LETTER FROM THE EDITOR

Welcome to January

HAPPY NEW YEAR!

January is the perfect time to reset, set new goals, and look ahead to another exciting year with the Appaloosa Horse Club. We're grateful to share this journey with such an amazing community, and we're looking forward to all the events, stories, and opportunities the year has in store. Thank you for being part of the ApHC family! Here's to a great year ahead with our Appaloosas!

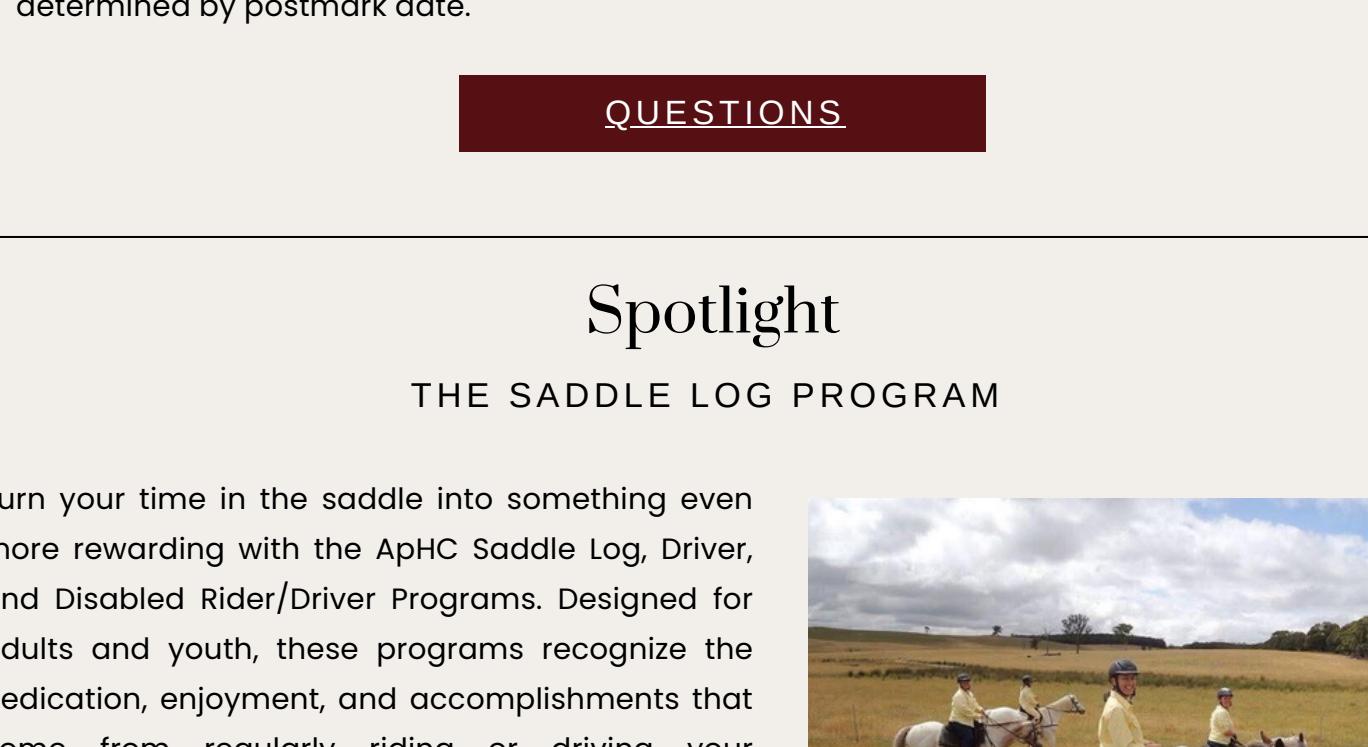

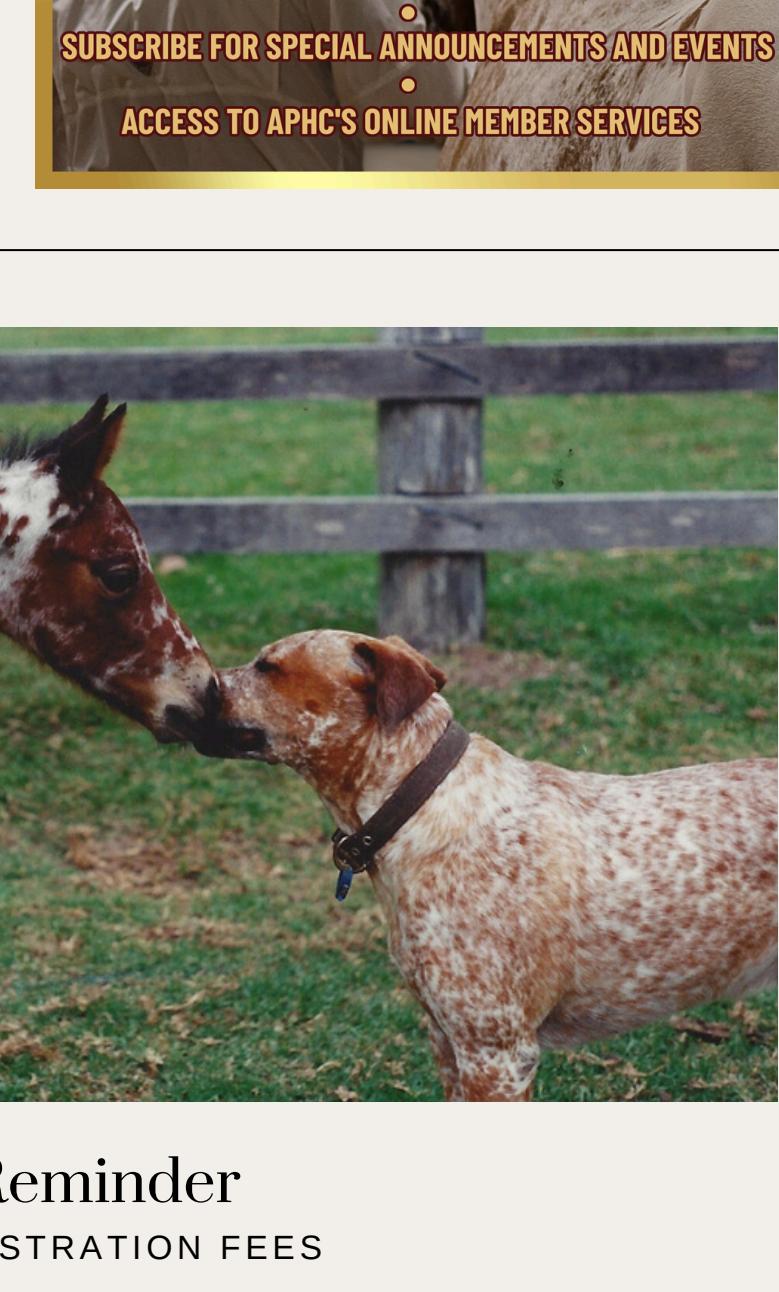

Best,

Thora

Reminder

REGISTRATION FEES

To avoid higher registration fees, horses should be registered before they reach six months of age. Registration fees are \$50 from birth to six months, \$85 from over six months to one year, \$135 from over one year to two years, and \$170 for horses two years of age or older. A hardship registration fee of \$175 applies to geldings or spayed mares. All fees are determined by postmark date.

Spotlight

THE SADDLE LOG PROGRAM

Turn your time in the saddle into something even more rewarding with the ApHC Saddle Log, Driver, and Disabled Rider/Driver Programs. Designed for adults and youth, these programs recognize the dedication, enjoyment, and accomplishments that come from regularly riding or driving your Appaloosa. Whether you're exploring the trails, training at home, competing at shows, working on the ranch, riding in parades, or simply enjoying a relaxing ride or drive, every hour you spend with your horse counts toward awards and lifetime recognition from the Appaloosa Horse Club.

Getting started is easy. All you need is a current ApHC membership and an ApHC-registered Appaloosa—no restrictions on age, registration type, or ownership. You can log hours with one horse or several, making the program flexible and accessible for every rider or driver. Enrollment is available online or through the ApHC office, with a \$40 annual fee for adults and a one-time \$30 fee for youth through the year they turn 19. Once enrolled, tracking your time is simple with online hour logging through the "My Saddle Log" section at www.appaloosa.com. Celebrate your journey, track your progress, and earn recognition for the time you already love spending with your Appaloosa.
