

- if a horse is entered only in the limited class, an exhibitor change can be made as long as the new exhibitor is also eligible for limited. If the new exhibitor is not limited-eligible, the horse must be scratched from the limited class. In this case, unless a properly completed vet scratch is received, no refunds will be issued for class entry fees.
- if the horse is entered only in the limited class, an exhibitor change can be made but if the new exhibitor is not limited-eligible, the horse must be scratched from the limited class and post-entered in the open class with the new exhibitor. This post entry must be made either by 5 p.m. The day prior to the class, or in the case of rail classes must be made according to the schedule above in post entry deadline - rail classes.
- if the horse is only entered in the open class, an exhibitor change can be made as stipulated in this premium book under substitutions.
- if the horse is only entered in the open class, an exhibitor change can be made and if the new exhibitor is limited-eligible, the horse can be post entered in the limited class. This post entry must be made either by 5 p.m. The day prior to the class, or in the case of rail classes must be made according to the schedule above in post entry deadline - rail classes.
- if the horse is entered in both the limited and open classes with a limited exhibitor, an exhibitor change can be made. If the new exhibitor is not limited-eligible, the horse must be scratched from the limited class but may still

show in the open class.

- the same exhibitor must exhibit the horse in both the limited and open classes, even in rail classes in which a limited class may be held separately.

Set of classes

A "set of classes" refers to a grouping of classes in which the exhibitor exhibits a particular skill set.

Example: if competing in limited open yearling geldings, the limited status of the exhibitor would be dependent upon that exhibitor meeting the limited requirements based upon their past competition in all open halter classes (geldings, mares, stallions, most colorful at halter, halter futurity classes, performance halter etc.) But would not be determined by their past titles in hunter in hand or ranch conformation.

Click on the link below for a complete list of class sets (including class numbers) affecting limited status within those class sets.

Personal Safety & Security Reminders

The ApHC wants to remind everyone to have a safe and enjoyable show.

Many of you will be traveling long distances through unfamiliar places, and it pays to think ahead. The following are things that you may already know, but now is a great time to read over them again and discuss safety with your family. It is also a great time to check the security measures you use to protect your belongings.

Do what you can now to make yourself and your family an unattractive target to thieves and criminals.

Be aware of your surroundings. If something doesn't look or feel right, trust your instincts.

Park and walk only in well-lit areas. Travel in pairs, especially at night.

Children should be with a responsible adult at all times.

Look for a hotel with 24-hour on-site security.

Do not leave valuables in your vehicle.

Don't carry large amounts of cash. Think about replaceable travelers' checks or debit cards with fraud protection instead. Keep a list of credit card and bank contact numbers in a separate place that you can use to cancel cards or accounts if necessary.

Have a back up plan in case your purse or wallet is stolen.

Purses, wallets, GPS devices, briefcases, bags, laptop computers or anything that looks valuable should never be left in a vehicle or unattended area.

Spare wheels, tires and even whole trailers can be targeted by thieves. Locking the hitch on your trailer and the spare on your truck will make you a less attractive target.

Lock your tack stall. Even if you're only going around the corner or into another stall, always lock up.

Label your cell phone, camera, cases, tack carriers, etc.

Found items are returned more quickly if the owner can be easily identified.

If you can, leave your dogs at home. If you bring a dog, keep them on a leash or penned up. Please make sure they are wearing tags with a local or cell number where you can be reached.

Put a label on your horse's stall with your cell, hotel, and local contact information so that you can be reached in the case of a horse emergency.

If you see a horse in distress and the owner is not around, contact the show office or the stall office.
