Personal Safety & Security Reminders

The ApHC wants to remind everyone to have a safe and enjoyable show.

Many of you will be traveling long distances through unfamiliar places, and it pays to think ahead. The following are things that you may already know, but now is a great time to read over them again and discuss safety with your family. It is also a great time to check the security measures you use to protect your belongings.

Do what you can now to make yourself and your family an unattractive target to thieves and criminals.

Be aware of your surroundings. If something doesn't look or feel right, trust your instincts.

Park and walk only in well-lit areas. Travel in pairs, especially at night.

Children should be with a responsible adult at all times.

Look for a hotel with 24-hour on-site security.

Do not leave valuables in your vehicle.

Don't carry large amounts of cash. Think about replaceable travelers' checks or debit cards with fraud protection instead. Keep a list of credit card and bank contact numbers in a separate place that you can use to cancel cards or accounts if necessary.

Have a back up plan in case your purse or wallet is stolen.

Purses, wallets, GPS devices, briefcases, bags, laptop computers or anything that looks valuable should never be left in a vehicle or unattended area.

Spare wheels, tires and even whole trailers can be targeted by thieves. Locking the hitch on your trailer and the spare on your truck will make you a less attractive target.

Lock your tack stall. Even if you're only going around the corner or into another stall, always lock up.

Label your cell phone, camera, cases, tack carriers, etc.

Found items are returned more quickly if the owner can be easily identified.

If you can, leave your dogs at home. If you bring a dog, keep them on a leash or penned up. Please make sure they are wearing tags with a local or cell number where you can be reached.

Put a label on your horse's stall with your cell, hotel, and local contact information so that you can be reached in the case of a horse emergency.

If you see a horse in distress and the owner is not around, contact the show office or the stall office.
