LETTER FROM THE EDITOR Welcome to September

It's Fall! And do you know what that means? The Appaloosa World Championship Show is just around the corner!

If you're interested in sponsoring the World Show, please reach out to mstreet@appaloosa.com! Our sponsors are the backbone of the event, and we are truly grateful for each one of you!

Best,
Thora

SPOTLIGHT: The ApHC Stud Club

INTRODUCING THE APHC STUD CLUB

Introducing the ApHC STUD CLUB

Advertise, Market, and Promote your Stud

- Online listing on ApHC Website
- Social media promotions and shares
- Breeder spot at ApHC World Show (October 24-November 1, 2023)
- 1/2 page ad in Yearly Stallion Directory (included in October Appaloosa Journal)

The ApHC Stud Club is designed to be a one stop resource for breeders and owners, providing a complete listing of ApHC stallions as well as approved stallions that can cross with ApHC mares to produce colorful offspring.

This program makes it easy for those within the appaloosa industry to find stallion information right at their fingertips, whether they are looking for prospects in roping, halter, or any other discipline.

ApHC-registered horses continue to make an impact across the industry and are

eligible for a variety of color incentives.

By enrolling in the Stud Club, stallion owners gain valuable promotion and exposure throughout the year. Membership includes an online stallion listing on the ApHC website, promotion across ApHC social media platforms, a breeder spot at the World Show, and a half-page feature in the annual Stallion Directory.

These benefits provide multiple opportunities to showcase your stallion to a wide audience within the Appaloosa and broader equine communities.

AYA

JUDGING WORKSHOP

The AYA is excited to be hosting a virtual Horse Judging Competition on September 18th at 4pm PDT.

A professional judge will provide a 101 on judging followed by a halter and horsemanship class for judging (just placings, no oral reasons).

As scores are being tabulated, the judge will provide their overall placings with a set of reasons for the competitors.

Any age or experience is welcome! This will be an individual--not team--event. This event is meant to be a fun competition to provide everyone with practice and give youth an opportunity to learn something new.

Watch out for updates via our social media platforms as the event approaches! Register for the event here:

Appaloosa Racing

EXCITING DEVELOPMENTS IN APPALOOSA RACING

The board of directors for the Oklahoma Quarter Horse Racing Association has officially approved the new Remington Park Appaloosa Futurity, an all-Appaloosa event scheduled for April 2026 at Remington Park in Oklahoma City. They will present this race, along with other proposed changes, to the horse racing commission for approval.

We are thrilled that the Oklahoma Quarter Horse Racing Association board is contributing an additional \$10,000 from the horsemen's purse, bringing the total added money to \$20,000, plus an extra \$5,000 in Oklahoma Bred funds if the horse is enrolled. This means that if more than ten horses are entered, the purse will exceed \$30,000. This is a significant milestone for Appaloosa Racing, as we haven't hosted an All-Appaloosa race at the premier track in the USA for over a decade.

The Oklahoma Appaloosa Racing board of directors has classified this new stakes race as a Grade 3 event.

This race aims to attract new racing owners with a low entry fee of \$1,000, and so far, it's proving successful. We already have two barrel horse owners eager to race for the first time, and we anticipate even more novice race owners will join in.

Get ready for a bright future in Appaloosa Racing!
