Letter From the Newsletter Editor

Welcome to August,

We hope you're enjoying a fantastic summer with your horses! After an exciting National Appaloosa & Youth World Show and another unforgettable Chief Joseph Trail Ride, we're looking forward to seeing all the adventures the rest of the season has in store.

Whether you're at a regional show, out on the trail, or simply enjoying time with your horse, don't forget to tag the Appaloosa Horse Club in your photos on social media! We love to see memories in the making!

Best,
Thora

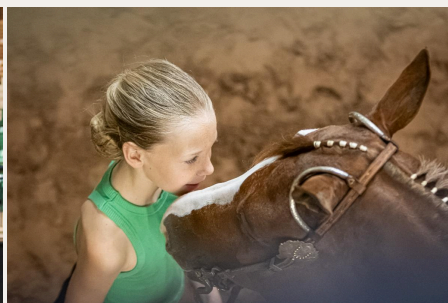

National Appaloosa & Youth World Show
Comment from ApHC President Lori Wunderlich

"Change is always hard and makes your stomach feel like it is in knots, but our first year in Waco was a huge success. That would not have been possible without the support from our loyal sponsors, leadership from our board, positive vibe from our members, and of course the generosity of the city of Waco. Thank you to everyone who made this year's National Appaloosa and Youth World Show such a great experience," said ApHC President, Lori Wunderlich.

Show Highlights

New ApHC All-Time Leading Dam

Eyesa Knockout is a highly successful, Oklahoma-bred racing Appaloosa Horse Club mare born in 2001, sired by Mr Eye Opener out of Wego for Cash (by Rocket Wrangler). She is best known as a premium broodmare, producing numerous elite stakes-winning runners in Appaloosa racing. Currently, this mare's all-time earnings are at \$496,301 surpassing Perfect Intention and taking the **top spot as the ApHC All-Time Leading Dam**.

Her notable progeny includes the graded stakes-winning filly Knockouts Eyes (by Cyber Monday), who notably won the 2026 Grade 3 Remington Park Appaloosa Futurity. She is also the dam of other notable earners in the region, including Major Tom, a star performer of over \$234,500 and six World Records.

Help Name our New Lobby Mascot

The Appaloosa Horse Club has officially welcomed a new four-legged friend to the lobby, and now he needs a name!

As our new mascot, this handsome guy is ready to receive his very own hardship registration and officially become an Appaloosa, despite having no known pedigree or registered parents.

Now comes the important part: choosing his official registered name. We want YOUR input! Members can vote for their favorite from the following Oklahoma inspired name options:

- *OK Storm Chaser*
- *Scissortail Dream*
- *F5 Beautiful Dream*
- *Mesocyclone*
- *Park O Meter*

We are so excited to have a horse of our very own in the lobby and cannot wait to discover which name suits him best!
